Dear Sirs,

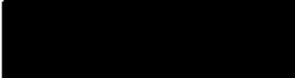

**Re: Joint Consultation Paper on Proposed enhancements to the Stock Exchange's Decision Making and Governance Structure for Listing Regulation**

I don't agree any proposals in the consultation paper at all. Such proposals, if implemented,

- It will definitely give too much power to SFC through fundamental change to our regulatory regime despite the denial of SFC on this over the media; and
- It ignore the check and balance issue, the market development issue and propensity to move Hong Kong towards the merits-based regime.

To sum up, I think the consultation paper should be withdrawn as soon as possible.

Yours faithfully,
