Dear Sirs,

Reminder for Termination of Short Selling Turnover Information on AMS/3 Information Pages Effective 21 May 2012

Please be reminded that the termination of the AMS/3 Information Pages (p.5100-5149) for the daily short selling turnover information will take effect from 21 May 2012 as planned. As a result, the corresponding Exchange News will no longer be available in our real-time datafeeds including MDF*, MDF 3.8 and IIS from the same day.

For your information, a new webpage has been launched for dissemination of current day short selling turnover information. The webpage is located under “Short Selling Turnover Today” in the “Securities Market Statistics” section on the HKEx website or it can be directly accessed via the link <http://www.hkex.com.hk/eng/stat/smstat/ssturnover/sstoday.htm>. The short selling turnover information will normally be available on the webpage within 15 to 25 minutes after morning and afternoon session close.

We herewith enclose the related Participant Circular for your reference.

Should you have any queries, please feel free to contact Ken Wong at (852) 2840 3790 or Evan Chan at (852) 2840 3058 or Elvis You at (852) 2840 3491.
