With reference to the circular (Ref: CMD/TMO/039/11) issued on 12 October 2011, the TSF was launched on 24 October 2011 to support the trading of RMB equities in the secondary market. To facilitate the market development of RMB products, HKEx plans to extend the TSF to cover other RMB product types in early August 2012. Further information will be announced in due course.

A practice session on trading, clearing and settlement of transactions using the TSF (“TSF Practice Session”) will be conducted on 28 and 29 July 2012. The practice session serves two purposes:

1. Exchange Participants (EPs) who have registered as TSF Participants may refresh their internal operations and procedures before the launch of additional RMB product types with TSF support,
2. EPs who have not registered but are interested in becoming TSF Participants should take this opportunity to verify their readiness to process TSF transactions and prepare for registration as TSF Participants. For preparation of the practice session and the registration, EPs should also read through the TSF Participant Registration Criteria (Attachment 1), the TSF Information Paper, Frequently Asked Questions, TSF seminar presentation materials etc. on the HKEx website ([http://www.hkex.com.hk/eng/market/sec\\_tradinfra/tsf/tsf.htm](http://www.hkex.com.hk/eng/market/sec_tradinfra/tsf/tsf.htm)).

EPs who wish to participate in the TSF Practice Session on 28 and 29 July 2012 are required to complete and return the TSF Practice Session Registration Form (Attachment 2) to HKEx **on or before 13 July 2012, Friday**. HKEx will provide details of the TSF Practice Session separately.
