**Subject:** Re the consultation paper released in June 2016

Dear Sir/Madam,

Regarding the joint consultation paper released in June 2016, proposed enhancement to the HKEX's decision making and governance structure for listing regulation, I have to oppose the proposal, since the enhancement of power of SFC is not appropriate. I believe the market should be in a balance that many different organizations and people, other than the government, can have enough space and have their voice be heard.
