<p>3. Determine the list of SPSAs to be mapped under a Master SPSA ID (Master SPSA ID to SPSA Mapping)</p>	<p>Prior to determining whether an SPSA can be mapped to a Master SPSA ID, the applicant <u>MUST</u> communicate with all custodians managing the SPSAs (including the relevant global and local custodians and/or asset owner(s)) regarding their intention to use the Master SPSA Service for trading A shares via Stock Connect and confirm that they (i.e. the applicant) are the exclusive manager for that SPSA, i.e. that the SPSA is not part of a multi manager mandate or set up. In some cases, it may be necessary for the Master SPSA Holder to coordinate with the asset owner and global custodians to clarify if any SPSA is set-up for multiple fund managers. If an SPSA is set-up by the custodian for multiple fund managers, such SPSA is not eligible to be mapped to the Master SPSA ID.</p> <p>Upon clarifying with all the relevant global and local custodian(s) and/or asset owner(s) that all SPSAs which the applicant intends to map to the Master SPSA ID are not and will not be managed by multiple managers, the applicant can continue with the mapping process with a small number of SPSAs for testing purposes then adding additional SPSAs once smooth operational flow has been established. Applicants should work with Custodian Participants and/or non-EP GCPs (or global custodians if needed) to prepare for a full list of SPSAs to be mapped under each Master SPSA ID.</p> <p>Note: Master SPSA Holders must at all times have at least two SPSAs maintained with any custodians and a Master SPSA ID should have at least two SPSAs mapped.</p>
<p>4. Ensure you have the necessary info for each SPSA</p>	<p>The SPSA ID (6-digit no.) and the SPSA No (8-digit no starting from 800NNNNN) are needed when mapping an SPSA to a Master SPSA ID. Please obtain the information from your global or local custodians and notify your custodians, as to which SPSA(s) will be mapped to the Master SPSA ID. HKEX is unable to provide this information.</p>
<p>5. Determine the list of designated brokers</p>	<p>The designated brokers of the underlying SPSAs will not be automatically brought to Master SPSA ID level.</p>

Steps	Points to note									
	<p>It is advisable to contact the brokers (CCEPs) in advance to make them aware of intent to map them to a Master SPSA ID. Applicants will use Client Connect to undertake the mapping for both brokers and SPSA accounts to the Master SPSA ID.</p>									
<p>6. Fill in the <a href="#">Client Connect Delegated Administrator Right Application Form</a></p> <p>(Client Connect is the system through which SPSA and CCEP mapping are being set-up)</p>	<ul style="list-style-type: none"> <li>- Fill in the Client Connect Delegated Administrator Right Application / Maintenance Form [<a href="#">click here</a>]</li> <li>- After HKSCC approval and set-up of Client Connect Delegated Administrators, administrators will then need to set up their corresponding business user accounts and assign relevant access rights to them [<a href="#">click here</a>] so that these users can submit eService request via Client Connect.</li> <li>- Two eServices for Master SPSA Service are now available on Client Connect:</li> </ul> <table border="1" data-bbox="745 754 1975 940"> <thead> <tr> <th colspan="2" data-bbox="745 754 1449 802"><u>eService ID &amp; Name</u></th> <th data-bbox="1449 754 1975 802"><u>Available under business rights</u></th> </tr> </thead> <tbody> <tr> <td data-bbox="745 802 837 874">AC7</td> <td data-bbox="837 802 1449 874">Master SPSA ID to SPSA Mapping Maintenance Request</td> <td data-bbox="1449 802 1975 874">EU_MSPSA</td> </tr> <tr> <td data-bbox="745 874 837 940">AC8</td> <td data-bbox="837 874 1449 940">Master SPSA ID &amp; Designated Executing Broker Mapping Maintenance Request</td> <td data-bbox="1449 874 1975 940">EU_MSPSA</td> </tr> </tbody> </table> <p>Note: Applicant must ensure that the effective date of the CCEP mapping must be earlier or the same as the effective date of SPSA mapping</p>	<u>eService ID &amp; Name</u>		<u>Available under business rights</u>	AC7	Master SPSA ID to SPSA Mapping Maintenance Request	EU_MSPSA	AC8	Master SPSA ID & Designated Executing Broker Mapping Maintenance Request	EU_MSPSA
