Enquiry: Hotline 2979 7111 or Ryan Yu 2211 6959

HKSCC has performed an ad hoc review of the size of the Guarantee Fund and the contributions required from each Clearing Participant. The required size of the Guarantee Fund excluding the Dynamic Contribution Credit for all Clearing Participants after the re-calculation is HK\$2,373 million. The amounts of Basic Contribution and Dynamic Contribution required from a Clearing Participant are re-calculated based on its share of the average daily CNS positions of all Clearing Participants for the period from 29 August 2017 to 22 November 2017 pursuant to Section 18.2.1 of the CCASS Operational Procedures.

Clearing Participants can download the Statement of Guarantee Fund Contributions (GFR608) to obtain details of their individual contribution requirements via CCASS Terminal on 23 November 2017. General Clearing Participants can also download the NCP(s) Guarantee Fund Contribution Projection By Position (GFR616) report at the same time. The corresponding collection and refund of contributions will be conducted on 24 November 2017 through Direct Debit Instructions and Direct Credit Instructions respectively.

Should you have any enquiries regarding the above, please contact our hotline at 2979 7111 or Ryan Yu at 2211 6959.
