We are writing to inform you of the following updates:

- The Marketing Programme for New Derivatives Products (“New Products Programme”) will be extended from 1 January 2022 until further notice; and
- The Derivatives Market Data Distribution Partnership Programme (“Partnership Programme”) will be discontinued after expiry on 31 December 2021.

Under the New Products Programme, the 8 regions covered are Mainland China, Korea, Taiwan, Malaysia, India, Thailand, Vietnam and Singapore.

For the latest required new derivatives products to be displayed as the eligible criteria, please refer to the updated [Guiding Note on Marketing Programme for New Derivatives Products](#) or the [New Products Programme Corner](#).
