I. BACKGROUND INFORMATION

A. HKEX

Hong Kong Exchanges and Clearing Limited (HKEX) is the holding company of The Stock Exchange of Hong Kong Limited (SEHK), Hong Kong Futures Exchange Limited (HKFE). It owns three clearing houses, namely Hong Kong Securities Clearing Company Limited (HKSCC), HKFE Clearing Corporation Limited (HKCC) and The SEHK Options Clearing House Limited (SEOCH), and operates two clearing and settlement systems, CCASS and DCASS.

HKEX went public in June 2000 following the integration of the securities and derivatives markets of SEHK and HKFE. As a listed company, answerable to its shareholders, HKEX competes vigorously for opportunities in the region and around the world. It is a market-driven business, operating business-driven markets.

The mission of HKEX is to operate a world-class marketplace for Hong Kong and Mainland China securities and derivatives products. By offering access to international capital markets for issuers and an open, secure, fair, orderly, efficient and transparent marketplace for investors, issuers and intermediaries, HKEX contributes to Hong Kong's status as an international financial centre and the premier capital market for China. By servicing China's substantial long-term demand for capital and exchange services in accordance with international standards and practices, HKEX will further enhance its position as one of the world's pre-eminent exchanges.

B. CCASS

HKSCC owns and operates the Central Clearing and Settlement System (CCASS) and the CCASS Depository for all eligible securities listed on SEHK. HKSCC has a wholly-owned subsidiary, HKSCC Nominees Limited, which acts as the common nominee for the shares held in the CCASS Depository.

HKSCC provides securities clearing and settlement, money settlement, depository and common nominee services. CCASS, a computerised book-entry clearing and settlement system for transactions in securities traded on SEHK, was implemented in June 1992. The clearing operation is based on the immobilisation of share certificates in the CCASS Depository. Exchange Trades are mainly settled on a continuous net settlement (CNS) basis by electronic book entries to Participants' stock accounts in CCASS. Money settlement is effected electronically through the clearing and settlement systems operated by Hong Kong Interbank Clearing Limited.

For more details on the clearing and settlement services of CCASS, please visit <u>http://www.hkex.com.hk/eng/prod/clr/sec_clrsett/secclgsettservice.htm</u>.

C. Services available to a CCASS Participant

A CCASS Participant enjoys the following services:

- Electronic securities clearing and settlement via book-entry transfer
- Electronic money settlement via Direct Debit or Credit Instruction or Electronic Payment Instruction or CHATS (Clearing House Automated Transfer System) Payment Instruction issued by HKSCC to the Participant's designated bank
- Guaranteed settlement of CNS trades executed by Clearing Participants as HKSCC becomes the central risk taker under CCASS by substituting itself as the universal counter-party to Exchange Trades to be settled under CNS
- Deposit of eligible securities for settlement and safe custody
- Nominee services in respect of the securities held in CCASS, e.g. receive corporate communications and announcements, collect benefit entitlements, exercise shareholders rights such as instructing HKSCC to act on its behalf in the event of voting, subscription, takeover, etc.

II. INFORMATION FOR POTENTIAL APPLICANTS FOR HKSCC PARTICIPANTSHIP

B. Mandatory operational requirements

1. Designated Bank Account for CCASS Money Settlement

For effecting CCASS money settlement, each Participant of CCASS must maintain a general purpose Designated Bank Account, i.e. a Hong Kong Dollar Current Account or other account approved by HKSCC from time to time, in the Participant's own name with a Designated Bank. A Participant must select its Designated Bank from http://www.hkex.com.hk/eng/market/clr/secclr/clrarng_hkscc/Documents/NON-IP_BKLIST_HK D.pdf issued by HKSCC from time to time and obtain the Designated Bank's prior written approval for its use of the Designated Bank Account for CCASS money settlement.

CCASS money settlement between a Participant and HKSCC, or between a Participant and other Participants, will be executed by debits and credits to the Designated Bank Account.

A Participant must execute authorisations to enable the Designated Bank to accept

electronic instructions from HKSCC to credit or debit the account, including making payment to HKSCC, and to comply with the requirements of HKSCC for CCASS money settlement purposes.

Lead-time required

HKSCC will send the originally signed authorisation forms to the applicant's Designated Bank for setting up the system linkage for effecting CCASS money settlement. The whole process will take about three to four weeks to complete.

2. Installation of CCASS Terminal

Each Participant or its Settlement Agent is required to be directly linked to CCASS via dedicated data communication links through CCASS Terminal to the host computer of HKSCC at the Participant's office premises or its Settlement Agent's office premises located in Hong Kong or in a foreign jurisdiction.

Each Participant or its Settlement Agent may also be directly linked to CCASS via dedicated data communication links through Participant Gateway to the host computer of HKSCC at the Participant's office premises or its Settlement Agent's office premises located in Hong Kong.

The technical requirements for interface with the CCASS host computer of HKSCC are contained in the CCASS Terminal User Guide and Frequently Asked Questions (FAQ) can be found via

http://www.hkex.com.hk/eng/market/clr/secclr/ccass3/ccass_fag_question.htm.

Participants should contact the Accredited Vendors directly to apply for line installation and notify HKSCC the details about dedicated data communication links upon submission of prescribed application / order forms to the Accredited Vendors.

Participants are responsible for obtaining their own personal computers, or PCs, and printers. Participants are also responsible for all costs (maintenance or otherwise) relating to their CCASS Terminals, Participant Gateways, printers, data communication links and related peripherals, as well as for all costs (maintenance or otherwise) relating to the required system software.

Participant requires to have set(s) of smartcard and smartcard reader (to be installed to the CCASS Terminals) for CCASS access and security control purposes. Acquisition of one or more smartcard and smartcard reader will be at the expense of the Participant. A Participant may request CCASS Terminal Commissioning Services at its own cost.

Lead-time required

The lead-time for service delivery by Accredited Vendors is normally six weeks subject to the arrangement between Participants and the Accredited Vendors.

3. Appointment of Delegated Administrators and Authorised Users

Each Participant must appoint its own administrators (Delegated Administrators) to establish or cancel, via CCASS Terminal, the access of its Authorised Users to CCASS. Only persons approved as the Participant's Authorised Users are granted access to CCASS via CCASS Terminals.

A Participant will need to apply in the prescribed manner to HKSCC for smartcards for its Delegated Administrators and Authorised Users for access control purposes.

4. Appointment of Authorised Signatories

The list of Authorised Signatories with Specimen Signatures contains the names and specimen signatures of the Authorised Signatories appointed by the Board of Directors of or person(s) with equivalent authority from the applicant. In the event of the applicant's admission to CCASS, the Authorised Signatories will have the authority to give written instructions to HKSCC in connection with any matters relating to the applicant's participation and operations in CCASS.

5. <u>Setup of Stock Segregated Account</u>

HKSCC provides two types of stock accounts in CCASS, the Stock Clearing Account and Stock Segregated Accounts. The Stock Clearing Account (Account 01) of each Participant will be the main Stock Account in CCASS used for settlement purposes (i.e. to make or take delivery of Eligible Securities). Stock Segregated Accounts are provided to Participants for their internal record keeping. The first Stock Segregated Account (Account 02) will be designated as Entitlement Account for distributing scrip entitlements to Participants and for effecting adjustments in benefit entitlements.

The Stock Collateral Control Account (Account 20) designated to each Clearing Participant will be used to record the Collateral Securities that have been transferred from the Stock Accounts of that Participant to its CCMS Collateral Account(s).

6. <u>Endorsements on Instrument of Transfer</u> (only applicable to Clearing Participants)

To expedite the share re-registration process and alleviate inconvenience to CCASS Participants, HKSCC has adopted a set of arrangements which have been accepted by the Inland Revenue Department (IRD) on condition that HKSCC obtain authorisation from ALL CCASS Clearing Participants to HKSCC to cause endorsements to be made on transfer deeds as the agent of selling brokers.

7. Operations and Risk Control Plan

An applicant who applies to become a Clearing Participant must be able to demonstrate that it has an established clearing business in securities listed and/or traded on the Stock Exchange or it has the financial and operational capacity to establish and operate a clearing business in securities listed and/or traded on the Stock Exchange. It also needs to demonstrate its business capabilities in clearing operations including appropriate internal control measures and a robust risk management framework. A Clearing Participant should

submit an Operations & Risk Control Plan to HKSCC at the time of application. Guidelines for Contents of Operations & Risk Control Plan are enclosed in the Attachment 2 of Explanatory Notes for Application for Participantship and Trading Right (EN1). <u>http://www.hkex.com.hk/eng/market/hkex_part/criteria/partapp/documents/EN1.pdf</u>

8. FATCA Documentation

In order to comply with FATCA requirements, each Participant must submit a completed Form W-8BEN-E or any relevant form as applicable to HKSCC. The instructions for Form W-8BEN-E can be found via <u>http://www.irs.gov/pub/irs-pdf/iw8bene.pdf</u>.

C. Optional services and their requirements

1. Sharing of CCASS Terminal

HKSCC allows Participants belonging to the same company group or a Participant and its Settlement Agent to share among themselves the use of data lines to access CCASS, subject to HKSCC approval. A Participant may seek approval by applying in the prescribed manner to HKSCC.

2. Settlement of Intra-day Marks by RTGS Payment

On each Business Day, CCASS Clearing Participants are required to pay net unfavourable marks in excess of the tolerance limit (currently set at HK\$5 million in general) before 2:00 p.m. The Participant has to either give instructions to its Designated Bank each time to make an intra-day marks payment or give HKSCC standing instructions to send payment instructions directly to the Designated Bank for payment of the intra-day marks.

Provided that the Participant has set up the CHATS (Clearing House Automated Transfer System) Payment Authorisation with its Designated Bank Account and completed the prescribed form to HKSCC, HKSCC will generate CHATS Payment Instructions (CPI) on its behalf to its Designated Bank whenever it is required to pay intra-day marks.

3. Designated Bank Account denominated in Foreign Currencies

Each Participant which wishes to settle money obligations in CCASS in an Eligible Currency other than Hong Kong dollars must maintain a Designated Bank Account in its own name and denominated in that Eligible Currency for the settlement of money obligations in CCASS. For the time being, the Eligible Currencies other than Hong Kong dollars are United States dollars and Renminbi. A Participant must select its Designated Bank from the List of Designated Banks under http://www.hkex.com.hk/eng/market/clr/secclr/clrarng hkscc/ClrArrangeHKSCCPart.htm issued by HKSCC from time to time. Separate authorisation forms will be provided upon request.

4. <u>Appointment of Settlement Agent</u>

A Settlement Agent is a service provider appointed by a CCASS Participant, excluding

Investor Participants, to access CCASS and conduct settlement and other activities in CCASS on behalf of the Participant without changing the Participant's principal obligations vis-à-vis HKSCC.

HKSCC may, on a Participant's application, approve the appointment of a Settlement For details, please refer FAQ under Agent. more to the http://www.hkex.com.hk/eng/market/clr/secclr/clrarng hkscc/sa/documents/fag.pdf. Participants who are interested in appointing a Settlement Agent are required to submit a request in writing to Clearing Administration & Services, Cash & Derivatives Clearing Operations of Hong Kong Securities Clearing Company Limited by post. The mailing address is 7/F, Infinitus Plaza, 199 Des Voeux Road Central, Hong Kong.

5. Third Party Clearing Services

Third Party Clearing enables easier access to the cash market through segregation of trading and clearing participantships. An Exchange Participant (EP) who trades on the SEHK will have the option to choose to become a DCP in CCASS or outsource its clearing functions to a GCP who provides clearing services to Exchange Participants. Under TPC, an Exchange Participant without a clearing participantship in CCASS is referenced as a Non-Clearing Participant (NCP).

An EP appointing a GCP will have to enter into a Clearing Agreement with its GCP. The GCP must ensure that the Clearing Agreement does not contain any provision which is inconsistent with the General Rules of CCASS and has terms and conditions to facilitate the performance of, and be consistent with, the GCP's obligations under the General Rules of CCASS. The Clearing Agreement shall incorporate any additional conditions prescribed by HKSCC from time to time. A GCP shall be bound by and comply strictly with the terms of each Clearing Agreement to which it is or has been a party, to the extent that those Clearing Agreements are consistent with the General Rules of CCASS. It should be noted that an NCP is not allowed to trade on the Stock Exchange if it does not have a valid, binding and effective Clearing Agreement with a GCP. GCP should submit Form 11 – Notification of Execution of Clearing Agreement for HKSCC to effect the clearing relationship between GCP and NCP in CCASS.

Please refer to the TPC section under <u>http://www.hkex.com.hk/eng/market/clr/secclr/clrarng_hkscc/tpc/tpc.htm</u> for more details.

6. Access to CCASS from a Foreign Jurisdiction

A Participant that wishes to (i) install a CCASS Terminal at its or its Settlement Agent's office premises located in a foreign jurisdiction or (ii) to access and operate CCASS from a foreign jurisdiction must obtain HKSCC's prior written approval to do so. Where approval is granted, such installation shall be subject to the General Rules of CCASS and such conditions as prescribed by HKSCC from time to time. For technical details, please refer to the FAQ under

http://www.hkex.com.hk/eng/market/clr/secclr/ccass3/ccass_fag_question.htm.

Participants wishing to access CCASS from a foreign jurisdiction are required to submit the completed application form to Clearing Administration & Services, Cash & Derivatives Clearing Operations of Hong Kong Securities Clearing Company Limited by post. The

mailing address is 7/F, Infinitus Plaza, 199 Des Voeux Road Central, Hong Kong.
