a) Market Data Arrangement

The trading information on Weibo Futures and Options will be transmitted via OMD-D upon the product launch on 8 December 2021.

b) Pre-launch Arrangement

The final strike information of Weibo Options on 8 December 2021 will be provided to Clients shortly after the close of the day session (at around 6:30 p.m.) on 7 December 2021 by email.

In OMD-D, the information will also be available via Reference Data on 7 December 2021, but they will not be tradable on that day.

c) Vendor Access Codes Confirmation

For publicity purpose, Information Vendors (IVs), who plan to provide and display the information of the Weibo Futures and Options in their service(s) after the product launch, please complete and return the attached Vendor Access Code Confirmation Form on or before close of Monday, 6 December 2021 and keep us updated if there is any change. The access codes collected may be published on the HKEX website and/or any promotion materials.

Separately, if you have reviewed the access codes on our website and discovered that the access code for any other product is not up to date, please inform us.

Clients and ISVs are reminded to make appropriate adjustments and arrangements where necessary to ensure the readiness of their systems for the introduction of Weibo Futures and Options.
