In the event that (1) an Exchange Participant is expelled as referred to in Rule 719 and any Stock Exchange Trading Right of the Exchange Participant is revoked as referred to in Rule 720 or (2) a Special Participant is expelled as referred to in Rule 719, such Participant shall remain indebted to the Exchange for all monies owed to the Exchange, including but not limited to all legal and other incidental costs or disbursements incurred by the Exchange in connection with the expulsion and revocation and any sums owing by the Participant to the Exchange (whether in its capacity as an Exchange Participant, holder of a Stock Exchange Trading Right, Special Participant or in any other capacity), an SEHK Subsidiary, any recognized exchange controller which is the controller of the Exchange or any company of which a recognized exchange controller which is a controller of the Exchange is a controller.

CHINA CONNECT SERVICE

Cross-boundary Trading Links

1401. The Exchange and a China Connect Market Operator may enter into Trading Links to establish and operate:
- (1) an order-routing arrangement to enable Exchange Participants and their clients to trade in securities listed on the relevant China Connect Market through an SEHK Subsidiary (which shall be a member or participant of the relevant China Connect Market), and/or

The China Connect Service

1403. (1) For the purposes of establishing and operating a Trading Link referred to in Rule 1401(1), the Exchange may enter into arrangements, upon such terms and conditions as the Exchange considers appropriate, with an SEHK Subsidiary pursuant to which the SEHK Subsidiary will provide services to China Connect Exchange Participants for the routing of China Connect orders to a China Connect Market System. Where such services are provided, China Connect orders input by a China Connect Exchange Participant into the CSC via a China Connect Open Gateway will, subject to these Rules, be routed to the relevant China Connect Market System by the SEHK Subsidiary for automatic matching and execution. Any reference in these Rules to “through the China Connect Service” or “through the use of the China Connect Service” shall, unless the context otherwise requires, be construed accordingly.
- (2) In conjunction with the order-routing service referred to in Rule 1403(1), the Exchange may, on its own or through an SEHK Subsidiary, provide related supporting services to China Connect Exchange Participants as the Exchange considers appropriate. These may include the following:
- (3) To facilitate the provision of the order-routing and related supporting services referred to in Rules 1403(1) and (2) by an SEHK Subsidiary to China Connect Exchange Participants, the Exchange will provide the SEHK Subsidiary with technical infrastructure and related support and services on such terms and conditions and upon payment of such fees as the Exchange and the SEHK Subsidiary may from time to time agree.
- (4) The use of the China Connect Service by China Connect Exchange Participants shall be subject to such terms and conditions and the payment of such fees as the Exchange and/or the relevant SEHK Subsidiary may from time to time prescribe.
1406. (7) Exchange Participants must sign an undertaking in the prescribed form with the relevant SEHK Subsidiary prior to their being accepted for registration as China Connect Exchange Participants for trading in a China Connect Market through the use of the China Connect Service. The Exchange may prescribe different forms of undertakings with respect to different China Connect Markets.

Resignation as a China Connect Exchange Participant

- 1406A. (2) Where a notice under Rule 1406A(1) is given to the Exchange, the resignation of the China Connect Exchange Participant shall be subject to such conditions as the Exchange considers appropriate and shall take effect only after the Exchange has notified its approval in writing, the date on which the resignation is to take effect and any applicable conditions. Pending such approval and before the specified effective date, the China Connect Exchange Participant shall continue to be bound by all relevant provisions of Chapters 14, 14A and 14B.
1420. Unless the Exchange otherwise determines, all inputs into the CSC via a China Connect Open Gateway of a China Connect Exchange Participant are valid and binding on the China Connect Exchange Participant subject to these Rules, and by inputting a China Connect order into the CSC, a China Connect Exchange Participant is deemed to have authorised the relevant SEHK Subsidiary to route such China Connect order through the China Connect Service to the relevant China Connect Market System for automatic matching and execution. A China Connect Exchange Participant shall be responsible for the accuracy of all information and messages input into the CSC via a China Connect Open Gateway of the China Connect Exchange Participant, and it is deemed to have authorised and have knowledge of all inputs that bear the China Connect Exchange Participant's unique identifier.
1422. A China Connect order input by a China Connect Exchange Participant may, subject to the rules of the relevant China Connect Market Operator that apply to the relevant SEHK Subsidiary (including without limitation any form of circuit breaker mechanism), be cancelled at the request of the China Connect Exchange Participant through the input of a cancellation request into the CSC via a China Connect Open Gateway provided that such China Connect order has not been matched or executed by the relevant China Connect Market System. No China Connect order is regarded as cancelled unless and until a cancellation confirmation has been issued by the relevant China Connect Market System. Neither the Exchange nor the relevant SEHK Subsidiary shall have any liability in the event that a China Connect order which a China Connect Exchange Participant has requested be cancelled is not cancelled for any reason whatsoever.
1428. (2) For the purpose of preventing the acts referred to in Rule 1428(1), the Exchange and the relevant SEHK Subsidiary may set restrictions in the CSC and related system connections to block the input of China Connect orders at an artificially low price at such thresholds as the Exchange and the relevant SEHK Subsidiary may consider appropriate.
1436. The Exchange may at any time and on such terms as it thinks fit revoke or terminate an Exchange Participant's registration as a China Connect Exchange Participant, or suspend, restrict or terminate a China Connect Exchange Participant's access to or use of the China Connect Service in respect of any China Connect Market or any part thereof where the Exchange considers it appropriate and reasonable to do so (including where the China Connect Exchange Participant fails to comply with these Rules). Before the revocation or termination of an Exchange Participant's registration as a China Connect Exchange Participant takes effect, the China Connect Exchange Participant shall continue to be bound by all relevant provisions of Chapters 14, 14A and 14B.

1437. In the event that the Exchange, an SEHK Subsidiary or HKSCC is notified by a China Connect Market Operator, China Connect Clearing House or a relevant governmental or regulatory body that there is reasonable cause to suspect or believe that a China Connect Exchange Participant or any of its clients has failed to comply with or has breached any applicable laws of Mainland China with regard to the trading of China Connect Securities on the relevant China Connect Market through the use of the China Connect Service, the Exchange shall, in addition to any other powers that it may have under these Rules, have the following powers:

Suspension, Restriction and Cessation of Operation of the China Connect Service, and Emergency Arrangements

1438. (1) The Exchange or the relevant SEHK Subsidiary (after consulting the Exchange) may temporarily suspend or restrict the China Connect Service in respect of a China Connect Market or any part thereof in its sole and absolute discretion. Suspension or restriction may be in respect of all or part of the order-routing and related supporting services or with regard to all or any China Connect Securities or one or more China Connect Markets, and for such duration and frequency as the Exchange may consider appropriate.
- (2) The circumstances under which the powers under Rule 1438(1) may be exercised include, without limitation, the following:
- (a) in the judgement of the Exchange or the relevant SEHK Subsidiary (after consulting the Exchange), any applicable quota prescribed under Rule 1426 or 1427 may not be sufficient to support the fulfilment of China Connect orders, or any restrictions or measures put in place for quota management as referred to in Rule 1428 may not be effective;
 - (b) in the judgement of the Exchange or the relevant SEHK Subsidiary (after consulting the Exchange), a fair, informed and orderly market for the trading of the relevant China Connect Securities may not exist or be maintained (including where investors are unable to access relevant market information), or there is unusual trading of the relevant China Connect Securities through the use of the China Connect Service;
 - (c) in the judgement of the Exchange or the relevant SEHK Subsidiary (after consulting the Exchange), the normal operation of any Trading Link is affected or there are operational or technical issues which must be resolved before the China Connect Service should continue to be made available or not be restricted;
 - (e) where the Exchange or the relevant SEHK Subsidiary is notified by HKSCC in writing confirming that there are operational or technical issues in respect of HKSCC, a China Connect Clearing House or any Clearing Link which must be resolved before the China Connect Service should continue to be made available or not be restricted; and
 - (f) where an error, mistake or delay has occurred in relation to the compilation or publication of the list of China Connect Securities, the list of Special China Connect Securities or any other lists concerning China Connect Securities

referred to in this Chapter 14 or the applicable China Connect Service Special Rules which, in the judgement of the Exchange or the relevant SEHK Subsidiary (after consulting the Exchange), has affected or may affect the normal or continued operation of the China Connect Service or the relevant Trading Link.

- (3) If the Exchange or an SEHK Subsidiary decides to suspend or restrict the China Connect Service or any part thereof under Rule 1438(1), the Exchange shall (except in the case of emergency) publish an announcement on the HKEx website or by such other means as the Exchange considers appropriate, stating the nature of the suspension or restriction, the effective date and time of suspension or restriction and any other information as the Exchange considers appropriate.

1439. If, in the opinion of the Exchange or the relevant SEHK Subsidiary (after consulting the Exchange), the operation or functioning of the China Connect Service in respect of a China Connect Market or any part thereof is, or is likely to be, severely or adversely threatened or affected by an emergency (including but not limited to fire, epidemic or other casualty or accident, typhoon, rainstorm, earthquake, natural disaster, power outage, communications breakdown, system failure, computer malfunction, war, riot, civil commotion, labour strike, terrorist attack, material change of law or issue of any governmental or regulatory order, decree or judgment or other similar events) having significant impact on the continuous operation of the China Connect Service, the CSC, a China Connect Market System or a China Connect Market Operator, the Exchange and the relevant SEHK Subsidiary (after consulting the Exchange) shall have full authority to take such actions, steps or measures in relation to the China Connect Service, the CSC or otherwise, as it may deem necessary or appropriate to deal with such emergency. For the avoidance of doubt, in order to deal with an emergency, the Exchange shall have full authority to suspend or restrict access to or the use of the China Connect Service in respect of any China Connect Market or any part thereof, change the relevant operational hours and related arrangements, or cancel or request for the cancellation of any or all China Connect orders input by any or all China Connect Exchange Participants, irrespective of whether such China Connect orders have already been routed to the relevant China Connect Market System.

1440. The Exchange or the relevant SEHK Subsidiary (with the agreement of the Exchange) may, in respect of any or all of the China Connect Markets (in the case of the Exchange) and in respect of the relevant China Connect Market (in the case of the SEHK Subsidiary), decide to cease the provision of the China Connect Service and the relevant part or parts of the operation of the CSC permanently, with immediate effect or otherwise by publishing an announcement on the HKEx website or through such other means as the Exchange considers appropriate. Subject to the requirements of the relevant governmental or regulatory bodies, the Exchange and the relevant China Connect Market Operator will cooperate to implement the winding-down arrangements in respect of the relevant Trading Link as the Exchange and the relevant China Connect Market Operator may from time to time agree.

Disclosure of Information and Publication of Trade Information

1441. (1) In addition to other powers which the Exchange may have in these Rules, the Exchange may require China Connect Exchange Participants to provide, in relation to each China Connect Market, information on their clients' profiles, and the type and value of China

Connect orders and the China Connect Securities Trades executed for them at such intervals and in such form as the Exchange may specify from time to time.

- (2) Without prejudice to any other rights which it may have to disclose information in its possession, the Exchange may, in respect of any one or more China Connect Markets and in such manner and form and at such intervals as it considers appropriate, publish, disseminate or publicly distribute aggregated information in respect of China Connect Securities Trades, trading volumes, investor profiles and other related data, provided that the identities of investors and China Connect Exchange Participants cannot reasonably be determined from the information published, disseminated or publicly distributed by the Exchange.

Responsibilities of the Exchange and the SEHK Subsidiaries

1442. In allowing access to the CSC or making the China Connect Service available, the Exchange and the SEHK Subsidiaries are only providing the system connection arrangements and related services to facilitate the trading of China Connect Securities on the relevant China Connect Market System. The Exchange, HKEx and the SEHK Subsidiaries and their respective directors, employees and agents shall not be liable for any obligation with respect to a transaction concluded through the use of the China Connect Service, and all obligations in relation to or arising from any China Connect order or any transaction concluded through the use of the China Connect Service shall be borne by the China Connect Exchange Participant concerned. In addition to any indemnities given by a China Connect Exchange Participant as an Exchange Participant under these Rules, a China Connect Exchange Participant shall fully indemnify the Exchange, HKEx, the relevant SEHK Subsidiary and HKSCC and their respective directors, employees and agents and keep each of them indemnified against all third party claims, actions and proceedings in relation to or arising from, directly or indirectly, any China Connect order routed to a China Connect Market for execution or any transaction concluded through the use of the China Connect Service by the China Connect Exchange Participant and for all losses, damages, costs and expenses incurred by the Exchange, HKEx, the relevant SEHK Subsidiary and HKSCC and their directors, employees and agents in relation to such claims, actions and proceedings.
1443. The Exchange, HKEx and the SEHK Subsidiaries, and their respective directors, employees and agents shall not be responsible or held liable for any loss or damage directly or indirectly suffered by a China Connect Exchange Participant, its clients or any third parties arising from or in connection with the China Connect Service or the CSC including, without limitation, the following:

- (4) The trading days of the China Connect Service and the operational hours are set out below, which may be subject to change in accordance with Rule 1415.

China Connect Exchange Participants shall also make appropriate arrangements to ensure that their clients will not sell or instruct it to sell any China Connect Securities which are the subject of the relevant China Connect buy order on the

same CSC trading day. For the avoidance of doubt, this means that China Connect Exchange Participants must put in place appropriate measures to ensure that China Connect Securities purchased by or through it on a CSC trading day will not be sold on the same day whether as principal or as agent.

Pre-trade checking

- (6) As SZSE will conduct pre-trade checking of all sell orders routed to the SZSE Market System to ensure that there will be sufficient securities to settle delivery obligations on the settlement day assuming that all submitted sell orders will be executed, pre-trade checking procedures with respect to all China Connect sell orders will be applied by the Exchange and the SEHK Subsidiary to ensure that the relevant accounts have sufficient securities available for settlement before they are routed to the SZSE Market System for execution.
- (7) In respect of a China Connect Exchange Participant who is a China Connect CCASS Clearing Participant, pre-trade checking of its China Connect sell orders will be conducted on the stock holding position of its designated CCASS stock account(s) in accordance with Rules 14B06(10)(a),(c) and (d) except where the China Connect sell order is an SPSA order, in which case Rule 14B06(9) shall apply.

- (c) In respect of overdue short stock positions in China Connect Securities of a China Connect CCASS Clearing Participant under the CNS System which are outstanding for settlement on the due date where such China Connect CCASS Clearing Participant is a China Connect Exchange Participant, HKSCC will request the Exchange to deduct the overdue short stock position quantities from the sellable balances of such China Connect CCASS Clearing Participant on the next CSC trading day, and if such China Connect CCASS Clearing Participant is a CCASS GCP of any China Connect Exchange Participant(s), from the sellable balances of each of such China Connect Exchange Participant(s) on the next CSC trading day. If such overdue short stock positions are, or are alleged by such China Connect CCASS Clearing Participant to be, caused in whole or in part by an SPSA Delivery Failure, the sellable balances of such China Connect CCASS Clearing Participant, and/or the relevant China Connect Exchange Participant and the relevant Special Segregated Accounts will be adjusted in accordance with the CCASS Rules.
 - (d) Any China Connect sell order input by a China Connect Exchange Participant which may, upon execution, exceed the relevant total stock holding positions mentioned in Rule 14B06(10)(a) or (b) above will (subject to Rule 14B06(10)(c) and any sellable balance adjustments made for the purpose of pre-trade checking under the CCASS Rules) be rejected.

In respect of Special Segregated Accounts, each China Connect Exchange Participant who is authorized to execute on behalf of its clients sale of China Connect Securities in the Special Segregated Accounts acknowledges and confirms that its clients have authorized the reproduction, replication and transmission of the stock holding records of the Special Segregated Accounts as mentioned above for the purpose of enabling the Exchange and the SEHK Subsidiary to carry out the pre-trade checking procedures.
- (12) Consistent with Rule 1421(2), China Connect Exchange Participants shall put in place appropriate arrangements to ensure that (a) in respect of an SPSA order, Rule 14B06(3) will be complied with before the placing of the order; and (b) in respect of a China Connect sell order other than an SPSA order, there are sufficient China Connect Securities in the relevant client account or house account, as applicable, within CCASS

- (b) Unless otherwise determined by the Exchange, where the Circuit Breaker Provisions allow orders in respect of China Connect Securities to be cancelled during the period when a SZSE Circuit Breaker is in effect, China Connect Exchange Participants may input order cancellation requests through the China Connect Service during such period as usual. Suspension of trading on A shares and H shares

- (14) Where any H shares with corresponding A shares accepted as China Connect Securities are suspended from trading on the Exchange but the China Connect Securities are not suspended from trading on the SZSE, the China Connect Service will normally remain available for routing China Connect sell orders and China Connect buy orders for such China Connect Securities to the SZSE Market System for execution. The Exchange, however, reserves its discretion to restrict or suspend the China Connect Service for trading in such China Connect Securities and will publish an announcement on the HKEx website or through such other means as it considers appropriate accordingly. For the avoidance of doubt, the Exchange will restrict or suspend the China Connect Service for trading in such China Connect Securities if it is so directed or required by a relevant governmental or regulatory body.

Review of Sales/Purchases

- (15) A China Connect Exchange Participant shall review all sales and purchases of China Connect Securities at the end of each SZSE trading session on each CSC trading day and shall report any discrepancy, erroneous transaction or complaint to the Exchange at such time and in such manner as the Exchange may prescribe from time to time.

- (18) Each China Connect Exchange Participant shall implement appropriate and effective measures and take reasonable steps to ensure compliance with Rules 14B06(16) and (17), including but not limited to (a) not accepting any instruction to buy ChiNext shares or inputting any China Connect buy order for ChiNext shares for any direct client of the China Connect Exchange Participant unless it is reasonably satisfied that the client is an institutional professional investor; and (b) where such client is (i) an intermediary (as defined in the Ordinance); or (ii) a person which carries on business outside Hong Kong in an activity in respect of which it is regulated overseas and which, if carried on in Hong Kong, would constitute a regulated activity under the Ordinance, requiring such client to ensure that only institutional professional investors are allowed to buy ChiNext shares which are accepted as China Connect Securities through the China Connect Service.

- 14B07. (1) Pursuant to the Exchange's powers under Rules 1426 (discretion to prescribe quota limits and controls), 1427 (discretion to take actions to ensure compliance with quota controls) and 1428(2) (power to set price restrictions to block the input of artificial China Connect orders), the Daily Quota and quota monitoring and management provisions under Rules 14B07(2) to (10) shall apply.

Daily Quota

- (2) The Daily Quota shall apply to the trading of China Connect Securities through the use of the China Connect Service.

- (3) The Daily Quota limits the maximum value of all the China Connect Securities Buy Trades that can be executed by all the China Connect Exchange Participants in respect of all the China Connect Securities through the China Connect Service on each CSC trading day. The Daily Quota Balance is monitored on a real-time basis during the operational hours and is calculated based on the following formula:

<p>Daily Quota Balance = Daily Quota – value of China Connect buy orders + value of China Connect Securities Sell Trades + value of China Connect buy orders that have been cancelled or rejected + difference between the execution price and the specified price in respect of those China Connect buy orders that have been executed at a better price than the specified price</p>

- (4) The Daily Quota shall apply to each CSC trading day. Regardless of the level of the Daily Quota Balance at the end of a CSC trading day, the Daily Quota Balance will not be carried forward for utilization on the following or subsequent CSC trading days.
- (5) In respect of each CSC trading day, if the Daily Quota Balance drops to zero or below (i.e. if the Daily Quota is fully utilized):
- (a) during the SZSE Opening Call Auction session and before commencement of the SZSE Continuous Auction session in the morning at 9:30, China Connect buy orders input after the time at which the Daily Quota Balance drops to zero or below will not be accepted by the CSC, but China Connect buy orders input before such time will not be affected and will be transmitted by the CSC to the SZSE Market System for execution in the usual manner. Only if the Daily Quota Balance resumes to a positive level before commencement of the SZSE Continuous Auction session in the morning will new China Connect buy orders be accepted by CSC; and
 - (b) after commencement of the SZSE Continuous Auction session in the morning at 9:30 and before the end of the SZSE Closing Call Auction session at 15:00, no China Connect buy orders will be accepted for the rest of the CSC trading day unless the Exchange otherwise determines, but China Connect buy orders input before the time at which the Daily Quota Balance drops to zero or below will not be affected and will be transmitted by the CSC to the SZSE Market System for execution in the usual manner.
- (6) For the avoidance of doubt:
- (a) references in the formula in Rule 14B07(3) to “China Connect buy orders”, “China Connect Securities Buy Trades” and “China Connect Securities Sell Trades” do not include the value of any transaction fees, taxes, levies or stamp duties payable or collected in respect of such orders or trades; and
 - (b) only China Connect buy orders will be subject to quota controls under this Rule. Unless otherwise determined by the Exchange, China Connect sell orders will be accepted by the CSC during the operational hours of a CSC trading day and will not be affected by the level of the Daily Quota Balance.

- (7) The following table summarizes the treatment of China Connect orders as described in Rules 14B07(3) to (6) depending on the Daily Quota Balance on a given CSC trading day:

	Daily Quota Balance drops to zero or below before 09:30	Daily Quota Balance drops to zero or below at or after 09:30
China Connect sell order	Accepted	Accepted
China Connect buy order submitted after the time at which the Daily Quota Balance drops to zero or below	Not accepted (unless and until the Daily Quota Balance becomes larger than zero before 09:30)	Not accepted for the rest of the CSC trading day (unless the Exchange otherwise determines pursuant to Rule 14B07(5)(b))
China Connect buy orders submitted before the time at which the Daily Quota Balance drops to zero or below	Not affected	Not affected

Shareholding Restrictions on China Connect Securities

- 14B08. (1) Under Rule 1430, the Exchange has absolute discretion to impose conditions or restrictions for the use of the China Connect Service for the purpose of ensuring that the trading of China Connect Securities will not contravene applicable laws or for any reasons which the Exchange considers appropriate. In light of the shareholding restrictions and forced sale requirements imposed by the CSRC, SZSE and applicable laws of Mainland China, the conditions and requirements set out in Rules 14B08(2) to (12) shall apply.

Shareholding limits on foreign investors

- (2) China Connect Exchange Participants shall comply, and shall make appropriate arrangements to ensure that their clients will comply, with the 10% individual shareholding limit applicable to foreign investors (including Qualified Foreign Institutional Investors and RMB Qualified Foreign Institutional Investors approved under the applicable laws of Mainland China, and other investors using the China Connect Service) as stipulated in applicable laws of Mainland China including the CSRC regulations concerning Shenzhen-Hong Kong Stock Connect. China Connect Exchange Participants shall put appropriate monitoring arrangements in place to comply with this Rule and to alert their clients to comply with the individual shareholding limit.
- (3) China Connect Exchange Participants shall note and understand the 30% aggregate shareholding limit in relation to A shares and the related forced-sale requirements applicable to foreign investors who invest in China Connect Securities as stipulated in applicable laws of Mainland China including the CSRC regulations concerning Shenzhen-Hong Kong Stock Connect. China Connect Exchange Participants shall alert their clients to the 30% aggregate shareholding limit and the forced-sale arrangements under this Rule.

Shareholding Monitoring Procedures

- (4) Where foreign investors (including investors holding China Connect Securities through CCASS) hold 28% or more of the issued shares of a relevant issuer in aggregate, SZSE will notify the SEHK Subsidiary, and the Exchange and SEHK Subsidiary will as soon as practicable thereafter suspend accepting China Connect buy orders in respect of the

relevant China Connect Securities until the aggregate shareholding of foreign investors is reduced to below 26%, as advised by SZSE.

Forced-sale Procedures

- (5) Notwithstanding Rule 14B08(4), where the aggregate shareholding of foreign investors (including investors holding through CCASS) in respect of a relevant issuer exceeds 30% of the issued shares of the issuer on an SZSE trading day, SZSE may, pursuant to the SZSE Rules, issue a forced-sale notice to the SEHK Subsidiary on the following trading day, requiring it to arrange for a sell down of the portion of the China Connect Securities that exceeds 30% within 5 SZSE trading days on a “last-in, first-out” basis (as determined in accordance with Rule 14B08(11)).
- (6) Upon receipt of a forced-sale notice under Rule 14B08(5), the SEHK Subsidiary will notify the relevant China Connect Exchange Participant(s) through the Exchange, requiring or directing them to, or arrange for their clients to, sell and liquidate the specified number of China Connect Securities within a period specified by the Exchange.
- (7) Upon receipt of the notice under Rule 14B08(6), the China Connect Exchange Participant shall comply with the notice, and where applicable, it shall issue a corresponding notice to the relevant client(s) or their custodian(s) requesting for the sale and liquidation of the number of China Connect Securities specified by the China Connect Exchange Participant within the period specified by the Exchange. If a client fails to comply with the China Connect Exchange Participant’s notice, the China Connect Exchange Participant shall, if necessary, exercise its power to sell the specified number of China Connect Securities through the use of the China Connect Service on the client’s behalf before expiry of the period specified by the Exchange.
- (8) China Connect Exchange Participants shall implement appropriate measures to enable them to comply with Rule 14B08(7) on a timely basis including entering into legally enforceable client agreements to facilitate compliance with the forced-sale arrangements referred to in that Rule.
- (9) Where a forced-sale notice is issued by SZSE under Rule 14B08(5), no China Connect buy orders for the relevant China Connect Securities will be accepted by the CSC until SZSE informs the SEHK Subsidiary or the Exchange that the aggregate foreign shareholding falls below 30%. China Connect sell orders for the relevant China Connect Securities will not be affected by a forced-sale notice.
- (10) If, within the 5-day period mentioned in Rule 14B08(5), the aggregate foreign shareholding is reduced to below 30% due to other foreign investors selling down the relevant shares, the SEHK Subsidiary may, on its own or upon request from a China Connect Exchange Participant referred to in Rules 14B08(6) and (7) apply for permission to hold the relevant shares without a sell down at such time and in such manner as the Exchange may prescribe from time to time.
- (11) The relevant China Connect Exchange Participants referred to in Rule 14B08(6) will be identified by the Exchange based on its or the SEHK Subsidiary’s own records (which shall be final and conclusive) generally by reference to the time of purchase of the relevant China Connect Securities, on a “last in, first out” basis. Notwithstanding the

foregoing, the Exchange has absolute discretion to determine which China Connect Exchange Participants and what quantity of China Connect Securities should be subject to a forced sale notice.

- (12) Where the 30% aggregate foreign shareholding limit is exceeded due to a share repurchase conducted by the relevant issuer, investors and China Connect Exchange Participants holding China Connect Securities through CCASS may continue to hold the relevant shares without being subject to a forced-sale. However, the SEHK Subsidiary and the Exchange will suspend acceptance of China Connect buy orders for those China Connect Securities until the aggregate foreign shareholding limit is reduced to below 26%.
