## 通告 CIRCULAR

Subject: Updates on the Capital Adjustment to The Wharf (Holdings) Ltd. Futures Contracts – Conditional Distribution

Enquiry: HKATS Hotline<sup>1</sup> Tel: 2211-6360  
DCASS Hotline Tel: 2979-7222

Reference is made to the circular dated 10 November 2017 (Ref. No.: [MO/DT/172/17](#)) and the circular dated 7 November 2017 (Ref. No.: [MO/DT/169/17](#)). For protecting the market integrity and maintaining an orderly market, and after consultation with the SFC pursuant to Regulation 010A of Regulations for Trading Stock Futures Contracts of Rules, Regulations and Procedures of the Futures Exchange, the Exchange would **apply a minimum value 0.25 to the Adjustment Ratio (AR) of the capital adjustment to the Futures on The Wharf (Holdings) Ltd. (“Wharf Holdings”)**.

Imposing a minimum value of AR would prevent the scenario that the Contract Size of the Wharf Holdings Futures becomes abnormally high that could jeopardize the orderliness of the underlying market. Details of the floor applied to the AR as follows:

Adjustment Term	Formula	Remarks
Adjustment Ratio (AR)	(Underlying stock closing price before the ex-date minus Entitlement) / Underlying stock closing price before the ex-date	Rounded to the nearest 4 decimal places <b><u>with a floor value of 0.25 to be applied</u></b>
Adjusted Contract Price (ACP)	Contracted price of outstanding stock futures series x AR	Rounded to the nearest 2 decimal places

<sup>1</sup> All calls to the HKATS hotline would be recorded. Please refer to the following link for HKEX privacy policy statement: [http://www.hkex.com.hk/eng/global/privacy\\_policy.htm](http://www.hkex.com.hk/eng/global/privacy_policy.htm)

Adjusted Contract Multiplier (ACM)	Contracted price of outstanding stock futures series x (1,000 shares / ACP)	Rounded to the nearest 4 decimal places
------------------------------------	---	---

Remark: Entitlement is Wharf Real Estate Investment Company Limited's ("Wharf REIC") value times the Entitlement Ratio for each Wharf Holdings share. The value of Wharf REIC will be determined by the volume weighted average price (VWAP) of those auto-matched trades of Wharf REIC on its listing day on the SEHK.

The Exchange will closely monitor the trading activities on Wharf Holdings and Wharf REIC to ensure market orderliness. Any suspected manipulative activities will be reported to the SFC for further investigation.

*Inform Your Staff and Clients*

Participants should notify all clients holding positions in the captioned stock futures contract of the details of trading, clearing, settlement arrangements and the associated risk. Please ensure that your back office systems are ready for a smooth operation in handling this capital adjustment. In addition, all your staff should be fully aware of the trading and clearing arrangements and should exercise caution when dealing with the standard and adjusted stock futures contracts when advising your clients.
