**Subject:** Consultation Paper on Proposed Enhancements to the Exchange's Decision Making and Governance Structure for Listing Regulation

To whom it may concern:

The proposals have the effect of taking over the entire Listing Division, an operational division of SEHK, as the SFC will provide performance appraisal on Listing Division's staff thereby affecting their compensation and will therefore "control" Listing Division's staff and the day-to-day operation of the Division. No reasons to endorse such proposals.

Therefore I oppose to the proposals in the consultation paper.
