Where there is insufficient space provided for your comments, please attach additional pages.

1. In light of the need to enhance Hong Kong's position as an international financial centre and satisfy market demand, do you support the extension of trading hours in the T+1 Session?

| $\square$ | Yes |
|-----------|-----|
|           | 100 |

No No

Please give reasons for your view.

Extended trading hours will provide sufficient overlap with US market and investors can hedge or adjust their positions (if required)

- 2. Do you agree that the inclusion of equity index options in the T+1 Session could facilitate better risk management by brokers and investors?
  - Yes
  - No No

Please give reasons for your view.

Equity index options will provide investors with another option to hedge.

3. Do you agree that the proposed trading halt could mitigate / reduce risk to the market while maintaining a simple mechanism?

🛛 Yes

🗌 No

Please give reasons for your view.

Trading volume in T+1 session will be comparatively low, so the trading halt will protect against adverse movements.

4. Do you have any other comments on the proposed implementation roadmap?
