Dear Hong Kong Exchange,

The reason for this email is to endorse the Asian Corporate Governance Association's ("ACGA") consultation submission. We share the ACGA's concerns that were outlined in their letter submitted on April 30<sup>th</sup> and we would welcome any questions you might have for us. By way of a brief introduction, Kabouter Management is a long-term investor in high quality businesses around the world. We are long-time investors in the Hong Kong market and we would like to see the Hong Kong exchange uphold best-in-class corporate governance requirements for its public companies.

Please find below the links to the ACGA's submission:

Please do not hesitate to contact us with any questions.

Benjamin
