Dear Sirs,

Derivatives Trading via HKEx Service Network (HSN)

We recently received enquiries to clarify about IP address setting for HKATS and DCASS in HSN. For Exchange Participants (EPs) going to connect to the derivatives market via HSN, kindly be reminded that each NG **ONLY ALLOWS** the connection from a specified IP address group of CLICK & OAPI. For details, please refer to the Appendix (1) IP Address Assignment for HKATS & DCASS in HSN. **Any connections establish outside from the specified group of CLICK & OAPI will be rejected by the NG.**

Should you have any questions, please feel free to contact Nicole Lam at (852) 2211 6637 or Victor Lam at (852) 2211 6292
