

1. Introduction

1.1 Overview of Stock Segregated Account with Statement Service

A Stock Segregated Account (SSA) with Statement Service is an account provided by Hong Kong Securities Clearing Company Limited (HKSCC), a wholly-owned subsidiary of Hong Kong Exchanges and Clearing Limited (HKEX). A broker/custodian which is a Participant of HKSCC can open an SSA with Statement Service with HKSCC for their investor clients, and HKSCC is authorized to furnish activity and/or monthly statements to the investor named by the broker/custodian in respect of the account (SSA Statement Recipient).

SSAs with Statement Service are maintained by HKSCC for brokers and custodians which are its participants in accordance with the General Rules of HKSCC¹ and the HKSCC Operational Procedures. Those brokers or custodians² have full authority and control over the SSAs with Statement Service and the stocks deposited with the accounts. HKSCC provides on-line functions for them to open SSAs with Statement Service and maintain profiles of SSAs with Statement Service for their investor clients. By opening an SSA with Statement Service through his/her broker/custodian, an investor as SSA Statement Recipient of the SSA with Statement Service will receive statements from HKSCC, and can access the on-line services provided in the CCASS Internet System, e.g. Enquire Stock Account Balance, Enquire Stock Account Movement, Input Voting Instruction, Affirm Stock Segregated Account Transfer Instruction (STI), etc. However, the movements of stocks into and out of SSAs with Statement Service are administered by their brokers or custodians and investors have to continue to submit elections, subscriptions and other corporate action instructions through their brokers or custodians.

A. On-line Enquiry

Investors as SSA Statement Recipients can enquire (i) the stock movements, (ii) the stock account balances, (iii) the instructions performed by SSA Statement Recipients, and (iv) the corporate activities of SSAs with Statement Service via the CCASS Internet System.

B. Statements

When there are stock movements in an SSA with Statement Service or any messages issued to the SSA with Statement Service, HKSCC will mail a Stock Segregated Account Activity Statement, showing the Stock Movement, Payment Summary, Affirm STI Activity, Voting Activity, Voting Reminder and Broadcast Message from HKSCC, to the investor as SSA Statement Recipient who has selected to receive activity statement via mail on the following day. HKSCC will mail a Monthly Balance Statement, detailing the stock account movements for the month, balances of all stocks in the stock account and the Broadcast Message from HKSCC to an SSA Statement Recipient who has selected to receive monthly statement via mail at the end of each month. Electronic activity statement and monthly statement will be available to all SSA Statement Recipients via the CCASS Internet System.

SSA Statement Recipients can select the language of the statements in English, Traditional Chinese or Simplified Chinese.

In case there is any change in the profile of an SSA with Statement Service (including change of address or designated bank account, reset of CCASS Primary password, etc.), a notification letter will be issued to the SSA Statement Recipient. SMS and/or email alert will also be sent to the SSA Statement Recipient who has selected to receive SMS and/or email alert.

¹ CCASS means the Central Clearing And Settlement System operated by HKSCC.

² Broker(s) / custodian(s) which is/are CCASS Participant(s)

C. Corporate Communications

At the discretion of investors as SSA Statement Recipients, they can request HKSCC via their brokers/custodians to arrange for the direct distribution of corporate communications, such as notices and annual reports issued by listed issuers to them.

D. Short Message Services (SMS) and Email

At the discretion of investors as SSA Statement Recipients, they can request HKSCC via their brokers/custodians, to issue alert messages in the languages they have selected to their mobile phones or email accounts when there are stock movements / STI reminder / voting notification / issuer announcement in their SSA with Statement Service.
