With reference to the Exchange circular (Ref: CMD/TMO/023/11) issued on 27 June 2011, a simulation test on trading, clearing and settlement of transactions with the support of the TSF (“TSF Simulation Test”) has been successfully completed in September 2011 for EPs to verify their readiness in participating the TSF on its first day of launch. The tentative launch date of the TSF is **24 October 2011, Monday**.

In order to allow more EPs to verify their readiness before the launch of TSF, another TSF Simulation Test will be conducted on 15 and 16 October 2011. EPs who wish to participate in the TSF Simulation Test on 15 and 16 October are required to **complete and return the Form of Indication of Interest (Attachment 1) to HKEx on or before 30 September 2011, Friday**. HKEx will contact the interested EPs separately for the details of the TSF Simulation Test.

Before completing the Form, EPs are requested to read thoroughly the TSF Participant Registration Criteria (Attachment 2), the TSF Information Paper and other relevant information including Frequently Asked Questions, presentation materials of seminars which are available on the HKEx website (http://www.hkex.com.hk/eng/market/sec_tradinfra/TSF/TSF.htm).
