通告 CIRCULAR

Subject: Risk Management Arrangements in respect of the Easter Holidays – **Reminder**

Enquiry: 2211-6901

Reference is made to the circular (Reference No.: [CD/CDCRM/065/2024](#)) dated 15 March 2024 regarding the risk management measures to be adopted by SEOCH in respect of the forth-coming Easter Holidays. Participants are reminded to take note of the following arrangements:

1. The margin intervals for stock options classes will be increased temporarily after the close of business on **27 March 2024**. Please refer to the Appendix for the temporarily increased margin interval for each option class. The margin intervals will be restored to normal after the close of business on **28 March 2024**.
2. A special intra-day margin call on SEOCH Participants in respect of all open positions will be made at around 3:00 p.m. on **28 March 2024**.

A simulated Risk Parameter File (RPF) with temporarily increased margin levels to assist Participants for margin estimation will be provided upon request by email to RMinquiry@hkex.com.hk.

For the purpose of the Capital-Based Position Limit (CBPL) assessment and the necessary additional margin calculation on the trading day prior to the holiday period, the normal margin rates instead of the temporarily increased holiday margin rates will be applied. In this regard, the Clearing House will disseminate a tailor-made risk parameter file carrying normal margin rate (“Normal Margin RPF”) via its website after the close of business on **27 March 2024** to assist participants in monitoring their CBPL.

The Normal Margin RPF as mentioned above can be downloaded from the HKEX website with the hyperlink stated below:

http://www.hkex.com.hk/-/media/HKEX-Market/Services/Clearing/Listed-Derivatives/Risk-Management/Reports-and-Data-Download/Simulated-RPF-for-Holiday-Margin/holidayrpf_Mar24.zip

Please ensure that your staffs are fully aware of both the temporary increase in the margin intervals and the special intra-day margin calls and make necessary arrangement with your designated bank. You are also strongly advised to give advanced notice to your clients regarding these arrangements where appropriate and ensure adequate margin deposits from your clients are maintained during the holiday periods.

The Clearing House considers it appropriate to remind you the importance of having proper arrangement in place before and after the holiday period as those days are normal settlement days. In case of any key staffs on vacation before and after the holiday period, please ensure that your backup staffs are familiar with the operational and monitoring procedures to adequately monitor your exposure and fulfill the payment obligations to the Clearing House on time. Any failure in meeting the settlement timelines is an event of default under SEOCH Rule 701. Please refer to the circular issued on 7 March 2024 (Reference No.: [CD/CDCRM/056/2024](#)) for more details on the payment obligations of the Participant and the consequence of the delay or failure in meeting the obligations.
