事項

Subject: Revision of Compatible Platforms for CCASS/3 Terminals (C3T)

查詢

Enquiry: Technical Hotline at 2211 6606 / CCASS Hotline at 2979 7111

CCASS Participants (CPs) and Designated Banks (DBs) who operate C3Ts on Windows XP Professional are advised to upgrade to a compatible Windows platform no later than **31 December 2014** as Microsoft has ceased to support Windows XP since April 2014. The list of Windows platforms that support C3T can be found in the Attachment below while the Installation Procedure and the related configuration set up can be found at:

http://www.hkex.com.hk/eng/market/clr/secclr/ccass3/Documents/C3T_Install.pdf

CPs and DBs are responsible for procuring both the hardware and system software as well as the migration for C3Ts at their own costs. Please be reminded that non-conforming C3Ts will lead to access failure with CCASS.

Should you have any questions regarding the above information, please contact Technical Hotline at 2211-6606 or CCASS Hotline at 2979-7111.
