	□ No
	Please give reasons for your views.

Referring to Aspect B8, disclosure of issuers' relevant information on community investment is important to investors. By investment in community, issuers can build up social capital that is important to maintain the sustainable development of the community in which their businesses are operating. Disclosure of the following information particularly will give investors good understanding of issuers' performance in the community investment, for example:

Whether they make good use of their expertise to help the needy in the community so as to develop mutual support

Whether they take initiatives to engage with different types of organizations for community involvement

Whether they have policies and procedures in place to enable a cohesion and mutual support culture within the corporate

Whether they have policies or practices in place to encourage their employees to participate in the community activities

8.		ou agree with the proposal to change the heading "Workplace Quality" to oyment and Labour Standards"?
		Yes
		No
	Please	give reasons for your views.
9.	Do you	a agree with our proposal to upgrade the General Disclosures for each Aspect of the Guide to "comply or explain"?
		Yes
		No
	Please	give reasons for your views.

10.
