Readiness Declaration for Increase the Minimum Bandwidth Requirement for HKEX Orion Market Data Platform – Securities Market (OMD-C) Premium Datafeed

With reference to our client notice issued on 2 August 2021 (Ref: [MDD/21/617](#)), the increase of minimum bandwidth requirement of the OMD Securities Premium (SP) will be effective in late November or early December 2021.

For Direct Connection Client, who is required to upgrade the bandwidth of their OMD-C connections, please be reminded to submit the [OMD Connection Notification Form \(Production\)](#) to HKEX and arrange with network carrier as soon as possible.

Please also be reminded that the activities listed in the table below are **Mandatory to all SP Direct Connection Clients regardless of network change:**

Activity	Schedule	Details
Submission of Impact Assessment and Readiness Declaration	On or before 15 October 2021	ALL SP Direct Connection Clients please submit the Impact Assessment and Readiness Declaration Form on or before 15 October 2021.
Connectivity Session (CS) with Volume Test	13 November 2021	ALL SP Direct Connection Clients to ensure their system capacity can handle the higher through-put. Please confirm your participation in CS by filling in Online Test Participation Form on or before 29 October 2021 (Friday). Test details will be provided to participating clients by 8 November 2021.

Indirect Connection Clients are advised to work closely with their feed providing vendor or ASP to identify if there are needs for system or network upgrade to cater for the bandwidth upgrade and ensure their readiness before the increased bandwidths takes effect.

For the implementation schedule and potential impact, please refer to our client notice issued on 2 August 2021 (Ref: [MDD/21/617](#)).
