1. Do you agree with our proposal to amend Rule 13.91 to require issuers to disclose in their annual reports or ESG reports whether they have complied with the “comply or explain” provisions in the ESG Guide and if they have not, they must give considered reasons in the ESG reports?

Yes

No

Please give reasons for your views.

It would be beneficial for issuers to disclose their compliance with “comply or explain” provisions in the ESG Guide. Shenzhen and Shanghai Stock Exchange have introduced mandate reporting requirements with respect to environmental, social and governance (ESG issues) in 2006 and 2008 respectively.

Moreover, sustainability investment has become a new trend and seeks to invest in companies that grow in a sustainable and holistic way. Henceforth, this proposal is an effective way to address stakeholder concerns.

2. Do you agree with our proposal to amend Rule 13.91 to require the issuer to report on ESG annually and regarding the same period covered in its annual report?

Yes

No

Please give reasons for your views.

This proposal allows stakeholders to evaluate issuer’s environmental performance (e.g. kg CO₂ per dollar profit). Consistency in reporting timeframe on ESG figure and annual report generates a comparable database which is beneficial for future evaluation.

3. Do you agree with our proposal to include a Note under Rule 13.91 to clarify that:
- (i) an ESG report may be presented as information in its annual report, in a separate report, or on the issuer’s website; and
 - (ii) the issuer should publish the ESG report as close as possible to, and in any event no later than three months after, the publication of the issuer’s annual report?

Yes

No

Please give reasons for your views.

Instead of voluntary reporting which was previously adopted, the recommended changes will require issuer’s to review each general disclosure and report reason of non-compliance. Since these information shall be published in the issuer’s website or in their annual report,
