2010 Corporate Governance Report

2010 CORPORATE GOVERNANCE REPORT

(Financial figures in this report are expressed in Hong Kong dollar)

Corporate Governance Practices

HKEx is committed to maintaining the highest levels of business integrity and Shareholders' long-term interests through a set of corporate governance principles and practices which have been established upon the four cornerstones of accountability, transparency, fairness and integrity. Since its listing in 2000, HKEx has spared no effort in improving its practices to ensure that they remain relevant in a quickly-evolving business environment while furthering its steadfast commitment to the highest governance standards.

As an exchange controller governed by the SFO, HKEx shall act in the interest of the public with particular regard to the interest of the investing public; and ensure that the interest of the public prevails where it conflicts with the interest of HKEx. We have the primary duty of ensuring an orderly, informed and fair securities and futures market and of ensuring risks are managed prudently. Our corporate governance structure is specifically designed to enable HKEx to discharge this statutory duty while pursuing its business objectives, which helps reinforce Hong Kong's position as an international financial centre.

As a listed company on the Stock Exchange (which is HKEx's wholly-owned subsidiary), HKEx is regulated by the SFC in order to prevent any potential conflicts of interest in compliance with the Main Board Listing Rules, thereby ensuring a level playing field with other listed issuers. Moreover, the regulatory function of the Stock Exchange assumed by HKEx's Listing Division is separate and independent of HKEx's income-generating business operations. The regulatory function is supervised by Listing Committee and GEM Listing Committee, which is totally independent of the Board, in order to maintain impartiality.

The principles in the CG Code of the Main Board Listing Rules have been adopted to shape our corporate governance structure, which has been established to provide guidance when handling relationships and dealings with various stakeholders in a comprehensive and constructive way. More information about our checks and balances as well as our governance principles and practices are available in the Corporate Governance section of the HKEx website.

CG Code Compliance

The Government Appointed Directors and the Chief Executive, in his capacity as a Director, are not subject to election or re-election by Shareholders as their appointments are governed by Section 77 of the SFO and HKEx's Articles respectively. Save as disclosed in this paragraph, HKEx has complied with all the code provisions and, where appropriate, adopted the recommended best practices as set out in the CG Code (Appendix 14 to the Main Board Listing Rules) throughout the year ended 31 December 2010.

2010 CORPORATE GOVERNANCE REPORT

Corporate Governance Structure

* A statutory committee which consists of no more than 2 members appointed by HKEEx and 3 to 5 members appointed by the Financial Secretary pursuant to Section 65 of the SFO.

The Board

Board Composition

The Board structure is governed by Article 90 of HKEEx's Articles and Section 77 of the SFO under which the Financial Secretary may appoint any person as a Government Appointed Director; however the number of such shall not exceed the number of Elected Directors, excluding the Chief Executive. Currently, the Board is comprised of 13 members who are either professionals or financial experts. The list of Directors, their biographies and their respective terms of office will be set out in the Board of Directors and Senior Management of the 2010 Annual Report, and are available on the HKEEx website.

2010 CORPORATE GOVERNANCE REPORT

Board Composition

* 6 Government Appointed Directors and 6 Elected Directors

Chairman and Chief Executive

The roles of the Chairman and the Chief Executive are separate and assumed by Mr Ronald Arculli (re-appointed by the Board on 23 April 2010 and approved by the HKSAR Acting Chief Executive on 27 April 2010) and Mr Charles Li (who succeeded Mr Paul Chow effective 16 January 2010) respectively. Their respective responsibilities are set out in the Corporate Governance section of the HKEx website. HKEx's Articles provides that the Chairman shall be a non-executive Director. The Chairman's primary responsibilities include deciding on the meeting schedule and agenda, formulating Board policy, ensuring Board effectiveness, promoting the Company and upholding the Company's corporate governance. The Chief Executive has delegated authority from, and is responsible to, the Board for managing the Group's business, including the implementation of the strategies and initiatives adopted by the Board.

Independence of Non-executive Directors

Since its listing, HKEx has been steering by a Board comprised of INEDs by great majority. The Chief Executive is the only executive Director on the Board.

Every non-executive Director has submitted a written confirmation to the SFC stating his/her independence upon his/her appointment with reference to the criteria affecting independence, as set out in the Main Board Listing Rules. Each INED is required to inform the Company as soon as practicable if there is any change that may affect his or her independence. Moreover, each has to declare his or her past or present financial interest or other interest in the Company's or its subsidiaries' business, or his or her connection with any of the Company's connected persons (as defined in the Main Board Listing Rules), if any. Details are disclosed under the Continuing Connected Transactions and Related Party Transactions sections of this report. All Directors do not have any financial, business, family or other material/relevant relationships with each other. In particular, there are none between the Chairman and the Chief Executive.

2010 CORPORATE GOVERNANCE REPORT

Appointment and Election of Directors

The appointment, re-election and removal of Directors are governed by the SFO and HKEx's Articles. While each Government Appointed Director is normally appointed for a term of approximately 2 years, the service term of every Elected Director is not more than approximately 3 years. Retiring Directors are eligible for re-appointment or re-election. The staggered structure enables the Board to change its composition in an orderly manner over time while maintaining leadership, stability and continuity, and allows for regular evaluation of the mix of skills and experience, as required.

On 22 April 2010, the Financial Secretary re-appointed Mr Ronald Arculli, Mrs Laura Cha and Dr Moses Cheng each for a term of approximately 2 years from the close of the 2010 AGM until the conclusion of the AGM to be held in 2012. Messrs John Strickland and Oscar Wong were re-elected by Shareholders at the 2010 AGM each for a term of approximately 3 years from 22 April 2010 until the conclusion of the AGM to be held in 2013.

The service terms of 2 Elected Directors, namely Dr Bill Kwok and Mr Vincent Lee, and 3 Government Appointed Directors, namely Dr Marvin Cheung and Messrs Stephen Hui and Michael Lee, will expire at the conclusion of the 2011 AGM. Pursuant to Article 93(5) of HKEx's Articles, they are all eligible for re-appointment. Candidates standing for election at general meetings are recommended by either Shareholders or the Board. HKEx will make an announcement on the appointment of Directors, including Government Appointed Directors, as soon as the results are known.

The Nomination Committee (NC)

The NC is comprised of 5 members who are all INEDs. Its major responsibilities are to formulate and implement the policy for nominating candidates for election by Shareholders, and to assess the independence of non-executive Directors based on the criteria such as reputation for integrity, accomplishment and experience in the financial services sector, professional and educational background, and potential time commitments. Its member list will be set out in the Board and Committees of the 2010 Annual Report, which together with the terms of reference are available on the HKEx website.

During 2010, the NC met once, and members' attendance record is shown on page 9 of this report. The NC nominated Messrs John Strickland and Oscar Wong for the Board's recommendation to stand for election by Shareholders at the 2010 AGM, and reviewed and confirmed the independence of the 12 INEDs for the year ended 31 December 2009.

Confirmation of INEDs' Independence

On 2 March 2011, the NC held a meeting to assess the annual confirmation of independence received from each of the INEDs. The factors as set out in Rule 3.13 of the Main Board Listing Rules are taken into account when assessing the independence of a non-executive Director. As a good corporate governance practice, every NC member abstained from assessing his or her own independence. After taking into account that 6 Directors are Government-appointed and 3 of them are Executive Councillors while the Hong Kong Government is a Minority Controller of the Company, and Dr Bill Kwok and Messrs Vincent Lee and John Strickland have served on the Board for more than 9 years, the NC affirmed that all INEDs remained independent.

2010 CORPORATE GOVERNANCE REPORT

Nomination of Candidates as Elected Directors

On 2 March 2011, the NC also, in accordance with the Nomination Policy, nominated Dr Bill Kwok and Mr Vincent Lee to stand for election by Shareholders at the 2011 AGM. On the same day, the said nominations were accepted by the Board with Dr Kwok and Mr Lee each abstaining from voting on the proposition of himself for election by Shareholders. Dr Kwok and Mr Lee do not have any service contracts with any member of the Group that are not determinable by the Group within 1 year without compensation (other than statutory compensation); their particulars will be set out in the circular to Shareholders to be sent together with the 2010 Annual Report.

Board Process and Effectiveness

Role and Responsibilities

The Board plays a central supporting and supervisory role in the Company's corporate governance structure, provides leadership and guidance to the Group's activities and oversees the work of the management and its execution of the Company's business strategies. Its terms of reference are set out in the Corporate Governance section of the HKEx website.

Induction and Development

Every Board member receives a Director's Handbook upon joining the Group, which lays down the Guidelines on Conduct for Board and Committee members and other key governance issues, including but not limited to Board procedures and all applicable laws, rules and regulations that they are required to observe during their service on the Board. The Director's Handbook is updated regularly and the latest version, dated June 2010, is available on the HKEx website.

A formal and tailored induction programme is arranged for each new Director, which includes a briefing on the Group's structure, businesses and governance practices by Senior Management. To seek continuous improvement, Directors are encouraged to attend relevant training sessions, particularly on corporate ethics and integrity matters, risk management, and relevant new laws and regulations, from time to time.

2010 CORPORATE GOVERNANCE REPORT

Key features of Board process

- The meeting schedule for the following year is normally given to all Directors within the last quarter of the current year. Board members may then hold extensive discussions of agenda items and other topics of interest. HKEx's senior executives are invited to join Board meetings to enhance the Board's understanding of any business proposals. In 2010, a total of 11 Board meetings were held with an average duration of about 2 hours. The overall attendance rate in 2010 was 94 per cent (2009: 88 per cent). The attendance record of each Director is set out in the Board Committees section of this report. Members can request relevant information through the Chief Executive or Company Secretary at any time. Members shall preserve the privacy of confidential information given or presented to, and the deliberations of, the Board/Committees.
- At each of its meetings, the Board receives a written report from the Chief Executive on the Company's major events, projects and initiatives, key matters of each division/department, and corporate activities.
- Other than Board meetings, the Chairman had meetings with individual Directors without management to discuss the performance of the management and matters affecting the Group in an informal but constructive manner.
- Sufficient resources are provided including for seeking independent professional advice to enable Directors to discharge their duties and responsibilities.
- Directors are required to declare their direct/indirect interests, if any, in any business proposals to be considered by the Board and to abstain from the relevant meetings, as appropriate. In 2010, there was 1 occasion where a Director withdrew from a meeting due to potential conflict of interest.
- In each financial reporting period, the Company seeks confirmation from Directors with respect to any related party transactions under Hong Kong Accounting Standard 24 and connected transactions under the Main Board Listing Rules. The relevant information will be disclosed in note 42 to the consolidated accounts of the 2010 Annual Report.
- Directors' and officers' liability insurance has been arranged. In 2010, no claims under the insurance policy were made.

Performance Evaluation

In 2010, the Board, for the first time, carried out a formal and rigorous evaluation of its performance as well as that of the Committees and individual Directors by an external independent consultant to ensure objectivity and impartiality.

The evaluation was carried out by circulation of a questionnaire to each Board member. It was devised with specific references to the objectives of the Board and respective Committees, and included interviews with each Director, certain senior executives and representatives of the Financial Services and the Treasury Bureau, the Hong Kong Monetary Authority and the SFC. The consultant also attended a Board meeting and an Audit Committee (AC) meeting to observe the Board's and Committee's proceedings.

The evaluation report was presented to the Board, which collectively discussed the results and the action plan for improvement. The evaluation concluded that the Board, including its Committees and members, functions well, and there are no major areas of concern. It also concluded that the Board is of good overall quality, with good people, processes and internal dynamics. The Board will conduct a structured evaluation of the Board performance internally on an annual basis and plans to continue reviewing its performance and that of its Committees with external facilitation once every three years.

Delegation by the Board

Board Committees

A total of 8 Board Committees have been formed, each of which is delegated with specific roles and responsibilities by the Board. Their terms of reference are available on the HKEx website. The AC, NC, Panel Member Nomination Committee (PMNC) and Remuneration Committee (RC) are comprised solely of INEDs. All the Board Committees follow the same principles and procedures as those of the Board and are provided with sufficient resources to discharge their duties. The Board receives the minutes of meetings and/or reports from the chairman of each of the committees on a regular basis, including their decisions and recommendations. The member lists of the Board Committees will be set out in the Board and Committees of the 2010 Annual Report and are available on the HKEx website.

Accountability and Audit

Financial Reporting

The Board is responsible for presenting a balanced, clear and comprehensible assessment of the Group’s performance, position and prospects. It is also the Board’s responsibility to oversee the preparation of the annual accounts which give a true and fair view of the Group’s state of affairs, results and cash flows for the year. To discharge this responsibility, the Board regularly reviews the reports prepared by management on the Group’s financial and operational performance as well as the development of major initiatives, especially those under the annual operating plan. In preparing the accounts for the year ended 31 December 2010, the Board:

- (a) adopted all Hong Kong Financial Reporting Standards which conform to the International Financial Reporting Standards in all material respects;
- (b) selected suitable accounting policies and applied them consistently;
- (c) made prudent and reasonable judgements and estimates; and
- (d) ensured that the accounts were prepared on a going concern basis.

The Board recognises that high quality, transparent and timely financial reporting is important to secure stakeholders’ confidence in the Group, and reviews and approves the annual, interim, and quarterly results for publication within 3 months, 2 months and 45 days respectively after the end of the relevant periods.

Internal Controls and Their Effectiveness

The Board has the overall responsibility to maintain sound and effective internal controls for the Group and to review their effectiveness to safeguard Shareholders’ investment and the Group’s assets. To this end, an internal control and risk management system has been established to provide reasonable, though not absolute, assurance against material misstatement or loss, and manage or mitigate rather than eliminate risks of failure to achieve business objectives.

Internal Control Framework

The Group’s internal control and risk management system is an integral part of the Group’s management system, which is on a par with the COSO (Committee of Sponsoring Organisations of the Treadway Commission) framework. Details of the internal control procedures are available in the Corporate Governance section of the HKEx website. The key control measures are summarised below.

Annual Assessment of Internal Control System

The AC, on behalf of the Board, assesses the effectiveness of the internal control system in detecting fraud and other irregularities on a regular basis by reviewing IAD's work and findings. IAD conducted independent reviews of the adequacy and effectiveness of the Group's internal control and risk management system and regularly reported the review results to the Board through the AC. IAD also assessed the Group's internal controls using the COSO framework to confirm the effectiveness of the Group's internal control system in the following aspects:

More information on the IAD's role and its internal audit methodology and process are available in the Corporate Governance section of the HKEx website.

During 2010, no suspected cases of fraud, irregularities or infringement of laws, rules and regulations or material control failures were identified. At its meeting on 21 February 2011, the AC concluded that the Group's internal control system was adequate and effective, and that the Group had adopted the necessary control mechanisms to monitor and rectify non-compliance throughout 2010. The AC also reviewed and was satisfied with the adequacy of resources, staff qualifications and experience, training programmes and budget of the Group's accounting and financial reporting function. More information about the AC, including a summary of its work in 2010, will be set out in the Audit Committee Report of the 2010 Annual Report.

Independence of External Auditor

The AC is mandated to monitor the independence of the external auditor to ensure true objectivity in the financial statements. Prior to the commencement of the audit of the Group's 2010 accounts, the AC received written confirmation from the external auditor on its independence and objectivity. The external auditor is refrained from engaging in non-audit services except for limited tax-related services or specific approved items. The AC reviews the external auditor's statutory audit scope and non-audit services and approves its fees.

The Group has adopted a 5-year rotation policy regarding the engagement partner of the external auditor, hence a new partner in charge of the Group's audit was assigned by the external auditor in 2010. The Group has also adopted the policy of not hiring employees of an external auditor who are or have been involved in the Group's audit so as to ensure no impairment of the auditor's judgement and independence with respect to an audit. These policies have been consistently followed since their adoption.

More information about the external auditor's responsibilities will be set out in the Auditor's Report of the 2010 Annual Report.
