Subject: Reduction of Minimum Spreads

Name: Simon Soo  
E-mail: [REDACTED]  
Firm name:  
Title:  
Phone: [REDACTED]

I prefer: Keep the current wide minimum bid-offer spreads

Please keep the current spreads, I usually trade on the wide spreads, if the spreads are kept too narrow it will deter me from trading thus decreasing the volume and the number of fish in the pond. I also don't have time to monitor the market if the price I want to buy or sell it too many spreads away.

Thnak you for your consideration  
Simon
