Issue 1: Use of websites for communication with shareholders

*Question 1.1:* Do you agree that the Rules should be amended so as to remove the requirement that all listed issuers must, irrespective of their place of incorporation, comply with a standard which is no less onerous than that imposed from time to time under Hong Kong law for listed issuers incorporated in Hong Kong with regard to how they make corporate communications available to shareholders (as proposed in paragraph 1.20(a) of the Combined Consultation Paper)?

- Yes  
 No

Please provide reasons for your views.

*Being listed in one exchange, the participants should comply with one set of rules. This will minimise confusion to the investing public.*

*Question 1.2:* Do you agree that the Rules should be amended so as to allow a listed issuer to avail itself of a prescribed procedure for deeming consent from a shareholder to the listed issuer sending or supplying corporate communications to him by making them available on its website?

- Yes  
 No

Please provide reasons for your views.

Anything that can reduce the use of paper should be welcome. Yet not all investors have access to computers, hence, giving investors the option should help issuers to reduce costs and be more environmentally friendly.

*Question 1.3:* In order for a listed issuer under our proposal to be allowed to send or supply corporate communications to its shareholders by making them available on its website, its shareholders must first have resolved in general meeting that it may do so or its constitutional documents must contain provision to that effect. Do you concur that, as in the UK, the listed issuer should also be required to have asked each shareholder individually to agree that the listed issuer may send corporate communications generally, or the corporate communications in question, to him by means of the listed issuer's website and to have waited for a specified period of time before the shareholder is deemed to have consented to a corporate communication being made available to him solely on the listed issuer's website?

- Yes  
 No

Please provide reasons for your views.

Not all investors can work with electronic documentations for whatever reasons. They need to be consulted individually and be given time to response so that they are being fairly treated.

*Question 1.4:* If your answer to *Question 1.3* is “yes”, do you agree that:

(a) the specified period of time for which the listed issuer should be required to have waited before the shareholder is deemed to have consented to a corporate communication being made available to him solely on the listed issuer’s website should be 28 days;

- Yes  
 No

(b) where a shareholder has refused to a corporate communication being made available to him solely on the listed issuer’s website, the listed issuer should be precluded from seeking his consent again for a certain period of time; and

- Yes  
 No

(c) if your answer to (b) is “yes”, should the period be 12 months?

- Yes  
 No

Please provide reasons for your views.

Do you have any other comments you consider necessary to supplement your reply to this *Question 1.4*?

*Question 1.5:* Do you consider that the Rules should be amended to remove the requirement for express, positive confirmation from a shareholder for the sending of a corporate communication by a listed issuer to the shareholder on a CD?

- Yes  
 No

Please provide reasons for your views.

If given a reasonable period of time and shareholders do not response, it either means that they do not care or they have no objection. Then the issuer should be allowed to choose what is best for the issuer itself.

*Question 1.6:* Do you agree that the draft Rules at Appendix 1 will implement the proposals set out in Issue 1 of the Combined Consultation Paper?

- Yes  
 No

Please provide reasons for your views.

Issue 2: Information gathering powers

*Question 2.1:* Do you agree that a new Rule should be introduced to grant to the Exchange express general powers to gather information?

- Yes  
 No

*Question 2.2:* Do you agree that the draft Main Board Rule 2.12A at Appendix 2 will implement the proposal set out in *Question 2.1* above?

- Yes  
 No

Issue 3: Qualified accountants

*Question 3.1:* Do you agree that the requirement in the Main Board Rules for a qualified accountant should be removed?

- Yes  
 No

Please provide reasons for your views.

*It depends on what information is being gathered by the Exchange. As for Qualified Accountant, it is important for the listed company to have someone who understand the accounting requirements in HK as there are different practices in the PRC and elsewhere that depart from the HK requirement. Without QA, the public is exposed to issues that will not be discovered until the reporting deadline. By that time, it may be too late.*

*Question 3.2:* Do you agree that the requirement in the GEM Rules for a qualified accountant should be removed?

- Yes  
 No

Please provide reasons for your views.

GEM more so than Main Board as GEM tends to have issuers that is less matured and structured than the Main Board.

Issue 4: Review of sponsor's independence

*Question 4.1:* Do you agree that the Rules regarding sponsor's independence should be amended such that a sponsor is required to demonstrate independence at any time from the earlier of the date when the sponsor agrees its terms of engagement with the new applicant and when the sponsor commences work as a sponsor to the new applicant up to the listing date or the end of the price stabilisation period, whichever is the later?

- Yes  
 No

Please provide reasons for your views.

*Question 4.2:* Do you agree that the draft Rules at Appendix 4 will implement the proposals set out in *Question 4.1* above?

Yes

No

Please provide reasons for your views.

**Issue 5: Public float**

*Question 5.1:* Do you agree that the existing Rule 8.08(1) (d) should be amended?

Yes

No

*Question 5.2:* If your answer to *Question 5.1* is “yes”, do you agree that the existing Rule should be amended as proposed at Appendix 5?

Yes

No

Do you have other suggestions in respect of how the existing Rule should be amended? Please provide reasons for your views.

*Question 5.3:* Do you have any other comments on the issue of public float? Please be specific in your views.

*Question 5.4:* Do you agree that the existing Rule 8.24 should be amended?

Yes

No

*Question 5.5:* If your answer to *Question 5.4* is “yes”, do you agree that the existing Rule should be amended as proposed at Appendix 5?

Yes

No

Do you have other suggestions in respect of how the existing Rule should be amended? Please provide reasons for your views.

*Question 5.6:* Do you consider that there is the need to regulate the level of market float?

Yes

No

*Question 5.7:* If your answer to *Question 5.6* is “yes”, do you have suggestions as to how it should be regulated, e.g. in terms of percentage or value, or a combination of both? Please provide reasons for your views.

Issue 6: Bonus issues of a class of securities new to listing

*Question 6.1:* Do you agree that the requirement for a minimum spread of securities holders at the time of listing under Main Board Rules 8.08(2) and 8.08(3) should be disapplied in the event of a bonus issue of a class of securities new to listing?

Yes

No

Please provide reasons for your views.

*Gives the issuer flexibility. Time of listing to time of bonus issue are two different types of event and should be subjected to the given circumstances at a given time as long as it does not take advantage of minority shareholders or discriminate again a certain class of holders. I cannot see how any class of holders be in a disadvantage position in this proposition.*

*Question 6.2:* Do you consider it appropriate that the proposed exemption should not be available where the listed shares of the issuer may be concentrated in the hands of a few shareholders?

- Yes  
 No

If so, do you consider the five-year time limit to be appropriate?

- Yes  
 No

Please provide reasons for your views.

*Question 6.3:* Do you agree that the draft Rules at Appendix 6 will implement the proposals set out in *Questions 6.1 and 6.2* above?

- Yes  
 No

Please provide reasons for your views.

Issue 7: Review of the Exchange's approach to pre-vetting public documents of listed issuers

*Question 7.1:* Do you agree that the Exchange should no longer review all announcements made by listed issuers?

- Yes  
 No

Please provide reasons for your views.

time sensitive information may become invalid after the vetting procedures. Also there are enough professional parties in the market to facilitate a self governing environment.

*Question 7.2:* Do you have any views on the proposed arrangements and issues the Exchange should consider in order to effect an orderly transition from the current approach to the new approach with a further reduction in the scope of pre-vetting of announcements?

*Exchange should put the burden back to the issuer to disclose information that is accurate and in compliance to the listing rules by imposing heavier disciplinary action to the issuers.*

*Question 7.3:* Do you support the proposal to amend the pre-vetting requirements relating to:

(a) circulars in respect of proposed amendments to listed issuers' Memorandum or Articles of Association or equivalent documents; and

Yes

No

(b) explanatory statements relating to listed issuers purchasing their own shares on a stock exchange?

Yes

No

Please provide reasons for your views.

*Question 7.4:* Do you agree that the Exchange should continue to pre-vet (pursuant to a new requirement in the Rules) the categories of documents set out in paragraph 7.50 of the Combined Consultation Paper?

Yes

No

Please provide reasons for your views.

*Question 7.5:* Do you support the proposal to amend the circular requirements relating to discloseable transactions including the proposal regarding situations where the Rules currently require that expert reports are included in a circular?

*Question 8.2:* Have the various types of changes in a listed issuer's issued share capital been appropriately categorised for the purpose of next day disclosure, bearing in mind the need to strike a balance between promptly informing the market on the one hand and avoiding the creation of a disproportionate burden on listed issuers on the other?

- Yes  
 No

*Question 8.3:* Is 5% an appropriate *de minimis* threshold for those categories of changes to which it applies?

- Yes  
 No

Please provide reasons for your views.

*Question 8.4:* Do you have any comments on the draft of the Next Day Disclosure Return for equity issuers?

*no*

*Question 8.5:* Do you have any comments on the draft of the Next Day Disclosure Return for CISs listed under Chapter 20 of the Main Board Rules, other than listed open-ended CISs?

*no*

*Question 8.6:* Is 9:00 a.m. of the next business day an achievable deadline for the Next Day Disclosure Return?

- Yes  
 No

Please provide reasons for your views.

The economics and the price sensitive information can be done the next day but there may be complex situation that requires a much more onerous disclosures and one day maybe a difficult time period to accomplish all the tasks needed.

- Yes
- No

Please provide reasons for your views.

Please provide reasons for your views.

- Yes  
 No

Please provide reasons for your views.

Improve transparency.

Issue 10: Alignment of requirements for material dilution in major subsidiary and deemed disposal

*Question 10.1:* Should the Rules continue to impose a requirement for material dilution, separate from notifiable transaction requirements applicable to deemed disposals?

Please provide reasons for your views.

They should be combined to form one rule as both material dilution and deemed disposals are addressing the same underlying issue and should be simplified to meet one set of requirements only.

*Question 10.2:* Do you agree that the requirements for material dilution under Main Board Chapter 13 and GEM Chapter 17 should be aligned to those for deemed disposal in Main Board Chapter 14 and GEM Chapter 19?

- Yes  
 No

Please provide reasons for your views.

They are materially the same principle and should be subjected to the same requirement.

*Question 10.3:* Do you agree that the draft Rules at Appendix 10 will implement the proposals set out in *Question 10.2* above?

- Yes  
 No

Please provide reasons for your views.

Issue 11: General mandates

*Question 11.1:* Should the Exchange retain the current Rules on the size of issues of securities under the general mandate without amendment?

- Yes  
 No

If yes, then please provide your comments and suggestions before proceeding to *Question 11.3* below.

*Question 11.2:* Should the Exchange amend the current Rules to restrict the size of the general mandate that can be used to issue securities for cash or (subject to your response to *Question 11.4*) to satisfy an exercise of convertible securities to: (*choose one of the following options*)

Please provide your comments and suggestions.

*Question 11.3:* Should the Exchange amend the current Rules so as to exclude from the calculation of the size limit the number of any securities repurchased by the listed issuer since the granting of the general mandate? (In other words, the listed issuer's issued share capital as at the date of the granting of the general mandate would remain the reference point for the calculation of the size limit, unless the general mandate is refreshed by the shareholders in general meeting.)

Yes

No

If yes, please provide your comments and suggestions.

*It gives the shareholders a chance to refresh the number of shares and reassess the position every year. Circumstances may change and maintain the general mandate the way it is throughout the years may take away the one chance that the shareholders can revisit this sensitive issue and be able to have their voice heard by the company on this issue that can directly affect their economic interest.*

Yes

No

*Question 12.3:* If your answer to *Question 12.1* is “no”, should the Exchange amend the Rules so that, where the resolution is decided in a manner other than a poll, the listed issuer would be required to make an announcement on the total number of proxy votes in respect of which proxy appointments have been validly made together with: (i) the number of votes exercisable by proxies appointed to vote for the resolution; (ii) the number of votes exercisable by proxies appointed to vote against the resolution; (iii) the number of votes exercisable by proxies appointed to abstain on the resolution; and (iv) the number of votes exercisable by proxies appointed to vote at the proxy’s discretion?

Yes

No

*Question 12.4:* In the case of listed issuers other than H-share issuers, the Rules currently require 14 days notice for the passing of an ordinary resolution and 21 days notice for the passing of a special resolution. 21 days notice is also required for convening an annual general meeting. In the case of H-share issuers, 45 days notice of shareholder meetings is required under the “Mandatory Provisions for Companies Listing Overseas” for all resolutions. Should the Exchange amend the Rules to provide for a minimum notice period of 28 clear calendar days for convening all general meetings?

- Yes  
 No

If so, should the provision be set out in the Rules (as a mandatory requirement) or in the Code on Corporate Governance Practices as a Code Provision (and therefore subject to the “comply or explain” principle)?

*Question 12.5:* If your answer to *Question 12.4* is “no”, should the Exchange amend the Rules to provide for a minimum notice period of 28 clear calendar days for convening all annual general meetings, but not extraordinary general meetings (or, depending on the listed issuer’s place of incorporation, special general meetings)?

Issue 13: Disclosure of information about and by directors

*Question 13.1:* Do you agree that the information set out in draft new Rule 13.51B should be expressly required to be disclosed by issuers up to and including the date of resignation of the director or supervisor, rather than only upon that person's appointment or re-designation?

- Yes  
 No

Please provide reasons for your views.

*Question 13.2:* Do you agree that the relevant information should be discloseable immediately upon the issuer becoming aware of the information (i.e. continuously) rather than, for example, only in annual and interim reports?

- Yes

- Yes

- Yes  
 No

Please provide reasons for your views.

*Question 13.7:* Do you agree that Main Board Rule 13.51(2)(c) and its GEM Rules equivalent, GEM Rule 17.50(2)(c), should be amended to clarify that issuers should publicly disclose their directors', supervisors' and proposed directors' and supervisors' professional qualifications?

- Yes  
 No

Please provide reasons for your views.

Yes

No

- Yes  
 No

Please provide reasons for your views.

*Question 14.3:* Do you agree that the scope of the Proposed Relief should be confined to acquisition of property assets that fall within the definition of Qualified Property Projects?

Are you aware of any examples of Hong Kong listed issuers encountering difficulties in strict compliance with the Rules when participating in other types of auctions or tenders? If yes, please specify what are the problems faced by the listed issuers in participating in these auctions or tenders.

*Question 14.4:* Do you agree that Qualified Property Projects which contain a portion of a capital element should qualify for relief from the notifiable transaction Rules set out in Main Board Chapter 14?

Yes

No

If yes, should the General Property Acquisition Mandate include any limit on the size of the Annual Cap by reference to some quantifiable thresholds? Please provide reasons for your views.

Yes

No

Please provide reasons for your views.

*Question 15.1:* Do you agree that the notifiable transaction Rules should be amended to specifically exclude any construction of a fixed asset by a listed issuer for its own use in the ordinary and usual course of its business?

- Yes  
 No

Please provide reasons for your views.

*If it is internally created value, it can only be beneficial for the shareholders. *Question 15.2:* Do you agree that the draft Rules at Appendix 15 will implement the proposal set out in *Question 15.1* above?

- Yes  
 No

Please provide reasons for your views.

13 a and b are irrelevant to determine whether an assets is for own use because whether the listed issuer has the expertise , is most relevant and responsible for bring the fixed assets to the location and condition has no relevance to whether it is for own use. It should instead look at the actual need of the business and whether it is in fact being used by the business after the construction.

Issue 16: Disclosure of information in takeovers

*Question 16.1:* Do you agree that the current practice of the Exchange, i.e. the granting of waivers to listed issuers to publish prescribed information of the target companies in situations such as hostile takeovers, should be codified in the Rules?

- Yes  
 No

Please provide reasons for your views.

*Question 16.2:* Do you agree the new draft Rule should extend to non-hostile takeovers where there is insufficient access to non-public information as well as hostile takeovers?

- Yes  
 No

Please provide reasons for your views.

*In the PRC, information for a company can be incompleted yet there are potential businesses that non the less are of strategic value. As long as the management can disclose information that support their reasons for acquisition, the Rule should allow the granting of waivers.*

*Question 16.3:* Paragraph (3) of the new draft Rule proposes that the supplemental circular must be despatched to shareholders within 45 days of the earlier of the following:

- the listed issuer being able to gain access to the offeree company's books and records for the purpose of complying with the disclosure requirements in respect of the offeree company and the enlarged group under Rules 14.66 and 14.67 or 14.69; and

- Yes  
 No

Please provide reasons for your views.

*Question 16.4:* Do you have any other comments on the draft new Rule 14.67A at Appendix 16? Please provide reasons for your views.

The main concern in a takeover that lacks information is hidden litigations and commitments of the target that is outstanding at the time of acquisition. This may expose the issuer to unlimited liabilities. In the information to be disclosed, there should be a legal opinion attached the state that as of the time of disclosure, the legal council retained by the company has "taken all reasonable step to ensure that there is no outstanding litigations and commitments to a third party and as of the date of discloser, no such issues have been found."

Issue 17: Review of director's and supervisor's declaration and undertaking
