If your answer is “No”, please give reasons for your views.

27. Do you agree with the proposal described in paragraph 186 of the Consultation Paper to exempt an issuer purchasing and maintaining insurance for a director against liabilities to third parties that may be incurred in the course of performing his duties, if it does not contravene any law of the issuer’s place of incorporation?

28. Do you have any other comments or suggestions relating to the connected transaction Rules?

Yes

No

If your answer is “Yes”, please elaborate your views.

The current de minimis threshold 0.1% for connected transactions with connected persons at the issuer level was set a long time ago. Given the issuers’ compliance burden outweighing the benefits to public shareholders in terms of full disclosure of such small connected transactions marginally exceeding the current 0.1% de minimis threshold, it is suggested to increase the de minimis threshold of connected transactions with connected persons at the issuer level for full exemption to 0.3% of the applicable size test ratios.
