Preface

General

This preface is intended to give a general explanation of the purpose of the Clearing Rules of OTC Clearing Hong Kong Limited (“**OTC Clear**”) in respect of the clearing and settling of certain interest rate derivatives and FX derivatives in the over-the-counter derivatives market. This preface does not form part of the Clearing Rules and does not affect the construction of the Clearing Rules.

OTC Clear has been established to operate a clearing house for the purpose of clearing and settling over-the-counter derivatives transactions that OTC Clear has been approved by the SFC to clear (such transactions, the “**OTC Derivatives Contracts**”). OTC Clear has been recognized by the SFC as a recognized clearing house pursuant to the SFO.

OTC Clear may from time to time clear and settle OTC Derivatives Contracts other than interest rate derivatives or FX derivatives. In such case, OTC Clear may decide to amend or expand the Clearing Rules such that they may operate to govern the terms and conditions of clearing such other types of OTC Derivatives Contracts, or to introduce separate rules and documentation to govern the terms and conditions of clearing such other types of OTC Derivatives Contracts.

In its provision of the clearing services and implementation of the Clearing Rules, OTC Clear will comply with its statutory duties under the SFO and will seek to ensure general compliance with the relevant principles set out in the “Principles for financial market infrastructures” issued by the Committee on Payment and Settlement Systems and Technical Committee of the International Organization of Securities Commissions dated April 2012.

Membership

Clearing Members of OTC Clear may be admitted to clear interest rate derivatives and/or FX derivatives. In addition, with the prior written approval of OTC Clear, designated branches of a Clearing Member and/or designated affiliates of such Clearing Member may submit interest rate derivatives and/or FX derivatives for registration in the name of such Clearing Member. OTC Clear may introduce new membership categories if it decides to clear other types of OTC Derivatives Contracts.

Relationship to the Hong Kong Exchanges and Clearing Limited

OTC Clear is a 75% directly-owned subsidiary of the Hong Kong Exchanges and Clearing Limited.

OTC Clear as Counterparty

In accordance with the Clearing Documentation, OTC Clear clears certain interest rate derivatives and FX derivatives in the over-the-counter derivatives market, calculates the risk associated with such cleared contracts, calls margin to cover this risk, ensures the proper settlement of the cleared contracts as a central counterparty, and performs all other functions specified in the Clearing Documentation.

Guarantee Resources

OTC Clear holds various resources to support the obligations of OTC Clear as counterparty under Contracts in respect of the Rates and FX Clearing Service. The management of OTC Clear monitors the level of the guarantee resources continuously, with particular reference to the risk level in OTC Clear’s system. The guarantee resources will be made up as follows:

- (1) Clearing Members’ contributions funded upfront as a precondition to becoming a Clearing Member and recalculated by OTC Clear from time to time;

- (2) Clearing Members' contributions funded as and when required by OTC Clear, subject to a maximum amount calculated by OTC Clear from time to time. Each Clearing Member has an unconditional obligation to pay its proportionate share of such contribution calculated by OTC Clear at the relevant time; and
- (3) contribution from OTC Clear itself.

Risk Management

OTC Clear has a number of powers which it uses for its risk management process. These include, but are not limited to:

- (1) the power to demand margin from Clearing Members;
- (2) the power to require payment of additional margin from time to time, including intra-day, from Clearing Members;
- (3) the power to impose position limits;
- (4) the power to terminate one or more cleared contracts in limited circumstances such as the occurrence of a force majeure event with respect to either OTC Clear itself or one or more Clearing Members for purposes of reducing the risks associated with OTC Clear in such circumstances;
- (5) the management of the guarantee resources; and
- (6) the management of the default management process in case of a default by one or more Clearing Members.

Governance

OTC Clear has implemented a corporate governance structure to enhance its accountability with, and ensure that it deals fairly with, its shareholders, Clearing Members and other stakeholders, as well as to maintain high standards of business ethics and integrity. OTC Clear's corporate governance structure comprises the following:

- (1) the board of OTC Clear – responsible for establishing corporate policies, setting strategic direction, ensuring that an effective internal control environment is in place, and overseeing the functions of OTC Clear's committees;

 - (13) any acts or omissions, including any delay on the part, of OTC Clear's own banker, or any other custodians, sub-custodians, depositories, clearing systems, if any, appointed or used by OTC Clear in relation to Collateral, or the occurrence of an Insolvency Proceedings with respect to such Persons (provided that the selection by OTC Clear of such Persons shall not have been unreasonable); and
 - (14) any inability by any Clearing Member or any other Person to use any programme or system for purposes of accessing the Rates and FX Clearing Services.
204. OTC Clear reserves the right to act in accordance with the directions of any Governmental Authority, or an order made or directions given by a court in exercise of its proper jurisdiction, where it is required to do so by Applicable Law.
205. OTC Clear, its Affiliates, a recognized exchange controller which is the controller of OTC Clear, or any of their respective Representatives shall not be liable to

any Clearing Member or to any other Person in respect of any information and statistics (including but not limited to market prices, numbers of Contracts cleared and risk management assumptions) provided or made available by OTC Clear in good faith in connection with the operations of the Rates and FX Clearing Services, the provision of such services and facilities available thereunder, and all other matters as contemplated in these Clearing Rules, including but not limited to any civil liability, whether arising in contract, tort, defamation, equity or otherwise for any Damage suffered or incurred directly or indirectly by a Clearing Member or any other Person.

Force Majeure Events and Illegality

206. Neither OTC Clear (its Affiliates, a recognized exchange controller which is the controller of OTC Clear, or any of their respective Representatives) nor a Clearing Member will under any circumstances be liable for any failure, hindrance or delay in the performance in whole or in part of its obligations under these Clearing Rules or under any Contract if such failure, hindrance or delay arises as a result of the occurrence of a Force Majeure Event or Illegality. Without limiting the generality of the immediately foregoing, if the Force Majeure Event or Illegality occurs with respect to OTC Clear only, the exclusion of liability provided for OTC Clear (its Affiliates, a recognized exchange controller which is the controller of OTC Clear, or any of their respective Representatives) under this Clearing Rule 206 shall extend to any civil liability, whether arising in contract, tort, defamation, equity or otherwise for any Damage to any Clearing Member or to any other Person.
207. A Clearing Member shall immediately notify OTC Clear if it becomes aware that an event that could be a Force Majeure Event or Illegality has occurred or is likely to occur with respect to it.
208. In respect of the occurrence of events that may give rise to a Force Majeure Event or Illegality with respect to OTC Clear and/or a Clearing Member, such determination will be made by the OTC Clear Board, and to the extent practicable, having consulted with the Risk Management Committee. If OTC Clear is unable to convene a meeting of the OTC Clear Board sufficiently promptly in the circumstances, the relevant determination will be determined by the chief executive of OTC Clear. In the event that the chief executive of OTC Clear is unavailable at the time for any reason, any Representative of OTC Clear designated by the OTC Clear Board from time to time for purposes of the applicable determination may make such determination. If the relevant determination is being made by the chief executive or a Representative of OTC Clear, OTC Clear shall convene a meeting of the OTC Clear Board as soon as practicable thereafter to ratify such determination, rescind such determination (only where such rescission is possible or practicable) or where rescission is desired but not possible or practicable, to amend such determination as appropriate.

Without prejudice to any potential rescission of, or amendment to, a determination made by the chief executive or Representative(s) of OTC Clear pursuant to this Clearing Rule 208, decisions made by the OTC Clear Board, the chief executive of OTC Clear or a Representative of OTC Clear pursuant to this Clearing Rule 208 shall be final and binding against all Clearing Members for the

purposes of these Clearing Rules and not be subject to challenge by any such Clearing Members or any other Person under these Clearing Rules or otherwise.

209. If, pursuant to Clearing Rule 208, it is determined that a Force Majeure Event or Illegality has occurred, either with respect to one or more Clearing Members or OTC Clear itself, OTC Clear shall declare the occurrence of such Force Majeure Event or Illegality and notify all Clearing Members of such occurrence.

210. Upon the declaration of the occurrence of a Force Majeure Event or Illegality, as the case may be, with respect to one or more Clearing Member or OTC Clear itself by OTC Clear pursuant to Clearing Rule 209:

(1) OTC Clear shall be entitled to perform Emergency Close-Out in respect of:

(2) OTC Clear shall be entitled to require Clearing Members to comply with any directions issued by OTC Clear regarding the performance of, or otherwise in respect of, such affected Contracts as are specified by OTC Clear;

(3) if the Force Majeure Event or Illegality occurs with respect to a Clearing Member only but not OTC Clear, and such Force Majeure Event or Illegality affects the relevant Clearing Member's ability to perform its payment obligation under a Contract, OTC Clear shall have the right to suspend any payment obligations OTC Clear has towards another Clearing Member under a related Contract whose terms are equal but opposite to the affected Contract, until receipt of the relevant payments from the affected Clearing Member. Any suspension of payment by OTC Clear pursuant to this sub-paragraph (3) shall not constitute failure to pay on the part of OTC Clear;

(4) in the event the Force Majeure Event or Illegality occurs only with respect to one or more Clearing Members but not OTC Clear itself, OTC Clear shall be entitled to commence the Default Management Process (with such adjustments as OTC Clear, in consultation with the Risk Management Committee, deem appropriate in applying such process in respect of a Force Majeure Event or Illegality);

- (5) if a Force Majeure Event occurs with respect to OTC Clear, OTC Clear shall be entitled to suspend the whole or any part of the operations of the Rates and FX Clearing Services. Each Clearing Member irrevocably submits to the exclusive jurisdiction of Hong Kong courts and agree to waive any objection it might otherwise have to such jurisdiction, save that this submission to the exclusive jurisdiction of the courts of Hong Kong shall not (and shall not be construed so as to) limit the right of OTC Clear to take proceedings in any other court of competent jurisdiction, nor shall the taking of action in one or more jurisdictions preclude OTC Clear from taking action in any other jurisdiction, whether concurrently or not.
217. Any definitions or documents incorporated by reference by these Clearing Rules and any Contracts shall be governed by and construed in accordance with the laws of Hong Kong.
218. Each Clearing Member irrevocably waives, to the extent permissible by Applicable Laws, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from:

The OTC Clear Board shall have the power to establish categories of membership in the provision of clearing services in respect of different types of OTC Derivatives Contracts, and to attach different rights, benefits, obligations and liabilities to each category established as it may from time to time consider appropriate after consultation with the Risk Management Committee. These Clearing Rules may be expanded, or separate sets of rules and procedures may be introduced, to govern the clearing of different types of OTC Derivatives Contracts and different categories of membership.

Clearing Members

302. OTC Clear may admit Clearing Members for the clearing of FX Derivatives and/or Rates Derivatives and/or such other types of OTC Derivatives Contracts as OTC Clear may determine from time to time. OTC Clear will only register an Original Transaction if such transaction satisfies the Eligibility Requirements applicable to the Original Transaction at the time of its submission to OTC Clear for registration, through to the Registration Time. Clearing Members may register Contracts to their House Account and, if permitted to do so under Applicable Laws and if approved by OTC Clear, and subject to the provisions in Chapter 8 and other relevant provisions of the Clearing Rules relating to client clearing, to one or more Client Accounts.

Qualification

303. To be eligible for admission as a Clearing Member, an Applicant must enter into a Membership Agreement with OTC Clear and must be able to comply, and be able to demonstrate to the satisfaction of OTC Clear the ability to comply, at all times with each of the requirements set out in Clearing Rule 401 and in Chapter 2 of the Clearing Procedures.

813. Contracts may be created by ways other than through submission of Original Transaction by Clearing Members or Clients as described in Clearing Rule 806 if such Contracts arise as a result of the operation of Clearing Rule 210(1),

1320(1), 1321, 1703 or 1921, in each case, with effect from the Registration Time applicable to the relevant Contract.

Termination of Contracts relating to Ineligible Original Transactions after Registration

814. If, subsequent to the registration of an Original Transaction, OTC Clear determines in its sole discretion that such Original Transaction would otherwise have been rejected under Clearing Rule 802 for registration at the Registration Time, or in respect of an Original Transaction submitted as part of a Clearing Member's Client Clearing Services, OTC Clear determines in its sole discretion that the relevant Clearing Member has not been approved of providing client clearing services, or was in breach of one or more conditions or requirements stipulated by OTC Clear in connection with it providing Client Clearing Services, or OTC Clear determines in its sole discretion that any consent provided by the Clearing Member, its Clients or their respective contact persons pursuant to Clearing Rule 212(1), 214(2) or 214(5), as the case may be, respectively, has been revoked, at the Registration Time:

- (1) OTC Clear will terminate the Contracts corresponding to such Original Transaction (each, an "**Error Contract**") as soon as reasonably practicable, and such Error Contracts shall have no further force or effect thereafter;
- (2) any payments made by OTC Clear or a Clearing Member, including, without limitation, for purposes of satisfying any end-of-day Variation Margin requirements (but excluding Initial Margin, Additional Margin, Ad Hoc Intra-day Variation Margin or Routine Intra-day Variation Margin), in connection with such Error Contracts shall be retained by the receiving party thereto; and
- (3) if OTC Clear determines that the value of an Error Contract has changed in between the time when the Variation Margin was last calculated and when such Error Contract was terminated, then a payment representing such difference in value shall be made between the Clearing Members in whose names the Error Contracts were registered. Any payment made pursuant to the immediately foregoing sentence will be made outside of the Rates and FX Clearing System, and shall fully discharge a party's obligations under such Error Contract.

OTC Clear will notify the relevant Clearing Member of any termination of an Error Contract registered in the name of such Clearing Member pursuant to this Clearing Rule 814. Without prejudice to Clearing Rule 203, OTC Clear shall not be liable to any Person in any way whatsoever in consequence of registration of any Original Transaction and the subsequent termination of, any related Error Contracts.

814A. OTC Clear shall have the discretion to avoid Contracts corresponding to an Original Transaction if one or more of such Contracts whether in whole or in part are made or received by OTC Clear subsequent to the institution of a proceeding against the relevant Clearing Member(s) seeking judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights or the presentation of a petition for its

winding-up or liquidation against the relevant Clearing Member(s) (the **“Insolvent Clearing Member”**).

814B. If Contracts corresponding to an Original Transaction are avoided pursuant to Clearing Rule 814A, OTC Clear shall as soon as practicable notify the affected Clearing Members and upon such notification:

- (1) the affected Contracts corresponding to the relevant Original Transaction shall be void ab initio from the time the Contracts are created;
- (2) save for subparagraphs (3), (4) and (5) below, OTC Clear and the affected Clearing Members shall not have any rights, liabilities and obligations under the affected Contracts;
- (3) any payments made by OTC Clear to an affected Clearing Member, including, without limitation, for purposes of satisfying any end-of-day Variation Margin requirements, in connection with an affected Contract corresponding to the relevant Original Transaction shall as soon as practicable be returned by such affected Clearing Member (the **“Paying Clearing Member”**) to OTC Clear without interest;
- (4) if the relevant affected Contract corresponding to the Original Transaction is registered to the House Position Account, any payments made by an affected Clearing Member to OTC Clear, including, without limitation, for purposes of satisfying any end-of-day Variation Margin requirements (but excluding Initial Margin, Additional Margin, Ad Hoc Intra-day Variation Margin or Routine Intra-day Variation Margin which, for the avoidance of doubt, shall form part of the Margin Balance), in connection with such affected Contract shall as soon as practicable be returned by OTC Clear to such affected Clearing Member without interest, provided that the payment obligations of OTC Clear under this subparagraph (4) shall be limited to such amount OTC Clear has actually received from the Paying Clearing Member under subparagraph (3) above;
- (5) if the relevant affected Contract corresponding to the Original Transaction is registered to a Client Position Account of an affected Clearing Member that is not the Insolvent Clearing Member, any payments made by such affected Clearing Member to OTC Clear, including, without limitation, for purposes of satisfying any end-of-day Variation Margin requirements (but excluding Initial Margin, Additional Margin, Ad Hoc Intra-day Variation Margin or Routine Intra-day Variation Margin which, for the avoidance of doubt, shall form part of the Margin Balance), in connection with such affected Contract shall as soon as practicable be returned by OTC Clear to such affected Clearing Member without interest, provided that the payment obligations of OTC Clear under this subparagraph (5) shall be limited to such amount OTC Clear has actually received from the Paying Clearing Member under subparagraph (3) above;
- (6) if the relevant Contract corresponding to the Original Transaction is registered to a Client Position Account of the Insolvent Clearing Member, any payments made by the Insolvent Clearing Member to OTC Clear,

including, without limitation, for purposes of satisfying any end-of-day Variation Margin requirements (but excluding Initial Margin, Additional Margin, Ad Hoc Intra-day Variation Margin or Routine Intra-day Variation Margin which, for the avoidance of doubt, shall form part of the Margin Balance), in connection with such affected Contract shall, subject to entering into relevant documentation between OTC Clear and the relevant Client (which may, without limitation, include an indemnity (secured or otherwise) to OTC Clear in respect of any loss or liability arising from the legal invalidity of any payment of such moneys to the relevant Client), be returned directly by OTC Clear to the relevant Client without interest, provided that the payment obligations of OTC Clear under this subparagraph (6) shall be limited to such amount OTC Clear has actually received from the Paying Clearing Member under subparagraph (3) above. If the relevant Client fails to enter into relevant documentation with OTC Clear, OTC Clear shall reserve the right to withhold payment of such amounts until such time such relevant documentation has been properly entered into; and

- (7) if OTC Clear determines that no further amounts in respect of any amount payable by the Paying Clearing Member under subparagraph (3) are likely to be recovered and notifies the same to the affected Clearing Member and/or the relevant Client (as the case may be), then the unpaid balance of any payment payable by OTC Clear under subparagraphs (4), (5) and (6) above shall thereafter be extinguished and the affected Clearing Member and the relevant Client (as the case may be) shall have no further recourse to OTC Clear (its Affiliates, a recognized exchange controller which is the controller of OTC Clear, or any of their respective Representatives) in respect thereof.

Transfers of Contracts

815. Save and except for, in the case of a Clearing Member who is a Rule-Based Clearing Member, the right of its Client to receive any Client Entitlement from OTC Clear under Clearing Rules 1308A, 1308B, 1309 and 1309A and, in the case of a Non Rule-Based Clearing Member, the assignment to its Client in respect of the right to receive any Client Entitlement from OTC Clear under the Security Assignment Deed, a Clearing Member shall not assign, novate, transfer or create any Encumbrance whatsoever in relation to any of its rights, liabilities or obligations under a Contract.

Client Clearing

816. A Clearing Member shall, prior to offering Client Clearing Services to its Clients, obtain relevant approval from OTC Clear. OTC Clear may stipulate any conditions or requirements in connection with a Clearing Member's application to provide Client Clearing Services. Any purported client clearing services provided by a Clearing Member prior to the relevant approval being obtained or in breach of any condition or requirement stipulated by OTC Clear in the relevant approval shall not be considered Client Clearing Services under these Clearing Rules, and the clients of such Clearing Member shall not be considered as Clients under these Clearing Rules. Accordingly, Original Transactions submitted as

such Clearing Member's Client Clearing Services shall not be registered as Contracts.

817. A Clearing Member providing Client Clearing Services to its Clients shall be liable to OTC Clear and be responsible for all its obligations as principal in respect of the Contracts and Client Accounts registered in its name. Each Clearing Member acknowledges that, save and except for the Client's right to receive any Client Entitlement directly from OTC Clear under Clearing Rules 1309 or 1309A (in the case of a Clearing Member who is a Rule-Based Clearing Member) or under the Security Assignment Deed pursuant to the terms therein (in the case of a Clearing Member who is a Non Rule-Based Clearing Member), OTC Clear owes no obligation towards any Client or any other Person that is not a Clearing Member whatsoever in respect of the Contracts or any Client Accounts. It is the responsibility of the Clearing Member (and not OTC Clear) to ensure its own compliance with Applicable Laws relating to conduct of business, client money and segregation of client assets. Subject to the provisions of these Clearing Rules, Client Clearing Services may be provided by a Clearing Member to its Clients on whatever terms the Clearing Member decides should apply, provided that each Clearing Member must, prior to providing Client Clearing Services to a Client:

- (1) in the case of a Clearing Member who is a Non Rule-Based Clearing Member, enter into a Security Assignment Deed in respect of that Client and in relation to amounts due to it from OTC Clear pursuant to the Default Management Process;
- (2) provide written confirmation to OTC Clear showing that it has delivered the Client Clearing Services Notice to such Client, and has undertaken to do all such things as OTC Clear may from time to time reasonably require to ensure that such Client is informed of the nature, costs and risks of the Client Clearing Services (including each Client Clearing Category);
- (3) enter into a Client Clearing Agreement with that Client that incorporates provisions with the following effect:
 - (a) in the case of a Clearing Member who is a Rule-Based Clearing Member, the Clearing Member confirms that the positions and Collateral held in the relevant Client Account(s) by the Clearing Member as well as any Client Entitlement calculated by OTC Clear in respect thereto each relate to the corresponding positions between the Client and the Clearing Member and that, pursuant to the power of OTC Clear to make rules under section 40(2A) of the SFO, following an Event of Default of the Clearing Member, in the case of a Non-Porting Client such Client Entitlement shall be returned by OTC Clear directly to that Client pursuant to Clearing Rules 1308A and 1309 and in the case of a Porting Client such Client Entitlement shall be returned by OTC Clear directly to that Client pursuant to Clearing Rules 1308B and 1309A;

- (b) in the case of a Clearing Member who is a Non Rule-Based Clearing Member, each of the Clearing Member and the Client confirms that the positions and Collateral held in the relevant Client Account(s) by the Clearing Member as well as any Client Entitlement calculated by OTC Clear in respect thereto each relate to the corresponding positions between the Client and the Clearing Member and, following an Event of Default of the Clearing Member, in the case of a Non-Porting Client such Client Entitlement shall be returned by OTC Clear to that Client pursuant to Clearing Rule 1309 and the terms of the Security Assignment Deed between the Defaulting Clearing Member and such Client and in the case of a Porting Client such Client Entitlement shall be returned by OTC Clear to that Client pursuant to Clearing Rule 1309A and the terms of the Security Assignment Deed between the Defaulting Clearing Member and such Client,
- (c) Corresponding Client Transactions shall be transacted pursuant to the terms of the Client Clearing Agreement and be segregated (contractually or otherwise) from any other transactions entered into between the Clearing Member and the Client;
- (d) upon the occurrence or designation of an Early Termination Date in respect of the Clearing Member following an Event of Default, any Corresponding Client Transaction with the Defaulting Clearing Member must either (i) be automatically terminated and re-established with, transferred or novated to a Replacement Clearing Member or (ii) the Client must have the right to terminate such transaction and re-establish, transfer or novate such transaction to a Replacement Clearing Member;
- (e) if a Corresponding Client Transaction is terminated following such Early Termination Date, the net replacement value of the Corresponding Client Transaction shall be equal to the value attributed by OTC Clear to the Contract to which the Corresponding Client Transaction relates following such Early Termination Date;
- (f) any non-cash collateral in respect of Corresponding Client Transactions shall be provided by way of full title transfer from the Client to the Clearing Member;
- (g) that "two way payments" arise in the event of a termination of all Corresponding Client Transactions, the substantive effect of which is that either a Clearing Member or a Client will be entitled to receive payment under the relevant termination provisions if the net replacement value of all terminated Corresponding Client Transactions effected under the Client Clearing Agreement is in its favour;

- (h) an acknowledgement from the Client that the provision of Client Clearing Service by the Clearing Member to it will not give rise to any liability owed by OTC Clear to the Client;
- (i) the Clearing Member shall have the right in the event of a Rates and FX Clearing Termination Event relating to OTC Clear, to terminate the Corresponding Client Transaction;
- (j) upon the request of a Transferee Clearing Member to OTC Clear to port to the Transferee Clearing Member a Client's portfolio of Contracts registered with the Transferor Clearing Member in the relevant Client Position Account in full pursuant to Clearing Rule 830 or in part pursuant to Clearing Rule 831 from the Transferor Clearing Member to the Transferee Clearing Member, the Transferor Clearing Member shall have the right to (i) terminate the relevant Corresponding Client Transaction with such Client and/or (ii) have the relevant Corresponding Client Transaction re-established with, transferred or novated to the Transferee Clearing Member;
- (k) in the event that OTC Clear exercises its right under section 3.19 of the Clearing Procedures to vary the Economic Terms of a Standard Cross-currency Rates Derivatives Contract, the relevant Affected Clearing Member shall have the right to vary the terms and conditions of the relevant Corresponding Client Transaction to reflect such variation;
- (l) the Clearing Member shall only accept from the Client, as collateral for the Corresponding Client Transactions, the same types of Collateral which OTC Clear accepts from the Clearing Member in respect of the relevant Client Position Account to which Contracts relating to such Corresponding Client Transactions are recorded; and
- (m) no margin financing or collateral transformation services shall be provided by the Clearing Member to the Client under the Client Clearing Agreement,

and to the extent there is no Client Clearing Agreement in full force and effect or there is any deficiency in the Client Clearing Agreement, the Clearing Member and the Client will be deemed to have entered into a binding agreement into which the terms set out in this Clearing Rule 817(3) shall be deemed to have been incorporated. Any changes made to the terms of a Contract by OTC Clear shall be deemed to be reflected in the Corresponding Client Transaction.

818. Where any formalities or registration requirements apply in respect of the Security Assignment Deed (and any other document which OTC Clear may from time to time determine), a Clearing Member is required to comply with such obligations or to procure by agreement that such requirements are to be complied with.

Types of Client Clearing Categories

819. Client Clearing Services may be provided by a Clearing Member to its Clients, and Contracts will be entered into by a Clearing Member with OTC Clear in respect of such Clients on a Client Clearing Category 1 Account Basis, a Client Clearing Category 2 Account Basis, or any other basis as OTC Clear may decide to introduce from time to time (each a “**Client Clearing Category**”).
820. A Clearing Member that offers Client Clearing Services to one or more Clients shall offer its Clients the choice between the Client Clearing Category 1 Account Basis and the Client Clearing Category 2 Account Basis, and shall inform them of the costs and level of protection associated with each option. The Clearing Member shall procure that each Client confirms its choice in writing. A Client must be allocated to one single Client Clearing Category at any given time, provided that a Client may, at any time but subject to the prior approval by OTC Clear and subject to any conditions that OTC Clear may impose (including without limitation any requirements as to Margin and Rates and FX Liability), elect to change to a different Client Clearing Category. Upon approval by OTC Clear of a Client’s request to change the Client Clearing Category to which it belongs and (if applicable) confirmation by OTC Clear that all relevant conditions have been satisfied, the Clearing Member shall be solely responsible for effecting any related adjustments to the relevant Client Account(s). A Clearing Member may operate one or more Client Clearing Category 1 Accounts and/or one or more Client Clearing Category 2 Accounts, but each Client may not be allocated to more than one Client Position Account at any point in time.
821. In respect of any Client Clearing Services provided by a Clearing Member to its Clients, such Clearing Member shall:
- (1) provide OTC Clear with accurate information relating to the identity of the Client(s) in respect of whom Client Clearing Services are being provided. In the event that OTC Clear reasonably requests the provision of any further information relating to the Clearing Member’s Client Clearing Services or a Client, the Clearing Member shall, as soon as reasonably practicable, deliver, or procure the delivery of, such information;
 - (2) maintain and regularly update the books and records relating to its Client Clearing Services; the Clearing Member shall provide such information relating to each Client as reasonably requested by OTC Clear, including at the end of each OTC Clear Business Day.  - (4) indemnify and hold OTC Clear, its Affiliate and a recognized exchange controller which is the controller of OTC Clear harmless against any

liability to its Clients as a result of the provision by it of Client Clearing Services to its Clients;

- (5) require each Client to comply with such security obligations as OTC Clear may reasonably request or are otherwise prudent to protect the financial integrity of OTC Clear;
- (6) ensure that any acts or omissions of its Clients will not prevent it from complying with the Clearing Rules;
- (7) require each of its Clients to comply with the following requirements:
 - (a) such Client shall not breach any Applicable Laws or requirements of any Regulatory Authority or any of these Clearing Rules which would be likely to have a material adverse effect on the Client's suitability as a Client in respect of the Client Clearing Services;
 - (b) such Client shall comply with all Applicable Laws relating to its status, the conduct of its business and the performance of its obligations as a Client in relation to the Corresponding Client Transaction, including, for the avoidance of doubt, all Applicable Laws relating to the prevention of bribery, money laundering, financial crimes and terrorist financing and (b) not be subject to any sanctions promulgated or imposed by the United Nations or any Governmental Authority relevant to it or its clearing activities;

and shall, at the request of OTC Clear, immediately take action to ensure that no further Original Transactions are cleared on behalf of a Client by reducing its Position Limits relating to that Client to zero in the event that OTC Clear reasonably believes such Client is in breach of any of the prohibitions referred to in in this Clearing Rule 821(7);

- (8) only accept from each Client, as collateral for the relevant Corresponding Client Transactions, the same types of Collateral which OTC Clear accepts in respect of the Client Position Account to which Contracts relating to each relevant Corresponding Client Transactions are recorded; and
- (9) not provide any margin financing or collateral transformation services to the Client under the Client Clearing Agreement.

822. A Clearing Member shall inform each of its Client(s) that:

- (1) should such Client wish to effect porting upon the occurrence of a DMP Event with respect to the Clearing Member, complete Porting Instructions shall be delivered to OTC Clear as soon as reasonably practicable at or

after commencement of clearing operations in relation to the Client Account(s) relating to such Client and a Replacement Clearing Member must be appointed prior to the occurrence of a DMP Event with respect to the original Clearing Member;

- (2) subsequent to the submission of Porting Instructions and prior to the occurrence of a DMP Event with respect to the original Clearing Member, a Client who wishes to appoint a different Replacement Clearing Member may deliver, or procure the delivery of, new Porting Instructions appointing another Replacement Clearing Member. The latest Porting Instructions received by OTC Clear in respect of the Client Accounts relating to a Client will be deemed to have superseded and replaced previous Porting Instructions relating to such Client; and
- (3) all Porting Instructions must be received by OTC Clear by 5:00pm (Hong Kong time) on the OTC Clearing Day immediately following the occurrence of a DMP Event with respect to the original Clearing Member.

Segregation of Client Accounts

823. A Clearing Member shall ensure due segregation of Contracts and their related Collateral between its House Account and its Client Account(s). A Clearing Member shall clearly identify the exact type(s) and amount of Collateral provided to OTC Clear in respect of each of its House Collateral Account and Client Collateral Account(s), and retain the same information in its file for record. In particular:

- (1) Collateral held in respect of a Clearing Member's Client Position Account shall never be applied to meet any payment or delivery demands in respect of any other Client Position Account(s) or House Position Account of such Clearing Member; and
- (2) Excess Margin held in respect of a Clearing Member's House Position Account may be applied to meet any payment or delivery demands in respect of one or more Client Position Accounts of such Clearing Member,

provided that this Clearing Rule 823 shall not prejudice the operation of Clearing Rules 1308A and 1309 in the event of the occurrence of a DMP Event.

824. Each Clearing Member represents that it has duly informed each of its Clients that any amounts or monies provided by a Clearing Member to OTC Clear for Margin purposes in respect of its Client Position Account(s) (whether such amounts or monies are provided by the Client or not) are transferred on an outright basis with the effect that, except for the Client's right to receive any Client Entitlement directly from OTC Clear under Clearing Rules 1308A, 1308B, 1309 and 1309A (in the case of a Clearing Member who is a Rule-Based Clearing Member) or under the Security Assignment Deed pursuant to the terms therein (in the case of a Clearing Member who is a Non Rule-Based Clearing Member) following the default of such Clearing Member, OTC Clear shall have full legal and equitable interest in the amounts or monies so transferred.

OTC Clear shall not be responsible for (i) obtaining consent from a Transferor Clearing Member in relation to the porting of Contracts and Collateral or (ii) determining whether any objection from a Transferor Clearing Member has any merit.
827. OTC Clear shall be authorised and entitled to rely conclusively on the instructions of, and any instruction provided by, the relevant Transferee Clearing Member(s) in connection with the porting of any Contracts and Collateral pursuant to these Clearing Rules 825 to 833, and shall not have any liability including, but not limited to, any civil liability, whether arising in contract, tort, defamation, equity or otherwise for any Damage suffered or incurred directly or indirectly by a Client or any other Person as a result of any porting or failure to port any Contracts and Collateral pursuant to a porting request by OTC Clear in good faith and in accordance with these Clearing Rules.
828. Each Transferee Clearing Member shall indemnify OTC Clear, its Affiliate and a recognized exchange controller which is the controller of OTC Clear and keep OTC Clear, its Affiliate and a recognized exchange controller which is the controller of OTC Clear indemnified from and against any loss, cost (including cost of enforcement), interests, liability (including any tax or other fiscal liability), claim or Damage which OTC Clear, its Affiliate and a recognized exchange controller which is the controller of OTC Clear incurred or suffered in connection with the porting of any Contract and Collateral pursuant to any porting request.
829. In respect of the porting of a Client's portfolio of Contracts registered with the Transferor Clearing Member in the relevant Client Position Account from the Transferor Clearing Member to the Transferee Clearing Member, no amounts shall be payable between and amongst the Transferor Clearing Member, the Transferee Clearing Member and the Client solely as a result of the change in the net present value of such Contracts.

Full Portfolio Porting

830. Upon the instruction or at the request of any Client Clearing Category 1 Client or a Client Clearing Category 2 Client, a Transferee Clearing Member may request

OTC Clear to port to the Transferee Clearing Member the relevant Client's portfolio (and not less than its entire portfolio) of Contracts registered with the Transferor Clearing Member in the relevant Client Position Account and, if also requested, to port the Collateral in respect of such Client recorded in the corresponding Client Collateral Account from the Transferor Clearing Member to the Transferee Clearing Member. Such request shall be made in accordance with and subject to the Clearing Procedures. Any request to port Collateral shall be made in accordance with Clearing Rule 831 below and the Clearing Procedures.

Such request shall be made in accordance with and subject to the Clearing Procedures. For the avoidance of doubt, in no circumstances may any Collateral recorded in the relevant Client Collateral Account relating to such Contracts be ported in connection with partial portfolio porting.

Porting of Client Collateral

832. In connection with any full portfolio porting that includes the porting of the corresponding Collateral, the Transferee Clearing Member shall notify OTC Clear of the specific Collateral which should comprise the Collateral to be ported in accordance with the Clearing Procedures, failing which OTC Clear will not proceed with the full portfolio porting. In the event that, for whatever reason, OTC Clear is unable to port such Collateral, OTC Clear will also not proceed with the full portfolio porting.

Conditions Precedent to Porting of Contracts relating to Clients

833. In addition to the requirements set out in the Clearing Procedures, a full portfolio porting and a partial portfolio porting must each satisfy the following conditions precedent:

 - (2) the porting would not cause the Position Limits applicable to either the Transferee Clearing Member or the Client to be exceeded;
 - (3) the relevant Client(s), the Transferor Clearing Member and the Transferee Clearing Member have each executed all documents necessary or required by OTC Clear in order to effect such porting (including, where applicable, a Security Assignment Deed or Deed of Charge); and
 - (4) in the event that the porting will lead to a requirement for the Transferor Clearing Member to post additional Collateral to OTC Clear, the Transferor Clearing Member posts sufficient Collateral to OTC Clear.

By making a full portfolio porting or partial portfolio porting request, both the Transferor Clearing Member and the Transferee Clearing Member shall be deemed to have represented to OTC Clear that all of the relevant conditions to such porting set forth herein and all the requirements set forth in the Clearing Procedures have been satisfied.

Completion of Porting

1002. Each Clearing Member shall make any payment to OTC Clear in respect of Margin and Rates and FX Liability from time to time in accordance with Chapter 12 and Chapter 15 of these Clearing Rules.

Reimbursement of Costs and Expenses

1002A Upon the occurrence of a Notional Exchange Failure OTC Clear may, in its absolute discretion, effect Mitigating Measures under section 3.19 of the Clearing Procedures in respect of that Notional Exchange Failure. The Non-delivering Clearing Member in respect of a Notional Exchange Failure shall:

- (1) immediately upon demand by OTC Clear, indemnify OTC Clear against all fees, liabilities or Damage incurred by OTC Clear as a result of it effecting any Mitigating Measures in respect of that Notional Exchange Failure; and
- (2) for the purpose of collateralising its liabilities to OTC Clear (including its obligation to indemnify OTC Clear pursuant to Clearing Rule 1002A(1)), provide Collateral in the form of cash on an outright transfer basis, in such amount and at such time as may be requested by OTC Clear ("**Notional Exchange Failure Margin**").

If a Clearing Member fails to comply with this Rule, OTC Clear may, on the basis of such failure, determine that that Clearing Member is or appears to be unable, or likely to become unable, to meet its obligations in respect of the Clearing Documentation and/or one or more Contracts to which it is party, such that an Event of Default occurs with respect to that Clearing Member pursuant to Clearing Rule 1301.

Default Interest

1003. If a Clearing Member defaults in the performance of any of its payment obligations, it will, to the extent permitted by Applicable Laws, pay interest on the overdue amount in the currency in which such debt is owed at the Default Interest Rate, such interest will accrue daily during the period from (and including) the original due date for payment to (but excluding) the date of actual payment. In the event that OTC Clear suffers any Damage as a result of the non-performance of a payment obligation by a Clearing Member, OTC Clear, its Affiliate and a recognized exchange controller which is the controller of OTC Clear shall be entitled to be indemnified by such Clearing Member against any Damage reasonably incurred by it pursuant to Clearing Rule 1316.

Interest Rates

1004. Any alteration in the basis of calculating interest rates under Clearing Rule 1003 shall become effective on the date designated and notified by OTC Clear to the Clearing Members.

Income on Cash Collateral

1005. OTC Clear may, but is under no obligation to, pay an amount to Clearing Members representing any income received by OTC Clear on cash Collateral transferred to OTC Clear in satisfaction of its Initial Margin and/or Additional Margin requirements as further described in section 7.6.1.1 of the Clearing Procedures.

Income and Redemption Proceeds on Non-Cash Collateral

1006. Provided that OTC Clear is satisfied that no DMP Event has occurred or is likely to occur with respect to the relevant Clearing Member, OTC Clear will pay an amount to such Clearing Member representing any income received by OTC Clear on non-cash Collateral transferred to OTC Clear, net of any Tax (including net of any Withholding Tax). After the occurrence of a DMP Event with respect to such Clearing Member, any such amounts shall not be paid to such Clearing Member and shall instead form part of the Total Available Resources for application in accordance with Clearing Rule 1516 in respect of such DMP Event.

Distributions of amounts pursuant to this Clearing Rule 1006 will take into account any deduction required to reflect any accommodation charges, administration costs or commitment fees for credit lines incurred by OTC Clear in respect of such non-cash Collateral in accordance with section 7.6.2 of the Clearing Procedures. Without prejudice to the foregoing, to the extent required by the Tax Information Exchange Framework or other Applicable Laws, OTC Clear shall be entitled to deduct or withhold Withholding Tax (whether withheld by OTC Clear or any other parties) from any payment of income received by OTC Clear on the non-cash Collateral to a Clearing Member (or from any other payment made by OTC Clear to a Clearing Member) and shall have no obligation to gross-up any such payment or to pay any additional amount as a result of such Withholding Tax.

1007. Save and except as provided for in Clearing Rule 1006, no interest or other amount will be paid by OTC Clear to a Clearing Member in respect of any non-cash Collateral transferred by such Clearing Member to, and then held by, OTC Clear.
1008. If, for any reason, OTC Clear is unable to pay to a Clearing Member an amount representing income received by it in respect of any non-cash Collateral delivered by such Clearing Member to OTC Clear pursuant to Clearing Rule 1006, such income will not be treated by OTC Clear as Margin.
- 1008A. Upon the request of the relevant Clearing Member and subject to the consent of OTC Clear, OTC Clear will pay an amount to such Clearing Member representing redemption proceeds received by it in respect of any non-cash Collateral delivered by such Clearing Member to OTC Clear, net of any Tax (including net of any Withholding Tax), provided that after the occurrence of a DMP Event with respect to that Clearing Member, any such amounts shall not be

paid to such Clearing Member and shall instead form part of the Total Available Resources for application in accordance with Clearing Rule 1516 in respect of such DMP Event.

Distributions of amounts pursuant to this Clearing Rule 1008A will take into account any deduction required to reflect any accommodation charges, administration costs or commitment fees for credit lines incurred by OTC Clear in respect of such non-cash Collateral in accordance with section 7.6.2 of the Clearing Procedures. Without prejudice to the foregoing, to the extent required by the Tax Information Exchange Framework or other Applicable Laws, OTC Clear shall be entitled to deduct or withhold Withholding Tax (whether withheld by OTC Clear or any other parties) from any payment of redemption proceeds received by OTC Clear on the non-cash Collateral to a Clearing Member (or from any other payment made by OTC Clear to a Clearing Member) and shall have no obligation to gross-up any such payment or to pay any additional amount as a result of such Withholding Tax.

1008B. No interest or other amount will be paid by OTC Clear to a Clearing Member in respect of any redemption proceeds received by OTC Clear on non-cash Collateral transferred to OTC Clear.

1008C If, for any reason, OTC Clear is unable to pay to the Clearing Member an amount representing redemption proceeds received by it in respect of any non-cash Collateral delivered by such Clearing Member to OTC Clear pursuant to Clearing Rule 1008A, such redemption proceeds will not be treated by OTC Clear as Margin and shall be subject to haircut in accordance with section 3.14 of the Clearing Procedures.

Fees, Levies and Charges

1009. Each Clearing Member shall pay to OTC Clear, in respect of every Contract to which that Clearing Member is party, such fees as may from time to time be prescribed by OTC Clear.

1010. OTC Clear may add to or change any fees payable by a Clearing Member at any time. OTC Clear shall make available the latest Fees Schedule (which is appended to the Clearing Procedures) on the HKEx website.

1011. All amounts payable by each Clearing Member pursuant to Clearing Rules 1003 to 1010 (inclusive) will, unless stated otherwise, be settled in accordance with the Clearing Procedures.

Payments Calculation

1012. On each OTC Clear Clearing Day, OTC Clear will determine the amounts payable by or to each Clearing Member in respect of its Position Account(s) and shall advise each Clearing Member of such amounts in accordance with the method of communication set out in the Clearing Procedures.

1013. OTC Clear may net the sums which would be payable by the relevant Clearing Member in respect of a particular account to OTC Clear on such date against the sums which would be payable by OTC Clear to such Clearing Member in respect of the same account on such date (in each case, including, without limitation, any amounts which became payable on or prior to such date and which remain unpaid and not otherwise discharged in full as at such date). For

the avoidance of doubt, obligations to deliver an asset other than cash cannot be netted against a cash payment.

1014. Any net sum payable by OTC Clear to each Clearing Member shall be payable at such times and in such manner as shall be specified in the Clearing Procedures.

1015. In addition to any other rights OTC Clear may have under these Clearing Rules, where OTC Clear has an obligation to make a net payment under Clearing Rule 1013 in a Contractual Currency, and OTC Clear considers in its reasonable opinion that it becomes, or has become, impossible to obtain the Contractual Currency for the purpose of settlement of payment, OTC Clear may in lieu of making payment in that Contractual Currency make payment to the Clearing Member concerned, in full or in part, in such other currency or currencies and at such conversion rate(s) as OTC Clear may in its absolute discretion determine to be fair and reasonable having regard to all the circumstances of the case.

Chapter 11 Tax

Tax

1101. In the event that any payment made by a Clearing Member to OTC Clear under the Clearing Documentation or any Contract is subject to deduction or withholding (either at the time of such payment or in the future) for or on account of any Tax and/or any Withholding Tax, then the Clearing Member shall pay to OTC Clear an amount (the “**Additional Amount**”), in addition to the payment to which OTC Clear is otherwise entitled under the Clearing Documentation or any Contract, necessary to ensure that the net amount actually received by OTC Clear (free and clear of any such deduction or withholding for or on account of any such Tax and/or Withholding Tax), will be equal to the full amount OTC Clear would have received in the absence of any such deduction or withholding.
1102. OTC Clear shall make any payments due to a Clearing Member under the Clearing Documentation or any Contract net of any deduction or withholding for or on account of any Tax it is required to make from such payments and (to the extent required by the Tax Information Exchange Framework or Applicable Laws) net of any Withholding Tax, and OTC Clear shall have no obligation to gross-up any such payment or to pay any additional amount as a result of such deduction, withholding or payment of any such Tax or any such Withholding Tax.
1103. If:
- (1) a Clearing Member is required by any Applicable Law, as modified by the practice of any relevant Governmental Authority, to make any deduction or withholding from any payment made to OTC Clear under the Clearing Documentation or any Contract for or on account of any Tax, in respect of which the Clearing Member would be required to pay an Additional Amount to OTC Clear under Clearing Rule 1101;
 - (2) the Clearing Member does not so deduct or withhold; and
 - (3) a liability resulting from such Tax is assessed directly against OTC Clear, then, except to the extent the Clearing Member has satisfied or then satisfies the liability resulting from such Tax, the Clearing Member will promptly pay to OTC Clear the amount of such liability (including any related liability for interest, penalties and costs).
1104. Each Clearing Member will pay any stamp, registration, documentation, excise, sales or value added Tax or any other similar Tax levied or imposed upon it or in respect of its execution or performance of any agreement, contract or transaction in connection with the Clearing Documentation and will indemnify OTC Clear against any such stamp, registration, documentation, excise, sales or value added Tax (to the extent that OTC Clear is not able, in OTC Clear’s commercially reasonable judgment, to reclaim or recover such value added Tax) or any other similar Tax levied or imposed upon OTC Clear or in respect of OTC Clear’s execution or performance of any agreement, contract or transaction in connection with the Clearing Documentation. Any payment required to be made by a Clearing Member to OTC Clear under this Clearing Rule 1104 shall include an additional amount equal to any Tax levied or imposed on OTC Clear as a result of the receipt of any payment under this Clearing Rule 1104.

1105. Each Clearing Member shall provide OTC Clear with sufficient Information so as to enable OTC Clear to determine whether any payments to be made by it under the Clearing Documentation or any Contract are withholdable payments pursuant to the Tax Information Exchange Framework and to enable OTC Clear to meet any applicable obligations relating to the Tax Information Exchange Framework.

PART IV
RISK MANAGEMENT AND DEFAULT
PROCEDURES

Chapter 12 Margin

Margin and Collateral

1201. Each Clearing Member shall, in respect of each Contract registered in its name, pay or provide, on demand by OTC Clear, Collateral in respect of Margin in such amounts, in such forms and at such times in accordance with the Clearing Procedures.
1202. OTC Clear will determine the amount of Initial Margin, Additional Margin and Variation Margin payable by or (in some cases in respect of Variation Margin) to each Clearing Member in accordance with the Clearing Procedures.
1203. Margin (including Initial Margin, Additional Margin and Variation Margin) in respect of the House Position Account and each Client Position Account, if any, of a Clearing Member will be calculated by OTC Clear separately and shall be satisfied by a Clearing Member in the manner set out in the Clearing Procedures.

Initial Margin, Additional Margin, Variation Margin, and Intra-day Variation Margin

1204. Each Clearing Member shall deliver sufficient Collateral as Margin as a pre-condition for registration of an Original Transaction by OTC Clear.
1205. OTC Clear shall calculate and, where appropriate, demand Initial Margin on each OTC Clear Clearing Day. In addition, OTC Clear may, from time to time, in its absolute discretion and on any OTC Clear Clearing Day, make an intra-day call for Initial Margin.
1206. OTC Clear shall calculate the Variation Margin payable by or to a Clearing Member on each OTC Clear Clearing Day. If such calculation indicates an increase in the Variation Margin payable by a Clearing Member, OTC Clear will be entitled to demand additional Collateral from such Clearing Member.
1207. OTC Clear may on any OTC Clear Business Day demand Routine Intra-day Variation Margin from one or more Clearing Members. In addition, OTC Clear may on any OTC Clear Clearing Day demand from, or pay to, a Clearing Member Ad Hoc Intra-day Variation Margin. The amount of any Routine Intra-day Variation Margin or Ad Hoc Intra-day Variation Margin shall be calculated by OTC Clear using such methods as prescribed in the Clearing Procedures.
1208. OTC Clear may impose Additional Margin requirements on any Clearing Member in the circumstances described in section 4.5 of the Clearing Procedures, and may, at its discretion amend or withdraw any such Additional Margin requirements on any Clearing Member.

Margin Settlement

1209. Save where the Clearing Procedures require otherwise, Initial Margin and Additional Margin requirements (other than Notional Exchange Failure Margin requirements) may be satisfied by payment in cash in any Eligible Currency, or by delivery of non-cash assets specified pursuant to section 7.3 of the Clearing Procedures.

1210. Save where the Clearing Procedures require otherwise, and subject to Clearing Rule 1211, Variation Margin requirements must be satisfied by payments in cash in the relevant Contractual Currency of each Contract pursuant to the relevant Contract Terms of such Contract.
1211. Notwithstanding Clearing Rule 1210, for the purpose of satisfying a Routine Intra-day VM Call and Ad Hoc Intra-day VM Call, a Clearing Member may, in lieu of payment of cash in an Eligible Currency, deliver to OTC Clear non-cash Collateral as is acceptable to OTC Clear in the manner and at or prior to the time specified in the Clearing Procedures. Any Collateral (cash or non-cash) delivered by a Clearing Member for satisfaction of a Routine Intra-day VM Call and Ad Hoc Intra-day VM Call on an OTC Clear Business Day shall not be taken into account when OTC Clear performs its end-of-day Variation Margin and/or Ad Hoc Intra-day VM Call calculation on such day. If, subsequent to the end-of-day Variation Margin calculation on such day, a Clearing Member delivers cash in the relevant Contractual Currency in full satisfaction of its end-of-day Variation Margin requirement determined for such day, such Clearing Member shall be entitled to request OTC Clear to redeliver any Collateral previously delivered by the relevant Clearing Member to satisfy a Routine Intra-day VM Call and Ad Hoc Intra-day VM Call under this Clearing Rule 1211 as Excess Margin.
1212. If any Margin falls due and the Margin Balance of the relevant Clearing Member is insufficient to cover its Margin requirements as determined by OTC Clear, such Clearing Member shall deliver such Collateral in such form and manner and at or prior to the time specified in the Clearing Procedures.
1213. Cash delivered by Clearing Members to OTC Clear for satisfaction of their Margin requirements will be held by OTC Clear in accordance with the Clearing Procedures. Nothing in these Clearing Rules intends to create in favour of OTC Clear any mortgage, charge, lien, pledge, encumbrance or other security interest in any cash Collateral transferred by a Clearing Member to OTC Clear pursuant to these Clearing Rules. OTC Clear has the power to invest any cash Collateral delivered to it in accordance with its investment policy. OTC Clear may perform any such investment itself as it sees fit, or it may engage an independent third party to perform such investment.

A Clearing Member who intends to transfer non-cash Collateral for purposes of satisfying its Margin requirements shall execute all necessary documentation as may be required by OTC Clear in order to create, and perfect, a valid security interest over the relevant assets. OTC Clear will not re-use, rehypothecate or re-invest any non-cash Collateral delivered by Clearing Members as Margin. If OTC Clear accepts non-cash Collateral from Clearing Members as Margin, then the manner in which OTC Clear will hold such non-cash Collateral will be set out in the Clearing Procedures.

Acceptable Collateral for Margin and Rates and FX Contribution

1214. OTC Clear may restrict or add to the types of Eligible Currencies and acceptable Collateral, or modify any valuation procedures or haircuts set out in Chapter 7 of the Clearing Procedures, or impose a maximum on the amount of each type of Eligible Currency or Collateral which OTC Clear may accept for purposes of

satisfying Margin requirements or Rates and FX Liability. In respect of any eligible non-cash Collateral, OTC Clear will only accept delivery of such non-cash Collateral if it is delivered in minimum tradable board lot size applicable to such non-cash Collateral and acceptable to OTC Clear's custodians. OTC Clear will use reasonable endeavours to provide Clearing Members with three-month's advance written notice prior to removing any Collateral from the then existing list of Eligible Currencies and acceptable Collateral. For the avoidance of doubt, OTC Clear may add to the types of Eligible Currencies and acceptable Collateral, or modify any valuation procedures or haircuts set out in the Clearing Procedures, at any time as it thinks fit. The value of any instruments which are not Eligible Currencies or acceptable Collateral will not be taken into account in determining the Margin Balance of such Clearing Member.

1215. OTC Clear may at any time, in its sole and absolute discretion, require a Clearing Member to transfer cash in other Eligible Currencies or other types of Collateral to it in substitution for any Collateral already transferred to it.
1216. OTC Clear may charge Clearing Members accommodation charges, administrative costs and/or commitment fees for credit lines in respect of any non-cash Collateral provided to it as Margin at a rate determined by OTC Clear and set out in the Fees Schedule (see Appendix I to the Clearing Procedures).
1217. A Clearing Member may provide Collateral in excess of the Initial Margin and/or Additional Margin requirements applicable to any of its Position Account(s). Any such Collateral provided by a Clearing Member will be credited to the Collateral Account designated by the Clearing Member and shall form part of the Margin Balance relating to such Collateral Account. In addition, any Collateral provided for the purpose of satisfying Routine Intra-day VM Call and Ad Hoc Intra-day VM Call on an OTC Clear Business Day pursuant to Clearing Rule 1211 will not be taken into account when OTC Clear performs its end-of-day Variation Margin calculation in respect of the relevant Position Account on such day, and such Collateral shall form part of the Margin Balance relating to the relevant Collateral Account of such Clearing Member.
1218. A Clearing Member may request OTC Clear to redeliver Collateral in equivalent form and currency as any Collateral it has delivered to OTC Clear as Margin in a value not exceeding the Excess Margin. A Clearing Member shall specify the exact form and currency of the relevant Collateral requested to be redelivered. Following receipt of such request, OTC Clear will deliver to such Clearing Member (in the manner described in section 4.7 of the Clearing Procedures) Collateral in equivalent form and currency as requested in an amount not exceeding the Excess Margin, except that OTC Clear may deliver Collateral in other form or currency determined by OTC Clear if:
 - (1) with respect to a Defaulting Clearing Member only, the relevant Collateral is delivered prior to any DMP Event and such Collateral or part thereof was applied in such DMP Event; or
 - (2) any part of the Collateral is of a type or currency that is subject to any foreign exchange or other settlement risk or disruption, as determined by OTC Clear, at the time such Collateral is due to be redelivered to Clearing Members.

Rights relating to Collateral in respect of Margin and Rates and FX Contribution and Representations of Clearing Members

1219. Unless otherwise stated in Clearing Rules 817 and 1310, OTC Clear will take no account of any right or interest which any Person other than the Clearing Member may have in any Collateral provided by, or on behalf of, such Clearing Member to OTC Clear. The operations of section 56(1) of the SFO shall be modified by this Clearing Rule 1219 as permitted under section 56(2) of the SFO.

1220. Each Clearing Member represents and warrants to OTC Clear that:

- (1) immediately prior to delivery of the Collateral to OTC Clear, the Clearing Member is the sole legal and beneficial owner of all Collateral delivered to OTC Clear;
- (2) any Collateral delivered to OTC Clear pursuant to these Clearing Rules is not subject to any Encumbrance whatsoever save for:
 - (a) any Encumbrance in favour of OTC Clear;
 - (b) any liens granted to the clearing systems through which the Collateral is being transferred;
 - (c) in the case of a Clearing Member who is a Rule-Based Clearing Member, the right of its Client to receive any Client Entitlement from OTC Clear under Clearing Rules 1308A and 1309; and
 - (d) in the case of a Clearing Member who is a Non Rule-Based Clearing Member, the assignment of right to the Client to receive any Client Entitlement from OTC Clear under the Security Assignment Deed relating to such Collateral;
- (3) in delivering the Collateral to OTC Clear pursuant to these Clearing Rules, the Clearing Member is not in breach of any of its contractual obligations towards any third party or under any Applicable Laws;
- (4) all filings and registrations necessary for the purpose of the creation, perfection, protection and maintenance of any security conferred or intended to be conferred on OTC Clear by or pursuant to any Deed of Charge between OTC Clear and the Clearing Member have been effected and are in full force and effect; and
- (5) any Deed of Charge between OTC Clear and the Clearing Member creates in favour of OTC Clear the security which it is expressed to create with the ranking and priority it is expressed to have.

The representations and warranties made by a Clearing Member pursuant to this Clearing Rule 1220 shall be deemed to be repeated by such Clearing Member on each day Collateral is delivered to OTC Clear pursuant to these Clearing Rules.

1221. A Clearing Member shall be liable to OTC Clear for any Damage incurred by OTC Clear as a result of OTC Clear possessing, holding, perfecting the title to or otherwise being associated with, any Collateral delivered by such Clearing Member.

Position Limits

1222. Pursuant to section 4.6.1 of the Clearing Procedures, unless with the prior written approval from OTC Clear, each Clearing Member is required to impose a House Account Limit in respect of its House Position Account and a Client Account Limit in respect of each of its Client Position Accounts, provided that OTC Clear may, at any time and from time to time, in its absolute discretion, in respect of each Position Account, override, amend or revoke any such Position Limits and/or impose an Absolute Risk Limit and/or a Notional Exchange Risk Limit.

1223. If a Clearing Member exceeds any Position Limits imposed, that Clearing Member must immediately notify OTC Clear and take appropriate steps to ensure that, within such period as OTC Clear may specify, it is in compliance with such Position Limits. In addition, OTC Clear may, at its discretion:

- (1) require a Clearing Member to de-clear certain Contracts and/or enter into risk-reducing Contracts;
- (2) demand Additional Margin as OTC Clear in its discretion determines; and/or
- (3) take such other action as OTC Clear in its discretion determines.

As further described in section 4.6.1 of the Clearing Procedures, OTC Clear will not register any Original Transactions submitted by a Clearing Member (or by a Designated Person on its behalf) if registration of any such Original Transactions will result in a breach of any Position Limits applicable to such Clearing Member.

1224. If the Clearing Member fails to comply with any requirement imposed on it pursuant to Clearing Rule 1223, the Clearing Member shall be in breach of these Clearing Rules and, without limitation, OTC Clear may, at its discretion, in respect of the Clearing Member concerned:

- (1) declare an Event of Default under Clearing Rule 1301;
- (2) suspend or terminate Membership of the Clearing Member;
- (3) terminate or liquidate such Contracts as OTC Clear at its discretion selects on behalf of the Clearing Member;
- (4) instigate an investigation or disciplinary proceedings under Chapter 14 of these Clearing Rules;
- (5) impose such other requirements on the Clearing Member as it sees fit; and/or
- (6) take such other action as OTC Clear in its discretion determines.

Chapter 13 Default Procedures

Clearing Member Event of Default

1301. In these Clearing Rules, an “**Event of Default**” shall mean any event or circumstance which leads OTC Clear to determine that a Clearing Member is or appears to be unable, or likely to become unable, to meet its obligations in respect of the Clearing Documentation and/or one or more Contracts to which it is party. Without prejudice to the generality of the immediately foregoing, OTC Clear may take the occurrence of any one or more of the following events or circumstances as sufficient ground for determining that a Clearing Member is or appears to be unable, or likely to become unable, to meet such obligations:

- (1) failure by a Clearing Member to pay or deliver any amounts when due under the Clearing Documentation, including, without limitation, failure by a Clearing Member to pay any Remaining Balance in accordance with the time frame set out in, and under, Clearing Rule 1534 or failure by a Successful Bidder to pay any Auction Payment or Margin required following the completion of the auction of the relevant Auction Portfolio under Clearing Rule 1923;
- (2) failure by a Clearing Member to comply with the Regulatory Capital Requirement;
- (3) failure by a Clearing Member to maintain Capital in an amount not less than the Minimum Capital Requirement and such failure continues and is existing upon the expiry of the Minimum Capital Requirement Breach Period and the related Non-Default Unwind is not completed within 10 OTC Clear Business Days following the expiry of the Minimum Capital Requirement Breach Period;
- (4) a Clearing Member makes a material misstatement or omission (whether in the Membership Agreement or otherwise) or misleads or attempts to mislead OTC Clear, a recognized exchange controller which is the controller of OTC Clear or their respective employees or officers;
- (5) failure by a Clearing Member, within any required time period, to take any action required by OTC Clear to ensure compliance with the Clearing Documentation, including, without limitation, failure by a Clearing Member who is subject to disciplinary proceedings to commence the Non-Default Unwind following the expiry of the relevant Appeal Period pursuant to the terms of Clearing Rule 1409(1);
- (6) in respect of a Clearing Member which is also a participant or member of any clearing and settlement system operated by HKEx or any of its Affiliates:
 - (a) failure to meet any obligation owed by it to the central counterparty or operator of such system;
 - (b) breach of the rules or terms of participation or membership of such system;
 - (c) declaration of default by, or suspension or expulsion from participation or membership of such system;

- (7) the occurrence of a default, event of default or other similar condition or event (however described) in respect of the Clearing Member under one or more agreements or instruments relating to Indebtedness;
- (8) breach of the rules or regulations of a Regulatory Authority to which it is subject or its authorization, licence or approval by a Regulatory Authority is suspended or withdrawn;
- (9) the occurrence of Insolvency Proceedings with respect to a Clearing Member;
- (10) the occurrence of a Financial Emergency with respect to a Clearing Member;
- (11) a Clearing Member is convicted of any criminal offence relating to fraud, dishonesty or any act of bad faith under any Applicable Laws;
- (12) a Clearing Member fails to comply with any actions prescribed by OTC Clear under Clearing Rule 1223;
- (13) breach of any obligations, undertakings or representations by a Clearing Member under the Membership Agreement to which it is a party; or
- (14) the occurrence of any of the above events in respect of (a) any Affiliate of the Clearing Member which in the opinion of OTC Clear has a material adverse effect on the ability of the Clearing Member to meet its obligations under the Clearing Documentation and/or one or more Contract to which it is a party, or (b) a person who has guaranteed or provided an indemnity in favour of OTC Clear in respect of any of the obligations of the Clearing Member.

For the events described in sub-paragraphs (1), (8) and (9) above and, to the extent analogous to sub-paragraphs (8) and (9) above, the event described in sub-paragraph (14) above, OTC Clear may, in its own right, determine whether or not an Event of Default has occurred pursuant to the relevant provisions. In all other cases, in determining whether an Event of Default has occurred with respect to a Clearing Member, OTC Clear will endeavour to consult the Risk Management Committee. Where OTC Clear endeavours to consult the Risk Management Committee but the Risk Management Committee is not available or cannot be convened sufficiently promptly in the circumstances, OTC Clear will consult the chief executive of OTC Clear, provided that if the chief executive of OTC Clear is unavailable at the time for any reason, any Representative of OTC Clear designated by the OTC Clear Board from time to time for purposes of the applicable determination may make such determination.

1302. A Clearing Member shall immediately give notice to OTC Clear if it is, or if it suspects that it is likely to become, unable to meet its obligations under the Clearing Documentation and/or one or more Contracts to which it is party.

Termination following a Clearing Member Event of Default

1303. OTC Clear may from time to time notify Clearing Members specific criteria (including but not limited to the jurisdiction of incorporation of a Clearing Member) according to which the occurrence of an event described in paragraph (1), (3), (4), (5), (6) or, to the extent analogous thereto, (8) under the definition of

Insolvency Proceedings with respect to a Clearing Member will constitute an “**Automatic Early Termination Event**” in respect of such Clearing Member. Where an Automatic Early Termination Event has occurred with respect to a Clearing Member as a result of an event described in paragraph (1), (3), (5), (6) or, to the extent analogous thereto, (8) under the definition of Insolvency Proceedings, an Early Termination Date in respect of all Contracts then registered in the name of such Clearing Member shall occur immediately upon the occurrence of the relevant event; and where an Automatic Early Termination Event has occurred with respect to a Clearing Member as a result of an event described in paragraph (4) or, to the extent analogous thereto, (8) under the definition of Insolvency Proceedings, an Early Termination Date in respect of all Contracts then registered in the name of such Clearing Member shall occur immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition, and in each case, without the need for any other or prior notice or determination by OTC Clear. With effect from, and including, the date on which an Early Termination Date occurs with respect to all Contracts registered in a name of a Clearing Member as a result of an Automatic Early Termination Event, such Clearing Member shall become a Defaulting Clearing Member.

1304. Where an Event of Default has occurred and is continuing with respect to a Clearing Member but such Event of Default does not constitute an Automatic Early Termination Event, OTC Clear may exercise such rights it may have under these Clearing Rules (including without limitation any rights of suspension of Membership) and/or may send to the relevant Clearing Member a default notice declaring such Event of Default (the “**Notice of Default**”). With effect from, and including, the date on which such Clearing Member receives the Notice of Default, the Clearing Member shall become a Defaulting Clearing Member. OTC Clear will notify Non-Defaulting Clearing Members, the SFC and also members of the public following the occurrence of an Automatic Early Termination Event or declaration of an Event of Default with respect to a Clearing Member.
1305. Upon the occurrence of an Automatic Early Termination Event or delivery of a Notice of Default with respect to a Defaulting Clearing Member, OTC Clear may take such steps with respect to such Defaulting Clearing Member as in the circumstances appear to it, in its absolute discretion, best calculated:
 - (1) to discharge the Defaulting Clearing Member’s rights, obligations and liabilities under or in respect of one or more or all Contracts to which the Defaulting Clearing Member is party;
 - (2) to minimize losses or the potential for losses to OTC Clear as a result of the default of the Defaulting Clearing Member; or
 - (3) without the need for any prior notice to or consent of such Defaulting Clearing Member:
 - (a) (where an Automatic Early Termination Event has not occurred) to terminate any Contract of the Defaulting Clearing Member by designating an Early Termination Date in respect of such Contract;

- (b) to apply any Collateral in the form of cash, and arranging for the liquidation of any non-cash Collateral and applying the proceeds of the realization of non-cash Collateral, for the absorption of losses incurred by OTC Clear as a result of the default of the Defaulting Clearing Member;
- (c) to obtain any advice or assistance from the Defaulting Clearing Member and/or any third party as OTC Clear may deem necessary for any matter arising out of or in connection with an Event of Default and at the expense of the Defaulting Clearing Member, and/or
- (d) to complete the process set out in Clearing Rules 1306, 1306A, 1306B, 1306C and 1307 in relation to such Defaulting Clearing Member,

in each case, acting in consultation with the Default Management Group and in accordance with the Default Management Process. Subject to Applicable Laws, OTC Clear agrees to exercise its default powers in such a manner as to comply with its obligations under the Security Assignment Deed.

Upon the occurrence of an Automatic Early Termination Event or delivery of a Notice of Default in respect of a Clearing Member, OTC Clear shall not be obliged to: (a) pay any Notional Exchange Failure Adjustment Amount payable by it in respect of such Clearing Member; or (b) make any further payments or deliveries in respect of any Contract registered in the name of such Clearing Member, in either case which would otherwise have fallen due on or after such time, and upon the occurrence of an Early Termination Date in respect of such Contracts, any obligations to pay such Notional Exchange Failure Adjustment Amount or to make such further payments or deliveries and any amounts that are due but unpaid in respect of such Contracts shall be satisfied by the payment by, or to, the Defaulting Clearing Member of a single net sum to be determined in accordance with Clearing Rules 1306, 1306A, 1306B, 1306C and 1307, provided that if a Rates and FX Clearing Termination Event occurs at any time prior to the completion of the Default Management Process with respect to a Defaulting Clearing Member, no net sum shall be payable in accordance with Clearing Rules 1306, 1306A, 1306B, 1306C and 1307 and the applicable termination amounts shall instead be determined in accordance with Clearing Rules 1531 to 1540.

Calculations of Net Payment following a Clearing Member Event of Default

1306. Where the Defaulting Clearing Member has one House Position Account and one or more Client Position Account(s), each Position Account of the Defaulting Clearing Member shall constitute a separate “capacity” pursuant to Part 5 of Schedule 3 to the SFO so that no Client Position Account of the Defaulting Clearing Member shall be combined with any other Position Account of the Defaulting Clearing Member, and the process set out in Clearing Rules 1306A, 1306B, 1306C and 1307 shall be applied to each such capacity separately.
- 1306A Subject to Clearing Rules 1530 to 1540, subsequent to the completion of the Default Management Process with respect to a Defaulting Clearing Member (including, for the avoidance of doubt, the processes described in Clearing Rules

1516(1), 1516(2) and 1914) and the occurrence of an Early Termination Date in respect of all of the Defaulting Clearing Member's Contracts, for the purposes of Part 5 of Schedule 3 to the SFO, the single net sum payable by OTC Clear to such Defaulting Clearing Member, or by such Defaulting Clearing Member to OTC Clear, in respect of each capacity of the Defaulting Clearing Member relating to the House Account(s) and the Client Accounts of Non-Porting Clients shall be determined as follows:

- (1) OTC Clear will determine the aggregate trade value in respect of all of the Contracts in the relevant Position Account in accordance with Clearing Rule 1307. Such aggregate trade value may be zero, positive or negative. A positive aggregate trade value indicates an overall sum being payable by OTC Clear to the Defaulting Clearing Member in respect of such capacity; and a negative aggregate trade value indicates an overall sum being payable by the Defaulting Clearing Member to OTC Clear in respect of such capacity;
- (2) if the aggregate trade value determined pursuant to sub-paragraph (1) above is a negative number, such value shall be netted against the value (expressed as a positive number) of all Collateral (including the proceeds of the realization of such Collateral) held by OTC Clear in respect of such capacity as Initial Margin, Additional Margin, Routine Intra-day Variation Margin and Ad Hoc Intra-day Variation Margin in respect of the relevant Position Account and comprising the Margin Balance of the corresponding Collateral Account and any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by the Defaulting Clearing Member, each as at the Early Termination Date, reflecting the application of such resources towards (i) Unpaid Amounts in respect of the relevant Position Account pursuant to Clearing Rules 1516(1)(a) or 1516(2)(a), as applicable, (ii) the Auction Losses relating to the relevant Position Account pursuant to Clearing Rule 1914(1) and (iii) in the case of the House Position Account, General Losses pursuant to Clearing Rule 1516(1)(a). If the aggregate trade value determined pursuant to sub-paragraph (1) above is zero or a positive number, such value shall be aggregated with the value (expressed as a positive number) of all Collateral (including any proceeds of the realization of such Collateral) held by OTC Clear in respect of such capacity as Initial Margin, Additional Margin, Routine Intra-day Variation Margin and Ad Hoc Intra-day Variation Margin in respect of the relevant Position Account and comprising the Margin Balance of the corresponding Collateral Account and any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by the Defaulting Clearing Member, each as at the Early Termination Date;
- (3) if the net sum determined pursuant to sub-paragraph (2) above in respect of the House Position Account is a positive number (a "**House Credit**"), such House Credit shall be used to set off against each negative net sum determined pursuant to sub-paragraph (2) above for a Client Account of Non-Porting Client(s) (a "**Non-Porting Client Deficit**"), by applying such House Credit to each Non-Porting Client Deficit in the

proportion that the absolute value of the Non-Porting Client Deficit of each particular Client Account bears to the absolute value of the aggregate of the Non-Porting Client Deficits for all Client Accounts of Non-Porting Clients of the Defaulting Clearing Member; and

- (4) if the net sum determined pursuant to sub-paragraphs (1) to (2) above for a Client Account of a Non-Porting Client(s) is a positive number, such amount (the “**Non-Porting Client Credit**”) shall form part of the Client Entitlement to be returned to the Client(s) pursuant to Clearing Rule 1309. If the net sum determined pursuant to sub-paragraph (3) above for a Client Account of a Non-Porting Client(s) remains a negative number (a “**Remaining Non-Porting Client Deficit**”), such amount shall be further netted as set out in Clearing Rule 1306B below. At the end of the processes referred to in sub-paragraphs (1) to (3) above, in respect of each Client Account of Non-Porting Client(s), OTC Clear shall certify a single net sum as being payable by OTC Clear to the Defaulting Clearing Member (in the case of Client Accounts with a Non-Porting Client Credit) or by the Defaulting Clearing Member to OTC Clear (in the case of Client Accounts with a Remaining Non-Porting Client Deficit) or, if there is no such net sum (in the case of Client Accounts where a Non-Porting Client Deficit becomes zero), OTC Clear shall certify that fact.

1306B. If the net sum determined pursuant to Clearing Rule 1306A(2) in respect of the House Position Account is a negative number or, in the case of a Client Account with a Remaining Non-Porting Client Deficit:

- (1) such negative sum shall then be further netted against the value (expressed as a positive number) of all Collateral (including the proceeds of the realization of such Collateral) held by OTC Clear as,
 - (a) the Rates and FX Contribution Balance recorded in such Defaulting Clearing Member’s GF Account as at the Early Termination Date to the extent that any Rates and FX Losses are allocated to such Defaulting Clearing Member in accordance with Clearing Rules 1516(1)(b), 1516(2)(b) 1914(2) and 1916(2), and in the amount of such Rates and FX Losses allocated; and
 - (b) any remaining Rates and FX Contribution Balance relating to such Defaulting Clearing Member that is not allocated pursuant to sub-paragraph (1)(a) above after taking into account any application of such remaining Rates and FX Contribution Balance by OTC Clear pursuant to Clearing Rule 1548,

so as to produce a single net sum (if any) payable by or to the Defaulting Clearing Member;

- (2) (i) the net sum of the House Account and each Client Account of Non-Porting Client(s) determined pursuant to sub-paragraph (1) above and (ii) any unused Rates and FX Contribution Balance recorded in such Defaulting Clearing Member’s GF Account after being applied pursuant to Clearing Rules 1516(1)(b), 1516(2)(b) and 1914(2) and taking into account the operation of Clearing Rule 1548 shall be aggregated to arrive at a further net sum. If the further net sum determined is a positive

number, then OTC Clear shall pay such net sum to the Defaulting Clearing Member, and if the further net sum determined is a negative number, then the Defaulting Clearing Member shall pay such net sum to OTC Clear;

- (3) any property which has been provided by the Defaulting Clearing Member as market collateral shall cease to be market collateral (for the purpose of this sub-paragraph, the term "market collateral" bears the meaning set out in section 18 of the SFO); and
- (4) OTC Clear shall certify the net sum referred to in this Clearing Rule 1306B as being payable by OTC Clear to the Defaulting Clearing Member or by the Defaulting Clearing Member to OTC Clear, or, if there is no such net sum, OTC Clear shall certify that fact.

1306C. If the net sum determined pursuant to Clearing Rule 1306A(2) in respect of the House Position Account is zero, if there is a House Credit and no Non-Porting Client Deficits or, if there is a surplus after applying the House Credit to each Non-Porting Client Deficit pursuant to Clearing Rule 1306A(3), then:

- (1) such amount shall then be aggregated with the value (expressed as a positive number) of all Collateral (including the proceeds of the realization of such Collateral) held by OTC Clear as,
 - (a) the Rates and FX Contribution Balance recorded in such Defaulting Clearing Member's GF Account as at the Early Termination Date to the extent that any Rates and FX Losses are allocated to such Defaulting Clearing Member in accordance with Clearing Rules 1516(1)(b), 1516(2)(b), 1914(2) and 1916(2), and in the amount of such Rates and FX Losses allocated; and
 - (b) any remaining Rates and FX Contribution Balance relating to such Defaulting Clearing Member that is not allocated pursuant to sub-paragraph (1)(a) above after taking into account any application of such remaining Rates and FX Contribution Balance by OTC Clear pursuant to Clearing Rule 1548,

so as to produce a single net sum (if any) payable to the Defaulting Clearing Member.

Any property which has been provided by the Defaulting Clearing Member as market collateral shall cease to be market collateral (for the purpose of this sub-paragraph, the term "market collateral" bears the meaning set out in section 18 of the SFO); and

- (2) OTC Clear shall certify the net sum referred to in this Clearing Rule 1306C as being payable by OTC Clear to the Defaulting Clearing Member or, if there is no such net sum, OTC Clear shall certify that fact.

1307. Subject to Clearing Rules 1914(1)(c) and 1914(1)(d), the aggregate trade value in respect of all Contracts in a Position Account for the purposes of Clearing Rule 1306A(1) above shall be an amount equal to: (i) the aggregate Auction Payments relating to that Position Account (if any), (ii) minus the aggregate Auction Losses relating to that Position Account (if any), (iii) plus the Unpaid

Amounts due from OTC Clear to the Defaulting Clearing Member in respect of all Contracts in that Position Account (if any), (iv) minus the Unpaid Amounts due from the Defaulting Clearing Member to OTC Clear in respect of all Contracts in that Position Account (if any), (v) plus the Unsettled VM Amount in respect of that Position Account (to the extent that such Unsettled VM Amount is payable by OTC Clear to the Defaulting Clearing Member (if any)) and (vi) in the case of the House Position Account only, minus the aggregate General Losses relating to that Position Account (if any).

OTC Clear will determine such aggregate trade value in the Base Currency, and for the purpose of the calculations under Clearing Rule 1306 to Clearing Rule 1309, OTC Clear may convert any amounts denominated in other currencies into the Base Currency at such rate prevailing at the time of the calculation as it shall reasonably select.

A certificate issued by OTC Clear under Clearing Rules 1306A, 1306B and 1306C in respect of a separate capacity of the Defaulting Clearing Member shall be conclusive as to the discharge of the Defaulting Clearing Member's rights and liabilities in respect of the Contracts registered in its name in such capacity, and OTC Clear and the Defaulting Clearing Member shall duly pay any net sums certified under Clearing Rules 1306A, 1306B and 1306C to each other at the time and in such manner prescribed in these Clearing Rules. If OTC Clear does not have sufficient Base Currency to satisfy any net sum payable under Clearing Rules 1306A, 1306B and 1306C, OTC Clear may satisfy such net sum payable to the Defaulting Clearing Member in any other Eligible Currency such that the overall payment made by OTC Clear to the Defaulting Clearing Member will be equal to the Base Currency value determined pursuant to Clearing Rules 1306A, 1306B and 1306C. Pursuant to Clearing Rule 823(2) and section 3(c) of Part 5 of Schedule 3 to the SFO, a Clearing Member's House Credit may be applied by OTC Clear to set-off any liabilities of that Clearing Member to OTC Clear, including such Clearing Member's Non-Porting Client Deficits.

The process described in Clearing Rules 1306A, 1306B and 1306C with respect to each Defaulting Clearing Member and each of their capacities will only be performed upon the expiry of the Capped Liability Period relating to the relevant DMP Event. Upon the completion of the process in Clearing Rules 1306A, 1306B and 1306C, OTC Clear will make a report as required by section 47(1)(a) of the SFO.

1308. [DELETED]

1308A. In respect of each Non-Porting Client of a Defaulting Clearing Member, OTC Clear will determine the Client Entitlement in accordance with Clearing Rule 1309. In respect of a Rule-Based Clearing Member, OTC Clear recognises that the Client Entitlement relates to the positions corresponding to the Affected Contracts that are entered into between the Defaulting Clearing Member and such Non-Porting Client and, pursuant to the power under section 40(2A) of the SFO, OTC Clear makes rules for the taking of proceedings or other action in respect of the Client Entitlement under Clearing Rule 1309(3). (1A) the Client Entitlement relating to each Client Clearing Category 2 Position Account to which Contracts relating to a Non-Porting Client are recorded shall be the greater of zero and an amount equal to the product of:

(a) the hypothetical Initial Margin with respect to the Affected Contracts of such Non-Porting Client (calculated on a portfolio margining basis assuming that all Affected Contracts of such Non-Porting Client were booked into a single separate hypothetical position account assigned solely to such Non-Porting Client) divided by the aggregate of the hypothetical Initial Margin with respect to the Affected Contracts relating to all Non-Porting Clients of such Client Clearing Category 2 Position Account (each such hypothetical Initial Margin for each individual Non-Porting Client being calculated on a portfolio margining basis assuming that the Affected Contracts of each individual Non-Porting Client were booked into a single separate hypothetical position account assigned solely to such individual Non-Porting Client), in each case, such Initial Margin being calculated during the Portfolio Novation Cycle immediately preceding the occurrence of the relevant DMP Event; and

Notwithstanding the immediately foregoing, OTC Clear may, in its absolute discretion (i) adjust such records to reflect any factors reasonably taken into consideration when performing such valuation and/or (ii) withhold delivery of any Client Entitlement until such time as the Defaulting Clearing Member or its representative provides to OTC Clear any information requested by OTC Clear.

- (a) an amount equal to:
 - (i) the hypothetical net amount payable by OTC Clear to the Defaulting Clearing Member in respect of all amounts that have become due and payable by OTC Clear to the Defaulting Clearing Member or by the Defaulting Clearing Member to OTC Clear, in each case on or after the date the relevant DMP Event occurs in respect of any Contracts (including, for the avoidance of doubt, any Non-Porting Contracts) relating to such Porting Client recorded in the relevant Client Position Account which have not already been paid (calculated on a hypothetical basis after giving effect to any rights of set-off or netting under the Clearing Rules and after converting any amounts denominated in other currencies into the Base Currency at such rate prevailing at the time of the calculation as OTC Clear shall reasonably select) (to the extent such hypothetical net sum is a positive number, such amount a **“Porting Client Hypothetical Net Receivable”**); divided by
 - (ii) the sum of all Porting Client Hypothetical Net Receivables for each of the Porting Clients sharing the relevant Client Clearing Category 2 Position Account; and

1317. If OTC Clear fails to make, when due, any payment to a Clearing Member (other than a Defaulting Clearing Member) (the "**Relevant Clearing Member**") arising from a Contract, the Relevant Clearing Member may provide written notification (the "**Failure to Pay Notice**") to OTC Clear formally informing OTC Clear of such failure pursuant to this Clearing Rule 1317.
1318. An "**OTC Clear Failure to Pay Event**" shall be deemed to occur if after the receipt of the Failure to Pay Notice by OTC Clear, OTC Clear has not made all relevant payments to the Clearing Member by the end of the relevant OTC Clear Failure to Pay Grace Period, provided that no OTC Clear Failure to Pay Event shall occur if (1) such failure to pay arises as a result of technical or administrative reasons beyond the control of OTC Clear; or (2) during the OTC Clear Failure to Pay Grace Period, OTC Clear has exercised its powers under Clearing Rule 1320(1) and/or 1320(2). During the OTC Clear Failure to Pay Grace Period, the Relevant Clearing Member shall continue to be obliged to pay when due all amounts required by OTC Clear in accordance with the Clearing Documentation and shall satisfy in full all its other obligations under the Clearing Documentation.

1320. During the OTC Clear Failure to Pay Grace Period, OTC Clear may take the following action or actions:
 - (1) designate an Early Termination Date in respect of all the Relevant CM Contracts by delivering a notice to the Relevant Clearing Member whereupon all the Relevant CM Contracts shall be novated with effect from the day that falls on the second OTC Clear Clearing Day following the date of delivery of such notice by OTC Clear. Upon the delivery of such notice, the Relevant Clearing Member agrees that OTC Clear shall novate all the Relevant CM Contracts on the designated Early Termination Date by terminating such Relevant CM Contracts and registering in the name of any other Clearing Member (other than a Defaulting Clearing Member)

Upon receipt of a notice from a Non-Defaulting Clearing Member declaring the occurrence of an OTC Clear Insolvency Event, OTC Clear will notify all Clearing Members of (1) the occurrence of such event and (2) the Early Termination Date with respect to all outstanding Contracts registered in the name of all Clearing Members.

Calculations of Net Payment following OTC Clear Default

1324. Upon the designation of an Early Termination Date with respect to all Contracts then registered in the name of a Clearing Member pursuant to Clearing Rule 1320(1), 1321(1) or 1323:

- (1) all obligations of OTC Clear and such Clearing Member in respect of any such Contract between them shall cease to exist and be replaced with the obligation to pay the termination amounts determined under sub-paragraph (3) below. The close-out value for each Contract shall be determined in accordance with section 10.1(iii) of the Clearing Procedures, provided that OTC Clear may also take into account any unpaid amounts that have become due and payable in respect of any Contract on or prior to the designation of the Early Termination Date;
- (2) any unused Margin Balance and any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by the Clearing Member(s) then held by OTC Clear in respect of one or more Clearing Members shall be returned to the relevant Clearing Members in accordance with sub-paragraph (6) below; and any unused Rates and FX Contribution Balance then held by OTC Clear in respect of one or more Clearing Members shall be returned to the relevant Clearing Members in accordance with sub-paragraph (8)(d) below;
- (3) OTC Clear shall on, or as soon as reasonably practicable after, the Early Termination Date, calculate a net sum payable by or to each Clearing Member separately in relation to each Position Account registered in the name of such Clearing Member. In determining such net sum, OTC Clear will take into account the close-out values established for each Contract pursuant to sub-paragraph (1) above, and the value of all other amounts which is due to OTC Clear from the Clearing Member under these Clearing Rules or which is due to it from OTC Clear (other than OTC Clear’s obligation to return any unused Margin Balance, any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by the relevant Clearing Member or Former Clearing Member and/or Rates and FX Contribution Balance to the relevant Clearing Member or Former Clearing Member), in each case, whether future, liquidated or unliquidated, actual or contingent. There shall be no combining or set-off between any House Position Account and Client Position Account(s), or between two or more Client Position Accounts. OTC Clear will determine any such net sum payable by, or to, a Clearing Member in the Base Currency. For the purpose of the determination under this sub-paragraph (3), OTC Clear may convert any amounts denominated in any

other currency into the Base Currency at such rate prevailing at the time of the calculation as it shall reasonably select;

- (4) If, pursuant to sub-paragraph (3) above, a net sum is determined to be payable by a Clearing Member to OTC Clear with respect to one or more of its Position Accounts, OTC Clear shall reduce each such sum by application of the Outright Transfer Margin Balance, if any, relating to the relevant Position Account. With respect to each Clearing Member and each of its Position Account(s), after application of the Outright Transfer Margin Balance relating to the relevant Position Account:
 - (a) if there remains a balance payable by the Clearing Member to OTC Clear for such Position Account (the "**CM Payable Balance**"), OTC Clear will, as soon as reasonably practicable, notify the relevant Clearing Member of the CM Payable Balance, and the relevant Clearing Member shall pay OTC Clear the CM Payable Balance within three OTC Clear Business Days following receipt of such notification; and
 - (b) if the Clearing Member fails to pay the CM Payable Balance within the time frame set out in sub-paragraph (4)(a) above, OTC Clear may declare an Event of Default in respect of such Clearing Member. OTC Clear may, in satisfaction of any due but unpaid CM Payable Balance in respect of a Position Account, apply the proceeds of enforcement of any non-cash Collateral comprising the Margin Balance of the corresponding Collateral Account and any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by such Clearing Member;
- (5) if, pursuant to sub-paragraph (3) above, a net sum is determined to be payable by OTC Clear to a Clearing Member with respect to one or more of its Position Accounts, each such sum shall form part of an OTC Clear Default CM Receivable with respect to the relevant Position Account;
- (6) with respect to each Clearing Member and each of its Position Account(s), taking into account (if applicable) the operation of sub-paragraph (4) above:
 - (a) any unused Outright Transfer Margin Balance and, if applicable, any remaining proceeds of enforcement of non-cash Collateral further to the application of sub-paragraph (4)(b) above for such Position Account shall be returned to the Clearing Member; and
 - (b) any non-cash Collateral provided to OTC Clear on a security interest basis and comprising the Margin Balance of the Collateral Account corresponding to such Position Account and any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by the Clearing Member shall be redelivered to the Clearing Member in accordance with the relevant security document;
- (7) following the completion of the processes described in sub-paragraphs (4) to (6) above:

- (a) OTC Clear shall, with respect to each Position Account (without regard to its obligation to return any unused Rates and FX Contribution Balance to the relevant Clearing Member or Former Clearing Member), determine the resulting net sum payable by a Clearing Member to OTC Clear for such Position Account (such sum, an “OTC Clear Default Interim CM Payable”), or the resulting net sum payable by OTC Clear to a Clearing Member for such Position Account (such sum, an “**OTC Clear Default CM Receivable**”);
 - (b) OTC Clear shall notify the relevant Clearing Member of its OTC Clear Default Interim CM Payable(s) or OTC Clear Default CM Receivable(s). Each Clearing Member that receives a notice to pay any OTC Clear Default Interim CM Payable shall pay each such amount to OTC Clear in full within three OTC Clear Business Days following receipt of such notification;
 - (c) if a Clearing Member fails to pay any OTC Clear Default Interim CM Payable in full within the time frame set out in sub-paragraph (7)(b) above, regardless of whether such OTC Clear Default Interim CM Payable arises out of a House Position Account or Client Position Account belonging to such Clearing Member, OTC Clear may apply any unused Rates and FX Contribution Balance then held by OTC Clear in respect of such Clearing Member against the unpaid OTC Clear Default Interim CM Payable;
 - (d) with respect to a Clearing Member and each of its Position Account(s) with an OTC Clear Default Interim CM Payable, following the application of any unused Rates and FX Contribution Balance as described in sub-paragraph (7)(c) above, OTC Clear shall determine the final net sum payable by the Clearing Member, if any (each a “**OTC Clear Default Final CM Payable**”) with respect to such Position Account, and notify such Clearing Member of the same. Each Clearing Member that receives a notice to pay any OTC Clear Default Final CM Payable shall pay each such amount to OTC Clear in full at or prior to the time specified by OTC Clear; and
 - (e) for the avoidance of doubt, a Clearing Member may have an OTC Clear Default Interim CM Payable or OTC Clear Default Final CM Payable in respect of one Position Account registered in its name, but an OTC Clear Default CM Receivable in respect of another Position Account registered in its name;
- (8) with respect to each Clearing Member who has an OTC Clear Default CM Receivable, and each Clearing Member or Former Clearing Member with any unused Rates and FX Contribution Balance (taking into account the operation of sub-paragraph (7)(c) above), OTC Clear shall pay each such Clearing Member or Former Clearing Member in proportion to the value of their respective claims on OTC Clear under sub-paragraph (7) above in the following manner:

- (a) OTC Clear shall, until the time specified in sub-paragraph (9) below, take reasonable steps to recover any unpaid OTC Clear Default Final CM Payables. and may deduct from such amounts any reasonable costs in connection with such recovery;
- (b) following receipt of all or some (if any Clearing Member defaults in its payment of the relevant OTC Clear Default Final CM Payable) OTC Clear Default Final CM Payables, OTC Clear will calculate a percentage (“**OTC Clear Default Applicable Percentage**”) equal to the lesser of:
 - (A) 100%; and
 - (B)
 - (I) the aggregate value of (i) the Rates and FX Guarantee Resources then held by OTC Clear, (ii) any Margin Balance and any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by the Clearing Members or Former Clearing Members applied pursuant to Clearing Rules 1324(3) and/or 1324(4)(b) and (iii) all OTC Clear Default Final CM Payables received; divided by
 - (II) the aggregate value representing the sum of (i) all OTC Clear Default CM Receivables and (ii) any unused Rates and FX Contribution Balance then held by OTC Clear in respect of all Clearing Members or Former Clearing Members (taking into account the operation of subparagraph (7)(c) above);
- (c) OTC Clear shall pay each Clearing Member with an OTC Clear Default CM Receivable an amount equal to the OTC Clear Default Applicable Percentage of such OTC Clear Default CM Receivable;
- (d) OTC Clear shall pay each Clearing Member or Former Clearing Member with unused Rates and FX Contribution Balance an amount equal to the OTC Clear Default Applicable Percentage of such unused Rates and FX Contribution Balance, provided that the aggregate sum payable by OTC Clear in respect of unused Rates and FX Contribution Balance for all Clearing Member(s) and Former Clearing Member(s) shall never exceed the value of the Rates and FX Guarantee Resources then held by OTC Clear. Once the Rates and FX Guarantee Resources have been exhausted, the unpaid balance of any unused Rates and FX Contribution Balance shall be extinguished; and
- (e) all payments made under this sub-paragraph (8) shall be made in the Base Currency provided that if OTC Clear does not have sufficient Base Currency to satisfy such payment, it may satisfy such payment obligation in any other Eligible Currency. For this purpose OTC Clear shall be entitled to convert any amounts

denominated in the Base Currency into any other Eligible Currency (or vice versa) at such rate prevailing at the time of settlement as it shall reasonably select;

- (9) if OTC Clear determines that no further amounts in respect of any OTC Clear Default Final CM Payables are likely to be recovered and notifies the same to the relevant Clearing Member(s) and Former Clearing Member(s), then the unpaid balance of any OTC Clear Default CM Receivable and/or unused Rates and FX Contribution Balance shall thereafter be extinguished and the relevant Clearing Member(s) and Former Clearing Member(s) shall have no further recourse to OTC Clear (its Affiliates, a recognized exchange controller which is the controller of OTC Clear, or any of their respective Representatives) in respect thereof; and
 - (10) OTC Clear will, as soon as reasonably practicable, inform the SFC of the occurrence of an OTC Clear Failure to Pay Event or OTC Clear Insolvency Event upon becoming aware of the same.
1325. The obligations of a Clearing Member to pay any amounts due and payable to OTC Clear pursuant to the Clearing Documentation shall survive the Membership Termination Date relating to such Clearing Member.

Chapter 14 Disciplinary Actions and Proceedings

Situations Calling for Disciplinary Action

1401. OTC Clear may commence disciplinary proceedings against a Clearing Member:

- (1) if the Clearing Member contravenes any provisions of the Clearing Documentation or any conditions attached to its Membership, including any breach of its obligations, undertakings or representations by the Clearing Member under the Membership Agreement to which it is a party;
- (2) if the Clearing Member commits any act or omits to commit any act relating to its clearing activities which may adversely affect the reputation of OTC Clear, or the soundness or integrity of OTC Clear as a recognized clearing house;
- (3) if OTC Clear has determined that an Event of Default (excluding an Automatic Early Termination Event) has occurred in relation to that Clearing Member;
- (4) if the Clearing Member fails to provide information requested by an exchange, clearing house, Regulatory Authority or an organization with whom HKEx or OTC Clear has entered into an information sharing agreement;
- (5) if the Clearing Member fails to participate in the Default Management Process when required to do so under the Clearing Documentation or OTC Clear, after consultation with the Risk Management Committee, determines that the Clearing Member participated in the Default Management Process in bad faith;
- (6) if a Clearing Member is subject to an adverse finding by any Governmental Authority, Clearing Organization or Regulated Exchange in respect of its activities as a Clearing Member;
- (7) if the Clearing Member refuses to answer fully questions or produce books, records or other documents as may be required at or during the course of any disciplinary investigation or proceedings, or testifies falsely;
- (8) if the Clearing Member refuses to appear before the Disciplinary Committee, the Disciplinary Appeals Committee or any other committee of OTC Clear duly constituted under these Clearing Rules to deal with disciplinary matters, at or during the course of any disciplinary investigation or proceedings; or
- (9) if the Clearing Member fails to meet or comply with any disciplinary sanction or other requirement imposed on it.

OTC Clear will notify the relevant Regulatory Authority of a Remotely Regulated Entity in case any disciplinary proceedings have been commenced by OTC Clear against such Remotely Regulated Entity.

1402. An initial election by OTC Clear to commence disciplinary proceedings against a Clearing Member with respect to whom an Event of Default (excluding Automatic Early Termination Event) has occurred shall not prejudice, or otherwise affect, OTC Clear's right to subsequently deliver a Notice of Default, provided that an Event of

Default is then in existence and continuing (regardless of whether such event constitutes the same, or different, ground of Event of Default which leads to the disciplinary action taken by OTC Clear pursuant to Clearing Rule 1401(3)).

Co-operation

1403. In any investigation into a disciplinary matter or into circumstances possibly giving rise to a disciplinary matter, every Clearing Member shall co-operate with OTC Clear, the OTC Clear Board, the Disciplinary Committee, the Disciplinary Appeals Committee, a recognized exchange controller which is the controller of OTC Clear, the SFC and any other Person or body of Persons to whom the investigation may be entrusted.

Notification

1404. Any proposal to take disciplinary proceedings, and the outcome of any disciplinary proceedings, shall be notified to the SFC.

Disciplinary Actions

1405. Without prejudice to any other rights OTC Clear may have, following the conclusion of disciplinary proceedings carried out against a Clearing Member pursuant to Clearing Rules 1406 to 1408, the Disciplinary Committee may impose no disciplinary action or any of the following disciplinary actions:

- (1) to terminate the Membership of a Clearing Member;
- (2) to call upon a Clearing Member, by written notice, to resign pursuant to Clearing Rule 604. If the relevant Clearing Member fails to tender its notice of resignation within seven days of receipt of such notice from OTC Clear, OTC Clear may exercise its power to terminate the Membership of such Clearing Member;
- (3) to suspend a Clearing Member from Membership pursuant to Clearing Rules 601 to 603 on such terms and for such period as OTC Clear shall think fit;
- (4) to impose a fine on a Clearing Member;
- (5) to censure publicly or privately a Clearing Member;
- (6) to issue a warning, including, as appropriate, a requirement that certain actions be taken (which may include a requirement that the Clearing Member cease and desist from certain actions) within the period specified in the warning and specifying the sanction (including a fine, suspension or revocation) in the event that such actions are not taken within the specified period;
- (7) to require for rectification or other remedial action or restitutionary measures to be taken by the Clearing Member within a stipulated period, including, if appropriate, the appointment of independent accountants, solicitors, consultants or other professionals in connection therewith;
- (8) to notify the matter to any competent authority to which a Clearing Member is subject; or
- (9) to take such other disciplinary action as the Disciplinary Committee shall consider appropriate in the circumstances.

The Disciplinary Appeals Committee may, following the conclusion of appeal hearings carried out pursuant to Clearing Rules 1409 and 1410, overturn any decision made by the Disciplinary Committee or impose any of the disciplinary actions set out in sub-paragraphs (1) to (8) above or take such other disciplinary action as the Disciplinary Appeals Committee shall consider appropriate in the circumstances.

Procedures relating to Disciplinary Committee

1406. If OTC Clear proposes to commence disciplinary proceedings against a Clearing Member in respect of any situation set out in Clearing Rule 1401, it shall provide the Clearing Member and the Disciplinary Committee a notice (the “**Notice of Disciplinary Committee Hearing**”) at least 10 OTC Clear Business Days prior to the proposed date of the hearing, and the Notice of Disciplinary Committee Hearing shall include:

- (1) the statement of case which shall comprise the charge(s), a summary of the facts to be relied on alleged to give rise to that situation;
- (2) a copy of the documents in the possession of OTC Clear which are relied on to support the facts alleged, as well as a copy of any document in the possession of OTC Clear which contradicts the alleged facts; and
- (3) the date, time and place of the hearing,

provided that OTC Clear shall have the power (either on its own initiative or upon a request received from the Clearing Member) to postpone or adjourn such hearing to a date, time and place to be determined by OTC Clear. In case of such proposed postponement or adjournment, OTC Clear shall notify the Clearing Member at least 10 OTC Clear Business Days prior to the date on which such proposed or adjourned hearing is due to take place.

1407. The Clearing Member shall have the right to attend the hearing of the Disciplinary Committee and to make representations, and may be legally represented at such hearing. A representative of OTC Clear may also make representations on behalf of OTC Clear.

1408. The Disciplinary Committee will communicate the outcome of such hearing, including any action to be taken by OTC Clear, and/or order as to costs by way of provision of a notice (the “**Initial Order Notice**”) to the relevant Clearing Member. Such Initial Order Notice shall set out in reasonable detail the reasons for the conclusions of the Disciplinary Committee.

Appeals to the Disciplinary Appeals Committee

1409. Following receipt of the Initial Order Notice, a Clearing Member may appeal to the Disciplinary Appeals Committee on one of the grounds set out in Clearing Rule 1411 within the Appeal Period, where the “**Appeal Period**” means:

- (1) three OTC Clear Business Days from the date of receipt of the Initial Order Notice by a Clearing Member if the Initial Order Notice indicates that such Clearing Member’s Membership shall be terminated. If the relevant Clearing Member does not appeal within the Appeal Period, it shall commence the Non-Default Unwind immediately and its Membership Termination Date shall fall on the OTC Clear Clearing Day on which each of the:

- (a) Initial Margin requirements (in respect of each Position Account of such Clearing Member) shown on the end-of-day Margin report published on such day; and
- (b) the net notional of all Contracts recorded in the name of such Clearing Member,

becomes zero.

Failure by a Clearing Member to commence the Non-Default Unwind following the expiry of the Appeal Period pursuant to this Clearing Rule 1409(1) shall constitute an Event of Default with respect to such Clearing Member; and

- (2) 10 OTC Clear Business Days from the date of receipt of the Initial Order Notice by a Clearing Member if the Initial Order Notice indicates that OTC Clear will take disciplinary measures against the relevant Clearing Member other than termination of its Membership. If no appeal is brought by the Clearing Member prior to the expiry of the Appeal Period, then OTC Clear may, at the end of the Appeal Period, immediately enforce the proposed disciplinary action as set out in the Initial Order Notice against such Clearing Member.

A Clearing Member shall clearly indicate the ground(s) of appeal in its request to appeal. An appeal shall be deemed invalid if a Clearing Member fails to clearly indicate the ground(s) of appeal in its request to appeal within the Appeal Period.

1410. If an appeal on one of the grounds set out in Clearing Rule 1411 is lodged by a Clearing Member within the Appeal Period, then OTC Clear will provide such Clearing Member and the Disciplinary Appeals Committee a notice (the “**Notice of Disciplinary Appeals Committee Hearing**”) stating the date, time and place where the appeal hearing will take place, provided that OTC Clear shall have the power (either on its own initiative or upon a request received from the Clearing Member) to postpone or adjourn such hearing to a date, time and place to be determined by OTC Clear. In case of such proposed postponement or adjournment, OTC Clear shall notify the Clearing Member at least 10 OTC Clear Business Days prior to the date on which such proposed or adjourned hearing is due to take place.

Grounds for Appeal

1411. The Disciplinary Appeals Committee shall hear and determine appeals against a decision of the Disciplinary Committee on the following grounds:

- (1) that the Disciplinary Committee misdirected or misconducted itself contrary to these Clearing Rules or the rules of natural justice;
- (2) that the Disciplinary Committee’s decision was one which no reasonable Disciplinary Committee could have reached;
- (3) that the Disciplinary Committee’s decision was based on an error of law or a gross misinterpretation of these Clearing Rules; or
- (4) that any disciplinary action or penalty imposed by the Disciplinary Committee is unduly excessive,

provided that in each case, the onus of proof lies with the Clearing Member who appeals against the decision of the Disciplinary Committee as set out in the Initial Order Notice.

1412. The Clearing Member shall have the right to attend the hearing of the Disciplinary Appeals Committee and to make representations and shall be permitted to be legally represented at such hearing. A representative of OTC Clear may also make representations on behalf of OTC Clear.
1413. Unless otherwise determined by OTC Clear or the Disciplinary Appeals Committee, pending the outcome of any appeal to the Disciplinary Appeals Committee, the decision being appealed against shall be stayed from the date on which the appeal is lodged by the Clearing Member.
1414. The decision of the Disciplinary Appeals Committee on an appeal made to it pursuant to these Clearing Rules shall be final and conclusive. The Disciplinary Appeals Committee will issue and communicate the outcome of such hearing including any action to be taken by OTC Clear and/or order as to costs by way of provision of a notice (the "**Final Order Notice**") to the relevant Clearing Member.

Order as to Costs

1415. Where disciplinary proceedings are commenced against a Clearing Member, the Disciplinary Committee or Disciplinary Appeals Committee, as appropriate, may order any party to the disciplinary proceedings to pay or share such costs and expenses including, without limitation, the remuneration and expenses of the members of the Disciplinary Committee and/or the Disciplinary Appeals Committee adjudicating at the hearing, legal costs, administration costs and expenses, and costs and expenses incurred in the investigation, preparation and presentation of the case.
1416. Subject to Clearing Rule 1417, any costs awarded against a Clearing Member at any disciplinary hearing shall be payable within 10 OTC Clear Business Days of the delivery of the Initial Order Notice (if not appealed) or the Final Order Notice, as applicable and the determination of the amount of the costs.
1417. The Disciplinary Appeals Committee may affirm or reassess any order of costs made by the Disciplinary Committee whether or not an appeal is allowed, dismissed or withdrawn, and such order as to costs made by the Disciplinary Appeals Committee, if any, shall come into effect on the service of the Final Order Notice on the Clearing Member.

Chapter 15 Rates and FX Guarantee Resources

Rates and FX Guarantee Resources Purpose

1501. The purpose of the Rates and FX Guarantee Resources is to provide resources to support the obligations of OTC Clear as a counterparty under Contracts in respect of the Rates and FX Clearing Service but not for any other clearing service that OTC Clear may from time to time offer, and shall only be used in accordance with these Clearing Rules. The Rates and FX Guarantee Resources comprise the Rates and FX Guarantee Fund, Rates and FX Assessments and OTC Clear Contribution.
1502. Each Clearing Member agrees and acknowledges that, for the purpose of securing its liabilities (including to indemnify OTC Clear in the circumstances described in Clearing Rule 1316), it shall provide Collateral on an outright transfer basis in respect of its CM Funded Contribution Amount and CM Unfunded Contribution Amount, each in an amount determined by OTC Clear in accordance with the Clearing Procedures. With respect to a Defaulting Clearing Member, for the purpose of securing its liabilities to OTC Clear in connection with the settlement of its Contracts, the Rates and FX Contribution Balance of such Defaulting Clearing Member shall be taken into account by OTC Clear when determining the net sum payable by, or to, such Defaulting Clearing Member in accordance with Clearing Rules 1306B and 1306C. With respect to a Non-Defaulting Clearing Member, for the purpose of securing its liabilities to indemnify OTC Clear in the circumstances described in Clearing Rule 1316(2), the Rates and FX Contribution Balance of each Non-Defaulting Clearing Member may be applied in accordance with Clearing Rule 1549. Unless otherwise specified in Clearing Rule 1508(1)(a), each Clearing Member must satisfy a demand for CM Funded Contribution Amount and/or CM Unfunded Contribution Amount within two OTC Clear Business Days following the receipt of such demand from OTC Clear.

Calculations relating to the Rates and FX Guarantee Fund, Rates and FX Assessments and Rates and FX Contribution Balance

1503. Subject to Clearing Rule 1508, OTC Clear shall calculate the Rates and FX Guarantee Fund and Rates and FX Assessments and resize the CM Funded Contribution Amount and CM Unfunded Contribution Amount for each Clearing Member, in each case as detailed in section 6.1 of the Clearing Procedures, on each Rates and FX Contribution Determination Date. A “**Rates and FX Contribution Determination Date**” will occur on:
- (1) the first or second OTC Clear Business Day of each calendar month, as may be notified by OTC Clear;
 - (2) on any date if the Max EUL calculated on such date changes by more than 20% from the Max EUL calculated on the immediately preceding Rates and FX Contribution Determination Date, where “Max EUL” has the meaning given to it in section 6.1.1(6) and as modified by section 6.1.1(8) of the Clearing Procedures if Client Clearing Services are provided by one or more Clearing Members on OTC Clear Clearing Days falling within the GF Calculation Period relating to such Rates and FX Contribution Determination Date; and
 - (3) upon expiry of a Capped Liability Period pursuant to Clearing Rule 1508(2).

The Rates and FX Contribution Balance will be valued by OTC Clear daily in accordance with section 7.5.3 of the Clearing Procedures.

Initial Rates and FX Contribution

1504. A Clearing Member shall, upon receipt of a notice of approval of its application to become a Clearing Member, deliver Collateral with an aggregate value, determined by OTC Clear in accordance with Chapter 7 of the Clearing Procedures, equal to the Rates and FX Minimum Contribution Amount plus such other amount as OTC Clear may determine at its discretion based on projected clearing activity of such Clearing Member as its initial contribution to the Rates and FX Guarantee Fund. OTC Clear will set out any such additional amount required from a Clearing Member as part of its initial contribution to the Rates and FX Guarantee Fund in the notice of approval to become a Clearing Member. A Clearing Member shall satisfy its initial contribution to the Rates and FX Guarantee Fund in full no later than five OTC Clear Business Days from the date of receipt of notice of approval, or if earlier, the day prior to it submitting its first Original Transaction to OTC Clear for registration.

Further Rates and FX Contribution

1505. Following each Rates and FX Contribution Determination Date, each Clearing Member will be notified of its CM Funded Contribution Amount and CM Unfunded Contribution Amount in the Base Currency, each as determined by OTC Clear in the manner set out in Chapter 6 of the Clearing Procedures and calculated as at such Rates and FX Contribution Determination Date. The demand will be issued one OTC Clear Business Day after the relevant Rates and FX Contribution Determination Date and will specify the amount of any additional Collateral required or any Rates and FX Contribution Excess.

Rates and FX Assessments Demand

1506. Each Clearing Member agrees and acknowledges that, for the purpose of securing its liabilities in connection with the settlement of its Contracts pursuant to Clearing Rules 1306, 1306A, 1306B, 1306C and 1307 and to indemnify OTC Clear in the circumstances described in Clearing Rule 1316(2), it has an unconditional obligation to pay its CM Unfunded Contribution Amount in cash to the Rates and FX Guarantee Resources if required to do so by OTC Clear pursuant to Clearing Rule 1507.

1507. If, following the occurrence of a DMP Event with respect to one or more Clearing Members:

- (1) the Rates and FX Contribution Balance of all Clearing Members (for the avoidance of doubt, excluding any amounts applied by OTC Clear in connection with the DMP Event, but including the value of any Rates and FX Contribution in respect of any earlier demand of Rates and FX Assessments) falls below, or is expected to fall below, 75% of the last calculated value of the Rates and FX Guarantee Fund; or
- (2) OTC Clear determines in its sole discretion that all cash or liquid resources comprising the Rates and FX Guarantee Fund then held by it have been utilized in full, or are expected to be utilized in full, regardless of whether the value of the Rates and FX Contribution Balance of all Clearing Members (for the avoidance of doubt, excluding any amounts applied by

OTC Clear in connection with the DMP Event, but including the value of any Rates and FX Contribution in respect of any earlier demand of Rates and FX Assessments) have fallen below 75% of the last calculated value of the Rates and FX Guarantee Fund,

OTC Clear may issue a Rates and FX Assessments demand to each Non-Defaulting Clearing Member demanding it to contribute its CM Unfunded Contribution Amount to bring the total Rates and FX Contribution Balance of all Clearing Members to 100% of the last calculated value of the Rates and FX Guarantee Fund. If a Rates and FX Assessments demand is issued by OTC Clear under this Clearing Rule 1507, unless otherwise specified in Clearing Rule 1508(1)(a), each Clearing Member has an unconditional obligation to deliver its CM Unfunded Contribution Amount so demanded within two OTC Clear Business Days following receipt of such demand from OTC Clear. OTC Clear may issue multiple Rates and FX Assessments demands under this Clearing Rule 1507 following a DMP Event, provided that no such Rates and FX Assessments demands shall cause the Rates and FX Liability in respect of a Clearing Member to exceed its Maximum Current Liability set out in Clearing Rule 1544.

Rates and FX Contribution due to Recalculations or Replenishments

1508.

- (1) Subject to sub-paragraph (2) below, if the Rates and FX Contribution Balance in respect of a Clearing Member is less than the then current Rates and FX Liability of that Clearing Member, OTC Clear will notify such Clearing Member of the updated CM Funded Contribution Amount in the Base Currency, and:
 - (a) if the shortfall arises as a result of either market movement affecting the value of such Collateral or change in the applicable Collateral Haircut, or if OTC Clear determines there are wrong-way risk concerns, the Clearing Member shall deliver additional Collateral required to meet such shortfall to OTC Clear within one hour following receipt of such demand;
 - (b) in all other cases, the Clearing Member shall deliver additional Collateral required to meet such shortfall to OTC Clear within two OTC Clear Business Days following receipt of such demand;
- (2) save and except for the circumstance described in Clearing Rule 1510(2), following the occurrence of any DMP Event, any recalculation of the Rates and FX Guarantee Fund and Rates and FX Assessments shall be suspended until after the expiry of the relevant Capped Liability Period. Upon the expiry of a Capped Liability Period, OTC Clear will recalculate the Rates and FX Guarantee Fund, the Rates and FX Assessments and with respect to each Non-Defaulting Clearing Member, the Rates and FX Contribution Balance and the Rates and FX Liability relating to each such Non-Defaulting Clearing Member. In any such recalculation, and with respect to each Non-Defaulting Clearing Member, OTC Clear shall take into account any reduction in the Rates and FX Contribution Balance relating to such Non-Defaulting Clearing Member by the amount applied during the Default Management Process in respect of such Capped Liability Period in

accordance with Clearing Rule 1516. If the Default Management Process(es) in respect of any DMP Event(s) relating to such Capped Liability Period has not been completed at the time of recalculation, OTC Clear shall, for the purpose of determining the Rates and FX Contribution Balance in sub-paragraph (1) above only, and only for so long as the relevant Default Management Process(es) have not been completed, treat the Rates and FX Contribution Balance prior to the end of the Capped Liability Period as having been applied in full regardless of whether such Rates and FX Contribution Balance have in fact been so applied, in whole or in part. Following completion of the relevant Default Management Process(es), OTC Clear will determine the reduction in the Rates and FX Contribution Balance with respect to each Clearing Member, and a Clearing Member may request the redelivery of Collateral in respect of any Rates and FX Contribution Excess in accordance with Clearing Rule 1546. Subject to sub-paragraph (3) below, any Rates and FX Contribution delivered by any Clearing Member following the expiry of such Capped Liability Period shall not be applied in respect of any Rates and FX Loss arising out of any DMP Event occurring prior to the expiry of such Capped Liability Period; and

- (3) notwithstanding sub-paragraph (2) above, following the expiry of a Capped Liability Period, OTC Clear may apply any Rates and FX Contribution delivered to it prior to the end of such Capped Liability Period and may demand additional Rates and FX Assessments up to the Maximum Current Liability relating to such Capped Liability Period, in each case, for application in accordance with Clearing Rule 1516 in respect of DMP Event(s) relating to such Capped Liability Period.

1509. Unless otherwise specified in Clearing Rule 1508(1)(a), each Clearing Member shall deliver additional Collateral in respect of its Rates and FX Liability as notified to it by OTC Clear within two OTC Clear Business Days following receipt of demand from OTC Clear. For the avoidance of doubt, in respect of any Rates and FX Contribution Determination Date falling after the occurrence of the DMP Event with respect to a Defaulting Clearing Member, such Defaulting Clearing Member will not be included for the purpose of recalculation of the Rates and FX Guarantee Fund and Rates and FX Assessments by OTC Clear on any such Rates and FX Contribution Determination Date, notwithstanding the fact that the Membership Termination Date of such Defaulting Clearing Member may fall on or after any such Rates and FX Contribution Determination Date.

1510. Notwithstanding the operation of Clearing Rule 1508, if OTC Clear determines that:

- (1) the Daily GF Value with respect to a Clearing Member on any two consecutive OTC Clear Clearing Days during the period between two Rates and FX Contribution Determination Dates exceeds the Daily GF Value determined on the earlier of the two Rates and FX Contribution Determination Dates by 15% or more and such Daily GF Value exceeds the Rates and FX Minimum Contribution Amount; or
- (2) the Daily GF Value with respect to a Clearing Member on any two consecutive OTC Clear Clearing Days during a Capped Liability Period exceeds the Daily GF Value determined on the Rates and FX Contribution

Determination Date immediately preceding the start of such Capped Liability Period by 15% or more and such Daily GF Value exceeds the Rates and FX Minimum Contribution Amount

(such excess, the “**Increased Risk**”),

then OTC Clear has the right to demand additional Collateral from such Clearing Member in an amount equal to the Increased Risk determined on the relevant second consecutive OTC Clear Clearing Day. The relevant Clearing Member shall provide additional Collateral to OTC Clear on the immediately following OTC Clear Business Day following receipt of OTC Clear’s notice. Any additional Collateral provided by the relevant Clearing Member pursuant to this Clearing Rule 1510 shall be treated as part of such Clearing Member’s Additional Margin. The Maximum Current Liability determined in respect of a Non-Defaulting Clearing Member during a Capped Liability Period pursuant to Clearing Rule 1513 will not be increased by virtue of the application of this Clearing Rule 1510.

1511. Following the occurrence of any DMP Event, and completion of the related Default Management Process, provided that there is no ongoing Default Management Process relating to other DMP Events taking place at the relevant time, OTC Clear will determine any reduction in the OTC Clear Contribution by the amount applied during the Default Management Process in accordance with Clearing Rule 1516. If prior to the completion of a Default Management Process, a subsequent DMP Event occurs, OTC Clear will only determine any reduction in the OTC Clear Contribution at the time where all relevant Default Management Processes have been completed. To the extent that the OTC Clear First Contribution and/or OTC Clear Second Contribution have been utilized as a result of the operation of the Default Management Process(es), OTC Clear will replenish each of the OTC Clear First Contribution and OTC Clear Second Contribution to its original value using its retained earnings, provided that OTC Clear will only replenish the OTC Clear Second Contribution if the OTC Clear First Contribution has first been replenished in full to its original value. In either case, OTC Clear shall only replenish if and to the extent that OTC Clear’s working capital after such replenishment shall not fall below the amount required for its continuous operation for the following 12 months (including but not limited to OTC Clear’s ability to meet all its other actual, contingent or anticipated future liabilities (taking into account for these purposes the obligation of OTC Clear to redeliver Collateral in respect of Margin provided in the form of cash and any Rates and FX Liability to the relevant Clearing Members)).

Changes to Calculations relating to the Rates and FX Guarantee Fund and Rates and FX Assessments

1512. Any changes to the methodology for calculating the Rates and FX Guarantee Fund and Rates and FX Assessments that result in an increase to the Rates and FX Guarantee Fund and Rates and FX Assessments of 20% or more shall be effective on the 20th OTC Clear Business Day following the date OTC Clear provides notice to Clearing Members of such change, provided that in respect of any such changes due to a change of requirement in Applicable Laws, rules, regulations or a request of a Regulatory Authority, such changes to the methodology shall be effective on the day as required by the Applicable Laws, rules or regulations, or the day specified in the relevant request of the Regulatory Authority, as applicable (in each

case, a “**GF Increase Effective Date**”). Clearing Members shall deliver any additional Collateral required on or prior to the date such change is effective. OTC Clear will not initiate a change to the calculation methodology during a Capped Liability Period unless such change is required or mandated by a change of requirement in Applicable Laws, the rules or regulations or a request of a Regulatory Authority. For the avoidance of doubt, this Clearing Rule 1512 does not apply to any increase to the Rates and FX Guarantee Fund and Rates and FX Assessments resulting from periodic recalculations and not resulting from changes to the methodology.

1513. A Clearing Member who resigns pursuant to Clearing Rule 604 as a result of the increase to the Rates and FX Guarantee Fund and Rates and FX Assessments of 20% or more but who fails to complete the Non-Default Unwind in respect of all of its House Business and Client Clearing Services (if any) prior to the relevant GF Increase Effective Date will be subject to the increased Rates and FX Guarantee Fund and Rates and FX Assessments with effect from (and including) the relevant GF Increase Effective Date, provided that such increased requirement will only apply in respect of the Contracts then registered in the name of such Clearing Member (excluding those which the Clearing Member has successfully unwound as part of its Non-Default Unwind prior to the GF Increase Effective Date).

For the avoidance of doubt, the Maximum Current Liability determined in respect of a Non-Defaulting Clearing Member during a Capped Liability Period will not be increased by virtue of the application of Clearing Rule 1512 and this Clearing Rule 1513.

OTC Clear Use of the Rates and FX Guarantee Resources

1514. Amounts standing to the credit of the Rates and FX Guarantee Resources may only be applied in accordance with Clearing Rule 1516 following the occurrence of a DMP Event or in the following limited circumstances:

- (1) to satisfy any amount due to OTC Clear by the Defaulting Clearing Member as a result of the occurrence of a DMP Event (including but not limited to Margin, amounts due pursuant to Contract Terms, fees, dues, assessments, fines and any costs and expenses of recovery against the Defaulting Clearing Member); or
- (2) for the purposes described in Clearing Rules 1520 and 1521.

Reduction of Losses on a DMP Event and Application of the Rates and FX Guarantee Resources

1515. The total losses suffered by OTC Clear as a result of the occurrence of a DMP Event relating to a Defaulting Clearing Member (the “**Rates and FX Loss**”) are:

- (1) all Auction Losses relating to each Auction Portfolio constructed as a result of such DMP Event;
- (2) any other general losses suffered by OTC Clear as a result of such DMP Event which is not attributable to a specific Auction Portfolio (the “**General Losses**”), including but not limited to any costs involved in entering into Hedging instruments pursuant to Rule 1803 which do not form part of the Auction Portfolio, porting Affected Contracts registered in the name of such Defaulting Clearing Member to the Replacement Clearing Member, the

losses or costs incurred by OTC Clear in liquidating any non-cash Collateral, for purchasing equivalent assets for the redelivery of the Rates and FX Contribution Balance to a Clearing Member to the extent utilised pursuant to Clearing Rule 1516, for currency conversion, or as a result of payment of any interest on liquidity facilities, in each case, with respect to the Default Management Process relating to such DMP Event; and

- (3) Unpaid Amounts due from such Defaulting Clearing Member to OTC Clear, excluding, for the avoidance of doubt, losses in respect of Contracts relating to Porting Clients.

1516. OTC Clear shall be entitled to apply its resources, in any manner or order including for the avoidance of doubt in an order which is different from the order described hereunder, for satisfaction of the Rates and FX Loss during a Default Management Process invoked as a result of the occurrence of a DMP Event with respect to a Defaulting Clearing Member, provided that upon completion of the Auction of all Auction Portfolios relating to such DMP Event, it shall perform the loss allocation process set out below:

- (1) OTC Clear shall first determine the General Losses suffered by it as a result of the DMP Event and the extent to which there are any Unpaid Amounts due from such Defaulting Clearing Member to OTC Clear in respect of Contracts recorded in such Defaulting Clearing Member's House Position Account, and reduce or bear such General Losses and Unpaid Amounts by application of the following resources in descending order as follows:
 - (a) first, the aggregate of (i) all Auction Payments (if any) received by OTC Clear with respect to one or more House Auction Portfolios constructed as a result of such DMP Event, (ii) any Unpaid Amounts due from OTC Clear to such Defaulting Clearing Member in respect of Contracts recorded in such Defaulting Clearing Member's House Position Account, (iii) the Unsettled VM Amount in respect of the Auction Contracts comprised in House Auction Portfolio(s) (to the extent that such Unsettled VM Amount is payable by OTC Clear to the relevant Defaulting Clearing Member) (if any) and (iv) the Margin Balance recorded to the House Collateral Account, any income and redemption proceeds on any non-cash Collateral recorded to the House Collateral Account and any proceeds of realization of any such non-cash Collateral that have not already been paid to or withdrawn by the Defaulting Clearing Member;
 - (b) second, the Rates and FX Contribution Balance of the Defaulting Clearing Member (by application in the manner set out in Clearing Rule 1548);
 - (c) third, the OTC Clear First Contribution;
 - (d) fourth, the aggregate value of the Rates and FX Contribution Balance in respect of the CM Funded Contribution Amount of each Non-Defaulting Clearing Member (by application in the manner set out in Clearing Rule 1517);
 - (e) fifth, the OTC Clear Second Contribution; and

- (f) sixth, the aggregate value of the Rates and FX Contribution Balance in respect of the CM Unfunded Contribution Amount of each Non-Defaulting Clearing Member (by application in the manner set out in Clearing Rule 1517);
- (2) To the extent that there are any Unpaid Amounts due from such Defaulting Clearing Member to OTC Clear in respect of Contracts recorded in such Defaulting Clearing Member's Client Position Account(s), OTC Clear shall reduce or bear each such Unpaid Amounts by application of the following resources in descending order as follows. In respect of such Unpaid Amounts due in respect of a Client Position Account:
- (a) first, the aggregate of (i) all Auction Payments (if any) received by OTC Clear with respect to one or more Client Auction Portfolios constructed as a result of such DMP Event which relate to such Client Position Account, (ii) any Unpaid Amounts due from OTC Clear to such Defaulting Clearing Member in respect of Contracts recorded in such Client Position Account, (iii) the Unsettled VM Amount in respect of the Auction Contracts comprised in Client Auction Portfolio(s) which relate to Contracts recorded in such Client Position Account (to the extent that such net amount is payable by OTC Clear to the relevant Defaulting Clearing Member) (if any), (iv) the Margin Balance recorded to the Client Collateral Account attributed to such Client Position Account, (v) any income and redemption proceeds on any non-cash Collateral recorded to the Client Collateral Account attributed to such Client Position Account and any proceeds of realization of any such non-cash Collateral that have not already been paid to or withdrawn by the Defaulting Clearing Member;
 - (b) second, the Rates and FX Contribution Balance of the Defaulting Clearing Member (by application in the manner set out in Clearing Rule 1548);
 - (c) third, the OTC Clear First Contribution;
 - (d) fourth, the aggregate value of the Rates and FX Contribution Balance in respect of the CM Funded Contribution Amount of each Non-Defaulting Clearing Member (by application in the manner set out in Clearing Rule 1517);
 - (e) fifth, the OTC Clear Second Contribution; and
 - (f) sixth, the aggregate value of the Rates and FX Contribution Balance in respect of the CM Unfunded Contribution Amount of each Non-Defaulting Clearing Member (by application in the manner set out in Clearing Rule 1517);
- (3) for the purposes of sub-paragraph (2)(a) above, the amount of Auction Payments in the form of risk concessions that shall be treated as "relating to" a Client Position Account shall be an amount equal to the product of:
- (A) with respect to an Auction Portfolio, the hypothetical Initial Margin with respect to the Contracts of that Client Position Account

comprised in the relevant Auction Portfolio (calculated on a portfolio margining basis assuming that such Contracts were booked into a single separate hypothetical Client Position Account) divided by the aggregate of the hypothetical Initial Margin of all Client Position Accounts comprised in such Auction Portfolio (where such Auction Portfolio comprises Contracts originally booked to more than one Client Position Account, but the entire Client Position Account is not comprised in such Auction Portfolio, the hypothetical Initial Margin for each such partial Client Position Account shall be calculated on a portfolio margining basis disregarding the fact that such Client Position Account is not whole; for the avoidance of doubt, where such Auction Portfolio comprises Contracts originally booked to more than one Client Position Account and each entire Client Position Account is comprised in such Auction Portfolio, the Initial Margin of such Client Position Accounts shall be aggregated), in each case, such Initial Margin being calculated during the Portfolio Novation Cycle immediately preceding the occurrence of the relevant DMP Event; and

(B) the amount of Auction Payments in the form of risk concessions relating to the relevant Auction Portfolio referred to in sub-paragraph (3)(A) above; and

(4) upon completion of the process described in sub-paragraphs (1) and (2) above, OTC Clear shall determine the Auction Losses with respect to each Auction Portfolio constructed as a result of the DMP Event, and shall reduce or bear such losses in accordance with Clearing Rules 1914 to 1916, and

with respect to each DMP Event, the aggregate value of the resources described in sub-paragraphs (1)(a) to (1)(f) and (2)(a) to (2)(f) above is the “**Total Available Resources**” with respect to such DMP Event. The Total Available Resources, together with any Gainer VM Flow Adjustment and/or Voluntary Recap Amount received by OTC Clear pursuant to Clearing Rules 1524(2) and 1542, respectively, shall be the sole source of funds for satisfaction of the Rates and FX Loss arising out of the relevant DMP Event.

1517. OTC Clear will satisfy its claim under the indemnities given by each Non-Defaulting Clearing Member pursuant to Clearing Rule 1316(2) in respect of the Rates and FX Loss, by setting off the amount of loss calculated under Clearing Rules 1516(1)(d), 1516(1)(f), 1516(2)(d), 1516(2)(f), 1913A(4), 1913A(6), 1913B(4) and 1913B(6) against OTC Clear’s obligation to pay the amount specified in Clearing Rule 1549.

1518. OTC Clear will notify the affected Clearing Members of any amounts applied pursuant to Clearing Rule 1516 and, where applicable, notify Clearing Members of any obligations to deliver additional Collateral in respect of their respective Rates and FX Liability pursuant to Clearing Rule 1509.

Accounts of Rates and FX Guarantee Resources

1519. OTC Clear shall maintain a separate record of all amounts of the Rates and FX Guarantee Resources from time to time, clearly identifying the amount and type(s) of Collateral provided by each Clearing Member in respect of their respective Rates

and FX Liability in the relevant GF Account. In addition, OTC Clear shall maintain a separate account in respect of all the Rates and FX Contribution made (and not reinvested by OTC Clear under Clearing Rule 1520) or required to be made by each Clearing Member to the Rates and FX Guarantee Resources. OTC Clear undertakes to all Clearing Members from time to time to maintain amounts equal to the OTC Clear Contribution in a separate account from its other assets and to use such amounts only for the purposes of investment under Clearing Rule 1520, or meeting shortfalls arising directly or indirectly from Events of Default or a Rates and FX Clearing Termination Event in accordance with this Chapter 15. Simultaneously, with the annual audit of its accounts, OTC Clear shall request its auditors to prepare a report on the Rates and FX Guarantee Resources for circulation to the SFC and, upon request, to Clearing Members.

1520. OTC Clear has the power to invest any cash amount contributed to the Rates and FX Guarantee Resources in accordance with its investment policy. OTC Clear may perform any such investment itself as it sees fit, or it may engage an independent third party to perform such investment. OTC Clear's power to invest any cash amount contributed to the Rates and FX Guarantee Resources shall be suspended in case of occurrence of an OTC Clear Failure to Pay Event or OTC Clear Insolvency Event. OTC Clear may not exercise its power of investment under this Clearing Rule 1520 in respect of any non-cash asset contributed to the Rates and FX Guarantee Resources, provided that in the case of any DMP Event, OTC Clear may sell, liquidate, transfer or create any security or other third party right or interest in or over any non-cash asset contributed to the Rates and FX Guarantee Resources for the purpose of ensuring that OTC Clear shall in its determination have sufficient liquid resources available to meet its payment obligations in a timely manner as they fall due. For the avoidance of doubt, notwithstanding any such sale, liquidation, transfer or creation of right or interest, OTC Clear shall remain liable to redeliver Rates and FX Contribution in equivalent form and currency to the relevant Clearing Member at the time and to the extent required under Clearing Rules 1546 and 1547.
1521. OTC Clear may apply any amounts contributed to the Rates and FX Guarantee Resources which are in the opinion of OTC Clear surplus to the Rates and FX Guarantee Fund (the reference to "surplus" in the immediately preceding sentence shall mean any gains arising out of the investment of the Rates and FX Guarantee Fund) in such manner as OTC Clear thinks fit. OTC Clear may appropriate such monies out of the Rates and FX Guarantee Resources temporarily or permanently for the following purposes including, but not limited to:
- (1) payment of any amount representing interest or money obligations as may be determined from time to time by OTC Clear in respect of Rates and FX Contribution; and
 - (2) payment for costs and expenses incurred in establishing, maintaining, managing, administering and terminating any arrangements such as bank facilities and policies of insurance as OTC Clear may from time to time consider appropriate for the purpose of providing additional resources to the Rates and FX Guarantee Fund.

Recoveries

1522. If any amount paid out of the Rates and FX Guarantee Fund pursuant to Clearing Rule 1516 is subsequently recovered by OTC Clear, OTC Clear may use such amount (less any costs and expenses of recovery) to refund the relevant Clearing Members or itself in the reverse order of application under Clearing Rule 1516.

Loss Distribution Process

1523. On each OTC Clear Clearing Day during the Loss Distribution Period, OTC Clear will determine whether the Rates and FX Loss resulting from a DMP Event will exceed the Total Available Resources relating to such DMP Event. If it does, then OTC Clear will consult with the SFC and will either invoke the “**Loss Distribution Process**” set out in this Clearing Rule 1523 to Clearing Rule 1528 or invoke the limited recourse wind down with respect to OTC Clear as set out in Clearing Rules 1529 to 1539.

1524. If the Loss Distribution Process applies, then on each OTC Clear Clearing Day during the Loss Distribution Period:

- (1) OTC Clear will determine whether a Position Account registered in the name of a Non-Defaulting Clearing Member is a Position Account Gainer or a Position Account Loser;
- (2) if the Position Account registered in the name of a Non-Defaulting Clearing Member is a Position Account Gainer, and the Gainer VM Flow Adjustment calculated for a Currency Payment in respect of that Position Account for that OTC Clear Clearing Day is a positive number, the relevant Non-Defaulting Clearing Member shall pay an amount equal to such Gainer VM Flow Adjustment to OTC Clear. If the Position Account registered in the name of a Non-Defaulting Clearing Member is a Position Account Gainer and the Gainer VM Flow Adjustment calculated for a Currency Payment in respect of that Position Account for that OTC Clear Clearing Day is a negative number, OTC Clear shall pay to the relevant Non-Defaulting Clearing Member an amount equal to the absolute value of such Gainer VM Flow Adjustment; and
- (3) if the Position Account registered in the name of a Non-Defaulting Clearing Member is a Position Account Loser, OTC Clear shall pay to the relevant Non-Defaulting Clearing Member an amount equal to the absolute value of such negative Loser VM Flow Adjustment calculated for a Currency Payment in respect of that Position Account for that OTC Clear Clearing Day.

For the purpose of the calculations and adjustments conducted under the Loss Distribution Process, each Position Account of a Non-Defaulting Clearing Member will be treated separately.

If an OTC Clear Clearing Day is not a Currency Day for a Currency Payment, OTC Clear will perform the calculations and adjustment required under the Loss Distribution Process on such OTC Clear Clearing Day, but payment of the relevant Currency Payment, as adjusted by the Gainer VM Flow Adjustment or Loser VM Flow Adjustment, as the case may be, will be deferred to the immediately following Currency Day for such Currency Payment.

1525. On each OTC Clear Clearing Day during the Loss Distribution Period, OTC Clear will apply the Latest Exchange Rate determined on the relevant OTC Clear Clearing Day in making the calculations required to be made under the Loss Distribution Process, including components which relate to payments made, or falling due, on previous days.
1526. On each Loss Distribution Day, OTC Clear shall apply set-off with respect to any payment or receipt of any VM Flow Adjustment on such day against any payments denominated in the same currency as such VM Flow Adjustment payable to, or receivable from, the relevant Clearing Member.
1527. Without prejudice to the operation of Clearing Rule 1531, in the absence of manifest error, any VM Flow Adjustment determined by OTC Clear shall be final and conclusive. Any application of a Gainer VM Flow Adjustment resulting in a reduction of Currency Payment by OTC Clear to a Non-Defaulting Clearing Member shall not constitute a failure to pay by OTC Clear.
1528. Subsequent to the completion of the Loss Distribution Process by OTC Clear, if OTC Clear receives any amounts from the Defaulting Clearing Member, or any other amounts howsoever obtained or recovered during the Default Management Process relating to the Defaulting Clearing Member, OTC Clear shall reimburse the Non-Defaulting Clearing Members (regardless of whether the relevant Non-Defaulting Clearing Member remains a Clearing Member at the time of recovery) on a pro-rata basis by reference to the resources which have been applied pursuant to Clearing Rule 1516 after deducting any costs or expenses incurred by OTC Clear during the process of such recovery.

For the avoidance of doubt, nothing in this Clearing Rule 1528 shall oblige OTC Clear to pursue any action to recover the amounts contemplated above.

Rates and FX Clearing Service Limited Recourse

1529. The Total Available Resources, together with any Gainer VM Flow Adjustment and/or Voluntary Recap Amount received by OTC Clear pursuant to Clearing Rules 1524(2) and 1542, respectively, shall be the sole source of funds available to cover any Rates and FX Loss arising from a DMP Event. In the event OTC Clear determines that utilization of such resources in their entirety will be insufficient to cover payments due to one or more Clearing Members arising out of such DMP Event, all Contracts will be closed-out in accordance with the procedures set out in Clearing Rules 1530 to 1540 without any further recourse to the capital or any other assets of OTC Clear. As from the occurrence of a Rates and FX Clearing Termination Event, neither OTC Clear nor any Clearing Member shall be required to pay any further amount in respect of any Contract, and any right to receive any further amount in respect of any Contract shall be satisfied by settlement (by payment, set-off or otherwise) of the Limited Recourse Final CM Payable or the Limited Recourse Applicable Percentage of the Limited Recourse CM Receivable payable relating to the Position Account to which such Contract is registered under Clearing Rule 1538. Neither the Clearing Members nor their respective Clients shall have any recourse to any other funds or any other entity, including without limitation any Affiliate or recognized exchange controller which is the controller of OTC Clear once the Total Available Resources, together with any Gainer VM Flow Adjustment and/or Voluntary Recap Amount received by OTC Clear, have been exhausted. In

particular, no Clearing Members or Clients shall be entitled to institute steps for the winding-up of, or the appointment of a receiver to, OTC Clear.

Winding Down of the Rates and FX Clearing Services

1530. If OTC Clear determines at any stage that:

- (1)
 - (a) the Rates and FX Loss(es) resulting from one or more DMP Events occurring within the same Capped Liability Period will exceed the Total Available Resources with respect to all such DMP Events and decides not to issue a Voluntary Recap Request Notice pursuant to Clearing Rule 1541;
 - (b) notwithstanding a Voluntary Recap Request Notice has been issued pursuant to Clearing Rule 1541, it has not received any Voluntary Recap Amount within the period set out therein; or
 - (c) the Rates and FX Loss(es) exceed the Voluntary Recap Amount received by OTC Clear; or
- (2) OTC Clear has determined to withdraw the Rates and FX Clearing Services, including without limitation the circumstance contemplated by Clearing Rules 1320(2) and 1321(2) but excluding any temporary suspension of the Rates and FX Clearing Services in accordance with Clearing Rule 210(5),

then a **"Rates and FX Clearing Termination Event"** shall occur and OTC Clear shall notify all Clearing Members of the occurrence of such Rates and FX Clearing Termination Event, and the Rates and FX Clearing Service will be wound down in accordance with Clearing Rules 1531 to 1540. For the avoidance of doubt, a declaration of a Rates and FX Clearing Termination Event shall be irrevocable.

1531. Upon the occurrence of a Rates and FX Clearing Termination Event, with respect to each Clearing Member, all obligations of OTC Clear and such Clearing Member in respect of any Contract between them shall cease to exist and be replaced with the obligation to pay the termination amounts determined under Clearing Rules 1531 to 1540. The close-out value for each Contract shall be determined in accordance with section 10.1(i) of the Clearing Procedures, provided that OTC Clear may also take into account any unpaid amounts that have become due and payable in respect of any Contract on or prior to the occurrence of the Rates and FX Clearing Termination Event, including without limitation, any Gainer VM Flow Adjustment made during the Loss Distribution Period to which the Rates and FX Clearing Termination Event relates.

1532. Following the declaration of a Rates and FX Clearing Termination Event, any unused Margin Balance then held by OTC Clear in respect of one or more Clearing Members and any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by the Clearing Member(s) shall be returned to the relevant Clearing Members in accordance with Clearing Rule 1536; and any unused Rates and FX Contribution Balance then held by OTC Clear in respect of one or more Clearing Members or Former Clearing Members shall be returned to the relevant Clearing Members or Former Clearing Members in accordance with Clearing Rule 1538(4).

1533. As soon as reasonably practicable following a Rates and FX Clearing Termination Event, OTC Clear shall calculate a net sum payable by or to each Clearing Member separately in relation to each Position Account registered in the name of such Clearing Member. In determining such net sum, OTC Clear will take into account the close-out values established for each Contract pursuant to Clearing Rule 1531, and the value of all other amounts which is due to OTC Clear from the Clearing Member under these Clearing Rules, or which is due to the Clearing Member from OTC Clear (other than OTC Clear's obligation to return (i) any unused Margin Balance, (ii) any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by the relevant Clearing Member or Former Clearing Member and/or (iii) Rates and FX Contribution Balance to the relevant Clearing Member or Former Clearing Member), in each case, whether future, liquidated or unliquidated, actual or contingent. There shall be no combining or set-off between any House Position Account and Client Position Account(s), or between two or more Client Position Accounts. OTC Clear will determine any such net sum payable by, or to, a Clearing Member in the Base Currency. For the purpose of the determination under this Clearing Rule 1533, OTC Clear may convert any amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as it shall reasonably select.
1534. If, pursuant to Clearing Rule 1533, a net sum is determined to be payable by a Clearing Member to OTC Clear with respect to one or more of its Position Accounts, OTC Clear shall reduce each such sum by application of the Outright Transfer Margin Balance, if any, relating to the relevant Position Account. With respect to each Clearing Member and each of its Position Account(s), after application of the Outright Transfer Margin Balance relating to the relevant Position Account:
- (1) if there remains a balance payable by the Clearing Member to OTC Clear for such Position Account (the "**Remaining Balance**"), OTC Clear will, as soon as reasonably practicable, notify the relevant Clearing Member of the Remaining Balance, and the relevant Clearing Member shall pay OTC Clear the Remaining Balance within two OTC Clear Business Days following receipt of such notification; and
 - (2) if the Clearing Member fails to pay the Remaining Balance within the time frame set out in sub-paragraph (1) above, OTC Clear may declare an Event of Default in respect of such Clearing Member. OTC Clear may, in satisfaction of any due but unpaid Remaining Balance in respect of a Position Account, apply the proceeds of enforcement of any non-cash Collateral comprising the Margin Balance of the corresponding Collateral Account and any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by such Clearing Member, and if any of the Remaining Balance remains unsatisfied following such application, the unsatisfied amount shall form part of the Limited Recourse Interim CM Payable with respect to the relevant Position Account.
1535. If, pursuant to Clearing Rule 1533, a net sum is determined to be payable by OTC Clear to a Clearing Member with respect to one or more of its Position Accounts, each such sum shall form part of the Limited Recourse CM Receivable with respect to the relevant Position Account.

1536. With respect to each Clearing Member and each of its Position Account(s), taking into account (if applicable) the operation of Clearing Rule 1534:
- (1) any unused Outright Transfer Margin Balance and, if applicable, any remaining proceeds of enforcement of non-cash Collateral further to the application of Clearing Rule 1534(2) for such Position Account shall be returned to the Clearing Member; and
 - (2) any non-cash Collateral provided to OTC Clear on a security interest basis and comprising the Margin Balance of the Collateral Account corresponding to such Position Account and any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by the Clearing Member shall be redelivered to the Clearing Member in accordance with the relevant security document.
1537. Following the completion of the processes described in Clearing Rules 1534 to 1536:
- (1) OTC Clear shall, with respect to each Position Account (without regard to its obligation to return any unused Rates and FX Contribution Balance to the relevant Clearing Member or Former Clearing Member), determine the resulting net sum payable by a Clearing Member to OTC Clear for such Position Account (such sum, a "**Limited Recourse Interim CM Payable**"), or the resulting net sum payable by OTC Clear to a Clearing Member for such Position Account (such sum, a "**Limited Recourse CM Receivable**");
 - (2) OTC Clear shall notify the relevant Clearing Member of its Limited Recourse Interim CM Payable(s) or Limited Recourse CM Receivable(s). Each Clearing Member that receives a notice to pay any Limited Recourse Interim CM Payable shall pay each such amount to OTC Clear in full within two OTC Clear Business Days following receipt of such notification;
 - (3) if a Clearing Member fails to pay any Limited Recourse Interim CM Payable in full within the time frame set out in sub-paragraph (2) above, regardless of whether such Limited Recourse Interim CM Payable arises out of a House Position Account or Client Position Account belonging to such Clearing Member, OTC Clear will apply any unused Rates and FX Contribution Balance then held by OTC Clear in respect of such Clearing Member against the unpaid Limited Recourse Interim CM Payable;
 - (4) with respect to a Clearing Member and each of its Position Account(s) with a Limited Recourse Interim CM Payable, following the application of any unused Rates and FX Contribution Balance as described in sub-paragraph (3) above, OTC Clear shall determine the final net sum payable by the Clearing Member, if any (each a "**Limited Recourse Final CM Payable**") with respect to such Position Account, and notify such Clearing Member of the same. Each Clearing Member that receives a notice to pay any Limited Recourse Final CM Payable shall pay each such amount to OTC Clear in full at or prior to the time specified by OTC Clear; and
 - (5) for the avoidance of doubt, a Clearing Member may have a Limited Recourse Interim CM Payable or Limited Recourse Final CM Payable in respect of one Position Account registered in its name, but a Limited

Recourse CM Receivable in respect of another Position Account registered in its name.

1538. With respect to each Clearing Member who has a Limited Recourse CM Receivable (and, for the avoidance of doubt, subject to Rule 1539), and each Clearing Member or Former Clearing Member with any unused Rates and FX Contribution Balance (taking into account the operation of Clearing Rule 1537(3)), OTC Clear shall pay each such Clearing Member or Former Clearing Member in proportion to the value of their respective claims on OTC Clear under Clearing Rule 1537 in the following manner:

- (1) OTC Clear shall, until the time specified in Clearing Rule 1540, take reasonable steps to recover any unpaid Limited Recourse Final CM Payables, and may deduct from such amounts any reasonable costs in connection with such recovery;
- (2) following receipt of all or some (if any Clearing Member defaults in its payment of the relevant Limited Recourse Final CM Payable) Limited Recourse Final CM Payables, OTC Clear will calculate a percentage ("**Limited Recourse Applicable Percentage**") equal to the lesser of:
 - (a) 100%; and
 - (b)
 - (A) the aggregate value of (I) the Rates and FX Guarantee Resources then held by OTC Clear, (II) any Margin Balance and any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by the Clearing Members or Former Clearing Members applied pursuant to Clearing Rules 1533 and/or 1534(2) and (III) all Remaining Balance, Limited Recourse Interim CM Payables and/or Limited Recourse Final CM Payables received by OTC Clear; divided by
 - (B) the aggregate value representing the sum of (I) all Limited Recourse CM Receivables and (II) any unused Rates and FX Contribution Balance then held by OTC Clear in respect of all Clearing Members or Former Clearing Members (taking into account the operation of Clearing Rule 1537(3));
- (3) subject to Clearing Rule 1539, OTC Clear shall pay each Clearing Member with a Limited Recourse CM Receivable an amount equal to the Limited Recourse Applicable Percentage of such Limited Recourse CM Receivable;
- (4) OTC Clear shall pay each Clearing Member or Former Clearing Member with unused Rates and FX Contribution Balance an amount equal to the Limited Recourse Applicable Percentage of such unused Rates and FX Contribution Balance, provided that the aggregate sum payable by OTC Clear in respect of unused Rates and FX Contribution Balance for all Clearing Member(s) and Former Clearing Member(s) shall never exceed the value of the Rates and FX Guarantee Resources then held by OTC Clear. Once the Rates and FX Guarantee Resources have been exhausted, the unpaid balance of any unused Rates and FX Contribution Balance shall be extinguished; and

- (5) all payments made under this Clearing Rule 1538 shall be made in the Base Currency provided that if OTC Clear does not have sufficient Base Currency to satisfy such payment, it may satisfy such payment obligation in any other Eligible Currency.
1539. Where a Limited Recourse CM Receivable relates to a Client Position Account of one or more Non-Porting Clients of a Defaulting Clearing Member, and subject to entering into relevant documentation between OTC Clear and the relevant Non-Porting Client(s) (which may, without limitation, include an indemnity (secured or otherwise) to OTC Clear in respect of any loss or liability arising from the legal invalidity of any payment of the relevant Limited Recourse CM Receivable to the Client(s)), OTC Clear shall pay any amount payable by it under Clearing Rule 1538(3) in relation to such Limited Recourse CM Receivable directly to the relevant Non-Porting Client(s) as Client Entitlement in accordance with Clearing Rules 1308A and 1309. For the purpose of this Clearing Rule 1539, OTC Clear may take into account any Non-Porting Client's interest in any Collateral or proceeds thereof pursuant to Clearing Rules 1308A and 1309 and, if applicable, the relevant Security Assignment Deed, and the operations of section 56(1) of the SFO shall be modified by this Clearing Rule 1539, as permitted under section 56(2) of the SFO.
1540. If OTC Clear determines that no further amounts in respect of any Limited Recourse Final CM Payables are likely to be recovered and notifies the same to the relevant Clearing Member(s) and Former Clearing Member(s), then the unpaid balance of any Limited Recourse CM Receivable and/or unused Rates and FX Contribution Balance shall thereafter be extinguished and the relevant Clearing Member(s) and Former Clearing Member(s) shall have no further recourse to OTC Clear (its Affiliates, a recognized exchange controller which is the controller of OTC Clear, or any of their respective Representatives) in respect thereof.

Voluntary Recapitalisation

1541. If OTC Clear determines at any stage that the Rates and FX Loss resulting from a DMP Event will exceed the Total Available Resources relating to such DMP Event determined under Clearing Rule 1516, it has absolute discretion in determining whether to declare a Rates and FX Clearing Termination Event or to issue a written notice (the “**Voluntary Recap Request Notice**”) requesting each Non-Defaulting Clearing Member to make a payment of funds (each a “**Voluntary Recap Amount**”) to OTC Clear.
1542. Upon receipt of the Voluntary Recap Request Notice, each Non-Defaulting Clearing Member may, but is not obliged to, provide its Voluntary Recap Amount to OTC Clear within one OTC Clear Business Day following receipt of the Voluntary Recap Request Notice. Any Voluntary Recap Amount made by a Non-Defaulting Clearing Member to OTC Clear may not be withdrawn.
1543. Any Voluntary Recap Amount received by OTC Clear from a Non-Defaulting Clearing Member shall form part of the Rates and FX Contribution Balance relating to such Non-Defaulting Clearing Member, and the usage of the same will be subject to Clearing Rule 1514.

Multiple DMP Events

1544. In respect of one or more DMP Event(s) occurring within a Capped Liability Period, the maximum current liability of a Non-Defaulting Clearing Member to contribute to the Rates and FX Guarantee Resources in respect of such Capped Liability Period shall be capped at the aggregate of the CM Funded Contribution Amount and the CM Unfunded Contribution

Amount allocated to such Non-Defaulting Clearing Member on the immediately preceding Rates and FX Contribution Determination Date falling prior to the start of such Capped Liability Period (the “**Maximum Current Liability**”).

1545. In the event of multiple DMP Events occurring within a Capped Liability Period, then:

- (1) the loss allocation process described in Clearing Rule 1516 will only commence upon completion of the Default Management Processes with respect to all such DMP Events;
- (2) multiple Default Management Processes will be invoked as a result of multiple DMP Events occurring within the same Capped Liability Period. Notwithstanding the immediately foregoing, however, “Total Available Resources” and “Rates and FX Losses” shall be construed to mean the aggregate sum of the Total Available Resources and Rates and FX Losses relating to each such DMP Event, and OTC Clear will consolidate any Loss Distribution Process described in Clearing Rules 1523 to 1528 invoked during such Capped Liability Period into one single process, and will only issue one Voluntary Recap Request Notice during such Capped Liability Period; and
- (3) with respect to any Clearing Member who has delivered its Rates and FX Contribution during such Capped Liability Period and who subsequently becomes a Defaulting Clearing Member within the same Capped Liability Period, the entirety of its Rates and FX Contribution Balance shall be applied and utilized in accordance with Clearing Rules 1516(1)(b) and 1516(2)(b), notwithstanding that at the time of provision of such CM Funded Contribution Amount and/or CM Unfunded Contribution Amount, no DMP Event has yet occurred with respect to the relevant Clearing Member.

Terms of Redelivery or Repayment of Rates and FX Contribution

1546. Subject to Clearing Rules 1324, 1530 to 1540, 1548 and 1549, if a Clearing Member’s Rates and FX Contribution Balance exceeds its then current Rates and FX Liability, it may request OTC Clear to redeliver Collateral in equivalent form and currency as any Collateral it has delivered to OTC Clear as CM Funded Contribution Amount and/or CM Unfunded Contribution Amount in a value not exceeding the Rates and FX Contribution Excess. A Clearing Member shall specify the exact form and currency of the relevant Collateral requested to be redelivered. Following receipt of such request, OTC Clear shall redeliver Collateral in respect of such Rates and FX Contribution Excess in equivalent form and currency as requested in an amount not exceeding the Rates and FX Contribution Excess, provided that:

- (1) if and only to the extent that any Rates and FX Losses are allocated to such Clearing Member in accordance with Clearing Rules 1516 and 1914, then OTC Clear’s obligation to redeliver Collateral in equivalent form and currency shall be converted into an obligation to pay an amount equal to the value of the Rates and FX Contribution Balance as determined by OTC Clear; or
- (2) in the event that OTC Clear is unable to obtain Collateral in equivalent form and currency for such redelivery, including but not limited to the case where the relevant Rates and FX Contribution is of a type or currency that is the subject of foreign exchange or other settlement risk or disruption, as determined by OTC Clear, at the time such redelivery is due, then OTC Clear may deliver Collateral in other forms or currency determined by OTC Clear.

OTC Clear may apply set-off with respect to any Collateral to be redelivered to a Clearing Member against any obligation such Clearing Member owes to OTC Clear, and OTC Clear may withhold any Collateral to be redelivered to a Clearing Member if such Clearing Member is not in compliance with any of these Clearing Rules.

1547. Subject to Clearing Rules 1306, 1306A, 1306B, 1306C, 1307, 1324, 1548 and 1549, OTC Clear will redeliver to a Former Clearing Member Collateral, in equivalent form and currency to the Rates and FX Contribution recorded on the relevant GF Account of such Clearing Member, 21 calendar days after its Membership Termination Date, provided that OTC Clear is satisfied that such Former Clearing Member has no outstanding liability or sums owing to OTC Clear (including pursuant to Clearing Rules 606 and 609), and OTC Clear's obligation to redeliver any such Collateral (whether in the form of cash or non-cash) will be subject to the relevant custodian being able to process any such withdrawal or release request at the relevant time, provided further that OTC Clear may deliver such Collateral in other forms or currency determined by OTC Clear:

- (1) if and only to the extent that any Rates and FX Losses are allocated to such Clearing Member in accordance with Clearing Rules 1516 and 1914, then OTC Clear's obligation to redeliver Collateral in equivalent form and currency shall be converted into an obligation to pay an amount equal to the value of the Rates and FX Contribution Balance as determined by OTC Clear; or
- (2) in the event that OTC Clear is unable to obtain Collateral in equivalent form and currency for such redelivery, including but not limited to the case where the relevant Rates and FX Contribution is of a type or currency that is the subject of foreign exchange or other settlement risk or disruption, as determined by OTC Clear, at the time such redelivery is due,

and provided further that OTC Clear may deduct:

- (a) any amount in respect of which it is indemnified by a Former Clearing Member pursuant to these Clearing Rules; and
- (b) an amount determined by OTC Clear to be adequate to satisfy any outstanding contingent liabilities of a Former Clearing Member.

To the extent that assets of the Rates and FX Guarantee Fund in excess of a Former Clearing Member's Rates and FX Contribution Balance are applied in discharging the rights and liabilities in respect of any Contracts to which it was party, OTC Clear may recover in full the amount so applied from that Clearing Member as a debt due to OTC Clear from it.

This Clearing Rule 1547 shall not be applicable in the occurrence of a Rates and FX Clearing Termination Event. In the event of the occurrence of a Rates and FX Clearing Termination Event, OTC Clear's obligation to return any unused Rates and FX Contribution Balance attributable to a Clearing Member shall be converted into an obligation to pay an amount in respect of such unused Rates and FX Contribution and be returned to such Clearing Member in the manner set out in Clearing Rules 1530 to 1540.

1548. Upon the occurrence of a DMP Event with respect to a Defaulting Clearing Member, OTC Clear's obligation to redeliver Collateral in equivalent form and currency shall be converted into an obligation to pay an amount equal to the value of such Defaulting Clearing Member's Rates and FX Contribution Balance as determined by OTC Clear, and such amount may be applied by OTC Clear in good faith if and only to the extent that any Rates

and FX Losses are allocated to such Defaulting Clearing Member pursuant to Clearing Rules 1516(1)(b), 1516(2)(b) and 1914(2). Any remaining Rates and FX Contribution Balance relating to such Defaulting Clearing Member shall be applied by OTC Clear in accordance with Clearing Rules 1516 and 1914 in connection with any other DMP Events occurring in the relevant Capped Liability Period. Upon OTC Clear being satisfied that such Defaulting Clearing Member has no outstanding liability or sums owing to OTC Clear, the remaining value of its Rates and FX Contribution Balance as determined by OTC Clear shall be taken into account by OTC Clear in determining the net sum payable by, or to, such Defaulting Clearing Member in accordance with Clearing Rule 1306B(2).

1549. Upon the occurrence of a DMP Event, in respect of each Non-Defaulting Clearing Member, if and only to the extent that any Rates and FX Losses are allocated to such Non-Defaulting Clearing Member in accordance with Clearing Rules 1516 and 1914, any obligation of OTC Clear to return the Rates and FX Contribution to the Non-Defaulting Clearing Member shall be converted into an obligation of OTC Clear to pay an amount in respect of its Rates and FX Contribution equal to the sum(s) allocated to such Non-Defaulting Clearing Member in accordance with Clearing Rules 1516 and 1914. Such payment shall discharge OTC Clear's obligation to pay the amount set out in Clearing Rule 1546 to the extent of the amount paid, and such Non-Defaulting Clearing Member's GF Account and Rates and FX Contribution Balance shall be adjusted by OTC Clear in good faith accordingly.

PART V
DEFAULT MANAGEMENT PROCESS

Chapter 16 Default Management Process

Default Management Process

1601. The “**Default Management Process**” means the provisions set out in this PART V of these Clearing Rules and Chapter 8 of the Clearing Procedures, or the process described therein, as applicable, which shall be carried out by OTC Clear, in consultation with, and with the assistance of, the Default Management Group. The Default Management Process shall commence:

- (1) immediately following the occurrence of an Automatic Early Termination Event or the delivery of a Notice of Default with respect to one or more Clearing Members;
- (2) at a time determined by OTC Clear in the event of the occurrence of a Force Majeure Event or Illegality with respect to one or more Clearing Members pursuant to Clearing Rule 210(4); and
- (3) at a time determined by OTC Clear in the event of the occurrence of an event described in Clearing Rule 610 with respect to one or more Clearing Members,

each of the above, a “**DMP Event**”.

1602. Upon the occurrence of a DMP Event, OTC Clear will arrange for the following to occur in the order set out below:

- (1) to convene the Default Management Group;
- (2) if applicable and to the extent reasonably practicable, to arrange for the Affected Contracts to be ported as further described in Chapter 17 of these Clearing Rules;
- (3) to create on the Special Default Account a notional portfolio the economic profile of which is equivalent to the Contracts registered in the name of the Defaulting Clearing Member (but excluding any Affected Contracts registered in the name of such Defaulting Clearing Member which have been successfully ported pursuant to Chapter 17 of these Clearing Rules);
- (4) to execute measures in order to mitigate the risks associated with the DMP Event by putting on Hedging transactions for OTC Clear’s own account in accordance with the Hedging strategy proposed by the Default Management Group and approved by OTC Clear, as further described in Chapter 18 of these Clearing Rules; and
- (5) to complete the Auction process as further described in Chapter 19 of these Clearing Rules.

The provisions set out in Chapter 17, Chapter 18 and Chapter 19 of these Clearing Rules are implemented pursuant to Clearing Rule 1601 upon the occurrence of a DMP Event.

1603. Each Clearing Member must participate in the Default Management Process to the extent specified in the Clearing Rules, and take all steps and execute all documents necessary or desirable in relation thereto, including but not limited to executing relevant agreement(s) each in a form prescribed by OTC Clear for the purpose of execution of a Hedging transaction between a Non-Defaulting Clearing Member and OTC Clear.

1604. Whenever the Default Management Process is implemented by OTC Clear in respect of a Defaulting Clearing Member, OTC Clear will, with the assistance of the Default

Management Group, provide such ongoing information to the Non-Defaulting Clearing Members as OTC Clear deems reasonably appropriate in respect of the progress of the Default Management Process, provided that OTC Clear is not under any obligation to disclose information in respect of the Default Management Process which, in the reasonable opinion of OTC Clear, may be subject to obligations of confidentiality, may constitute market sensitive data or is, in OTC Clear's reasonable opinion, inappropriate for disclosure to Clearing Members.

Default Management Group

1605. The Default Management Group shall convene:
- (1) immediately following the occurrence of a DMP Event, and at sufficiently frequent intervals thereafter for a period so long as may be necessary to assist OTC Clear in the implementation of the Default Management Process relating to such DMP Event; or
 - (2) at such other time as OTC Clear may deem appropriate and/or necessary from time to time.
1606. The Default Management Group shall be made up of representatives from both OTC Clear and Clearing Members.
1607. Upon request by OTC Clear, a Defaulting Clearing Member shall provide a representative to participate in the Default Management Group.
1608. The terms of reference of the Default Management Group will be published on HKEx website. Any amendment to the terms of reference of the Default Management Group will be subject to the approval of the OTC Clear Board. OTC Clear Board will, if it deems necessary, consult with the Risk Management Committee prior to approving any such proposed amendment.

Undertaking by Clearing Members

1609. Each Clearing Member agrees, and shall procure, that:
- (1) it shall, at all times, provide representatives (each a "**DMG Delegate**") to participate in the processes described in Clearing Rules 1611 and 1612. The exact number of DMG Delegates that a Clearing Member shall provide, and the skill and expertise required from each such DMG Delegate will be notified by OTC Clear to each Clearing Member from time to time;
 - (2) if OTC Clear requests a substitute where it believes a Clearing Member's nominated representative in the Default Management Group, as appropriate, is conflicted for its role as a DMG Member, or does not have the requisite skills or expertise, it shall provide such substitute;
 - (3) its DMG Member will be fully available, at any time and for such periods of time as OTC Clear may require during the Default Management Process, to perform his function as a member of the Default Management Group including attending meetings in person or by telephone, considering and advising OTC Clear on the Default Management Process. The Clearing Member shall ensure that its DMG Member's other work commitments will not affect his availability for this purpose;
 - (4) to take all steps to respect the confidential capacity in which its DMG Member receives information through the Default Management Group and to establish

adequate procedures to prevent the disclosure or use for any purpose outside the scope of the Default Management Process of any such confidential information by it or its DMG Member. Such procedures shall normally include, without limitation, the establishment of Information Barriers within the Clearing Member; and

- (5) to be bound by and to ensure that it and any of its executives, directors or employees serving on the Default Management Group complies with the provisions set out in Chapter 20 and Chapter 21 of these Clearing Rules.

Each DMG Member, in performing its role in the Default Management Process, shall act in the best interests of OTC Clear only and each Clearing Member agrees that it shall not require its DMG Member to undertake any obligations to it which would result in that DMG Member being in breach of this duty.

Amendments to Default Management Process

1610. Notwithstanding any contrary provisions contained in these Clearing Rules, in the event that OTC Clear, after consultation with the Risk Management Committee, deems appropriate to amend the Default Management Process, OTC Clear or the Risk Management Committee may present the relevant proposed amendments to the OTC Clear Board, which shall have the power to amend the Default Management Process in accordance with Clearing Rule 201.
1611. The DMG Delegates shall:
 - (1) at least once a year, gather for the purpose of reviewing the provisions of the Default Management Process, and to the extent considered appropriate, recommend any amendment or revision to such provisions for consideration by the Risk Management Committee and the OTC Clear Board. The OTC Clear Board may, after consultation with the Risk Management Committee, approve any such proposed amendment or revision to the Default Management Process in accordance with Clearing Rule 201; and
 - (2) participate in each fire drill conducted by OTC Clear in relation to the Default Management Process. Fire drills in relation to the Default Management Process will be held at least once a year.
1612. If, during the implementation of the Default Management Process following the occurrence of a DMP Event with respect to a Clearing Member, OTC Clear, in consultation with the Default Management Group determines that it would be necessary or desirable for the efficient management of such default to deviate from, or supplement, the Default Management Process, it may, without prior notice to the Clearing Members, implement the Default Management Process in such modified manner or timetable as it sees fit, provided that OTC Clear, with the assistance of the Default Management Group shall promptly notify the Risk Management Committee of such decision. OTC Clear and the Default Management Group shall take into account interest of the investing public, the Non-Defaulting Clearing Members and OTC Clear in determining whether it is necessary or desirable to deviate from, or supplement, the Default Management Process.

Chapter 17 Porting

Porting

1701. An Affected Contract will not be subject to Hedging, and will not form part of the Auction Book, until such time as OTC Clear has determined that the Affected Contract in question will not be ported as described in this Chapter 17.
1702. In respect of each Client Position Account established by a Defaulting Clearing Member with OTC Clear, OTC Clear shall:
- (1) calculate the balance of the Client Collateral Account in respect of such Client Position Account;
 - (2) in respect of each Client Clearing Category 1 Client who has appointed a Replacement Clearing Member, in the absence of an Event of Default with respect to such Replacement Clearing Member, provide to the Replacement Clearing Member details relating to the Affected Contracts registered in the name of such Defaulting Clearing Member in respect of such Client, and the balance of the Client Collateral Account relating to each such Client; and
 - (3) in respect of all Client Clearing Category 2 Clients sharing one single Client Clearing Category 2 Position Account, provided that all such Client Clearing Category 2 Clients have appointed the same Replacement Clearing Member, provide to the Replacement Clearing Member details relating to the Affected Contracts and the balance of the related Client Clearing Category 2 Collateral Account registered in the name of the Defaulting Clearing Member.
1703. In respect of all Affected Contracts registered in the name of a Defaulting Clearing Member in respect of a Client Clearing Category 1 Position Account relating to a Client, provided that OTC Clear is reasonably satisfied that (i) the Replacement Clearing Member has been appointed prior to the occurrence of the relevant DMP Event, (ii) it has received completed Porting Instructions by 5:00pm (Hong Kong time) on the OTC Clear Clearing Day immediately following the occurrence of such DMP Event, (iii) it has further received the consent of the appointed Replacement Clearing Member to accept all such Affected Contracts by 5:00pm (Hong Kong time) on the OTC Clear Clearing Day immediately following the occurrence of such DMP Event, (iv) no DMP Event has occurred with respect to the Replacement Clearing Member at the time of purported porting, and (v) the relevant margin and credit check relevant to the purported porting is successfully passed:
- (1) OTC Clear shall terminate and close-out such Affected Contracts at their market value (as determined by OTC Clear in its discretion) and enter into new Contracts on the same terms to such Affected Contracts with the appointed Replacement Clearing Member;
 - (2) pursuant to the terms of the Client Clearing Agreement between the Defaulting Clearing Member and such Client, OTC Clear shall transfer, on account of such Client, the Client Clearing Category 1 Account Balance relating to such Client (excluding any Collateral recorded in the Client Clearing Category 1 Collateral Account relating to such Client that is subject to a Deed of Charge between the Defaulting Clearing Member and OTC Clear in respect of the Client Collateral Account(s)) to the appointed Replacement Clearing Member;
 - (3) the amount due to be returned to the Defaulting Clearing Member in respect of such Client Clearing Category 1 Position Account and related Client Clearing

Category 1 Collateral Account shall be reduced by an amount equal to the Client Clearing Category 1 Account Balance referred to in sub-paragraph (2) above; and

- (4) in respect of any Collateral recorded in the Client Clearing Category 1 Collateral Account relating to such Client that is subject to a Deed of Charge between the Defaulting Clearing Member and OTC Clear in respect of the Client Collateral Account(s), porting shall be effected as follows:
 - (a) any equities of redemption held by the Defaulting Clearing Member in respect of that Collateral shall be assigned absolutely to the Replacement Clearing Member, such that those equities of redemption become subject to the security interests granted in favour of OTC Clear pursuant to the Deed of Charge between the Replacement Clearing Member and OTC Clear; and
 - (b) OTC Clear shall release that Collateral from the security interests granted in favour of OTC Clear pursuant to the relevant Deed of Charge between the Defaulting Clearing Member and OTC Clear, such that the Replacement Clearing Member becomes entitled to redeem that Collateral pursuant to any equities of redemption assigned to it pursuant to sub-paragraph (a) above.

1704. In respect of all Affected Contracts registered in the name of a Defaulting Clearing Member in respect of a Client Clearing Category 2 Position Account, provided that OTC Clear is reasonably satisfied that (i) the Replacement Clearing Member has been appointed by all Clients identified as sharing such Client Clearing Category 2 Position Account prior to the occurrence of the relevant DMP Event, (ii) all such Clients have appointed the same Replacement Clearing Member, (iii) it has received completed Porting Instructions from all of the Clients identified as sharing such Client Clearing Category 2 Position Account by 5:00pm (Hong Kong time) on the OTC Clear Clearing Day immediately following the occurrence of such DMP Event, (iv) OTC Clear has further received the consent of the appointed Replacement Clearing Member to accept all such Affected Contracts by 5:00pm (Hong Kong time) on the OTC Clear Clearing Day immediately following the occurrence of such DMP Event, (v) no DMP Event has occurred with respect to the Replacement Clearing Member at the time of purported porting, and (vi) the relevant margin and credit check relevant to the purported porting is successfully passed:

- (1) OTC Clear shall terminate and close-out such Affected Contracts at their market value (as determined by OTC Clear in its discretion) and enter into new Contracts on the same terms to such Affected Contracts with the appointed Replacement Clearing Member;
- (2) pursuant to the terms of the Client Clearing Agreement between the Defaulting Clearing Member and each such Client, OTC Clear shall transfer, on account of all such Clients sharing the same Client Clearing Category 2 Position Account, the aggregate Client Clearing Category 2 Account Balances of such Clients (excluding any Collateral recorded in the Client Clearing Category 2 Collateral Account relating to that Client Clearing Category 2 Position Account that is subject to a Deed of Charge between the Defaulting Clearing Member and OTC Clear in respect of the Client Collateral Account(s)) to the appointed Replacement Clearing Member;

- (3) the amount due to be returned to the Defaulting Clearing Member in respect of such Client Clearing Category 2 Position Account and such Client Clearing Category 2 Collateral Account shall be reduced by an amount equal to the Client Clearing Category 2 Account Balances referred to in sub-paragraph (2) above; and
- (4) in respect of any Collateral recorded in such Client Clearing Category 2 Collateral Account that is subject to a Deed of Charge between the Defaulting Clearing Member and OTC Clear in respect of the Client Collateral Account(s), porting shall be effected as follows:
 - (a) any equities of redemption held by the Defaulting Clearing Member in respect of that Collateral shall be assigned absolutely to the Replacement Clearing Member, such that those equities of redemption become subject to the security interests granted in favour of OTC Clear pursuant to the Deed of Charge between the Replacement Clearing Member and OTC Clear; and
 - (b) OTC Clear shall release that Collateral from the security interests granted in favour of OTC Clear pursuant to the relevant Deed of Charge between the Defaulting Clearing Member and OTC Clear, such that the Replacement Clearing Member becomes entitled to redeem that Collateral pursuant to any equities of redemption assigned to it pursuant to sub-paragraph (a) above.

1704A. A Defaulting Clearing Member agrees to waive any of its rights or entitlements to object to the Affected Contracts registered in its name to be ported. In respect of each Affected Contract being ported at a Client's request and pursuant to these Clearing Rules, the Defaulting Clearing Member and the relevant Replacement Clearing Member shall cooperate with OTC Clear and the Client(s) and facilitate such porting arrangement, including closing-out each Affected Contract and re-establishing a new Contract on the same terms as the relevant Affected Contract with the relevant Replacement Clearing Member, and any associated movement of Collateral relating to such Affected Contract.

1704B. In respect of the porting of a Client's portfolio of Contracts registered with the Defaulting Clearing Member in the relevant Client Position Account from the Defaulting Clearing Member to the Replacement Clearing Member, no amounts shall be payable between and amongst the Defaulting Clearing Member, the Replacement Clearing Member and the Client solely as a result of the change in the net present value of such Contracts.

1705. OTC Clear is entitled to rely on the Porting Instructions or any other document relating thereto reasonably believed by it to be genuine, correct and appropriately authorised, and OTC Clear shall be deemed to have acted in good faith if it has conducted the porting in accordance with the Porting Instructions.

1706. It is the obligation of a Clearing Member to duly advise and inform its Clients that:

- (1) if no Replacement Clearing Member has been appointed (or, in the case of a Client Clearing Category 2 Position Account, if all of the Clients identified as sharing such Client Clearing Category 2 Position Account have not appointed the same Replacement Clearing Member or if that Replacement Clearing Member does not accept porting of all of the Clients identified as sharing such Client Clearing Category 2 Position Account), then following designation of such Clearing Member

as a Defaulting Clearing Member, any Affected Contracts registered in the name of such Clearing Member will not be ported; and

- (2) if a Replacement Clearing Member has been appointed in respect of all Affected Contracts registered in the name of such Clearing Member in respect of a Client Position Account, subsequent to such Clearing Member becoming a Defaulting Clearing Member, whilst OTC Clear will, in accordance with Clearing Rule 1703, arrange for all such Affected Contracts to be ported, whether or not such Affected Contracts will be successfully ported is dependant on whether the Replacement Clearing Member will accept the porting of all such Affected Contracts, or, in the case of a Client Clearing Category 2 Position Account, whether all of the Clients identified as sharing such Client Clearing Category 2 Position Account have appointed the same Replacement Clearing Member or whether the Replacement Clearing Member will accept porting of all of the Clients identified as sharing such Client Clearing Category 2 Position Account. OTC Clear may deem the purported porting of any Affected Contract to the relevant Replacement Clearing Member as having failed if such porting cannot be completed for any reason on or before the last Portfolio Novation Cycle on the second OTC Clear Clearing Day following the occurrence of such DMP Event. Any Affected Contract that has not been successfully ported will form part of the Auction Book.

OTC Clear shall not have any liability including, but not limited to, any civil liability, whether arising in contract, tort, defamation, equity or otherwise for any Damage suffered or incurred directly or indirectly by a Client or any other Person as a result of a failure to port an Affected Contract registered in the name of the Defaulting Clearing Member.

1707. Each of the Defaulting Clearing Member and the Replacement Clearing Member shall jointly and severally indemnify OTC Clear, its Affiliate and a recognized exchange controller which is the controller of OTC Clear and keep OTC Clear, its Affiliate and a recognized exchange controller which is the controller of OTC Clear indemnified from and against any loss, cost (including cost of enforcement), interests, liability (including any tax or other fiscal liability), claim or Damage which OTC Clear, its Affiliate and a recognized exchange controller which is the controller of OTC Clear incurred or suffered in connection with the porting of any Contract and Collateral pursuant to any porting instruction.
1708. Clients in respect of whom porting has been successfully carried out pursuant to this Chapter 17 are referred to as "**Porting Clients**"; and Clients in respect of whom porting are not, or have not been successfully, carried out pursuant to this Chapter 17 are referred to as "**Non-Porting Clients**", and "**Porting Client**" and "**Non-Porting Client**" shall be construed accordingly.
1709. Pursuant to the power of OTC Clear to make rules under section 40(2A) of the SFO, if an Affected Contract has been successfully ported to the Replacement Clearing Member pursuant to this Chapter 17, any Corresponding Client Transaction corresponding to such Affected Contract may at the option of the Client be terminated with the Defaulting Clearing Member, re-established with, transferred or novated to the Replacement Clearing Member.

Chapter 18 Hedging

Hedging

1801. Following the occurrence of the relevant DMP Event in respect of a Defaulting Clearing Member, and subsequent to the completion of porting with respect to all Affected Contracts registered in the name of the Defaulting Clearing Member, provided that the Hedging strategies presented by the Default Management Group have been approved by OTC Clear, the Default Management Group will, on behalf of OTC Clear, conduct Hedging to mitigate, to the extent commercially practicable, any risk or economic exposure which arises as a result of the occurrence of the relevant DMP Event. Notwithstanding the immediately foregoing, OTC Clear has no obligation to conduct Hedging following the occurrence of a DMP Event. Neither OTC Clear nor the Default Management Group shall owe any fiduciary duty to any Clearing Member or any other Person in approving Hedging strategies or executing any such Hedging strategy.
1802. In executing Hedging transactions as part of the Default Management Process, the Default Management Group will take into account the risks introduced by the DMP Event to OTC Clear, other Non-Defaulting Clearing Members and the investing public, and shall at all times endeavour to obtain the best prevailing price and terms available, taking into account any constraints on the time available for execution of such Hedging.
1803. All Hedging shall be undertaken by OTC Clear for its own account. In respect of any Hedging transaction executed between OTC Clear and a Non-Defaulting Clearing Member as a hedge provider pursuant to this Chapter 18 which is intended to form part of an Auction Portfolio, OTC Clear shall register such Hedging transaction as a Contract. Upon completion of the Auction process, OTC Clear shall create and register a Contract between OTC Clear and the Successful Bidder, with equal but opposite terms to the relevant Hedging transaction referred to in this Clearing Rule 1803. In addition, for Hedging of Standard Cross-currency Rates Derivatives Contracts, other Hedging instruments may be considered by OTC Clear at its discretion for liquidity management and Hedging purposes. Such Hedging instruments shall be entered into by OTC Clear for its own account and may be entered into with entities that are not Clearing Members.
1804. For the avoidance of doubt, a single Hedging transaction cannot be split into more than one Auction Portfolio. In addition, any Hedging transactions with entities that are not Clearing Members should not be included in Auction Portfolios. Any losses or costs incurred as a result of the entering into of a Hedging transaction shall be allocated as part of the Auction Losses relating to the relevant Auction Portfolio.

Chapter 19 Auction

Auction Portfolios

1901. The purpose of the Auction process described in this Chapter 19 is to identify replacement Clearing Members who will enter into Contracts with OTC Clear with the same economic terms as Contracts registered in the name of the Defaulting Clearing Member (other than any Affected Contract that has been successfully ported pursuant to Chapter 17 of these Clearing Rules). The Auction process intends for OTC Clear to remain risk-neutral following the occurrence of a DMP Event, and to assist OTC Clear in determining the termination value of the portfolio of Contracts registered in the name of the Defaulting Clearing Member immediately prior to their termination (other than any Affected Contract that has been successfully ported pursuant to Chapter 17 of these Clearing Rules), which will be used in the calculations performed under Clearing Rules 1306, 1306A, 1306B, 1306C and 1307.
1902. OTC Clear will, in consultation with the Default Management Group, construct one or more Auction Portfolio(s) in respect of the Auction Positions on the Auction Book.
1903. OTC Clear and the Default Management Group will exercise their discretion in constructing Auction Portfolios consisting of Auction Positions with similar risk profile, with the aim to maximize the likelihood of achieving Successful Bids at a commercially reasonable price, provided that Contracts registered to a Defaulting Clearing Member's House Position Account shall not be included in the same Auction Portfolio as Contracts registered to a Defaulting Clearing Member's Client Position Accounts in respect of Non-Porting Clients.
1904. The construction of Auction Portfolios will be determined by OTC Clear, in consultation with the Default Management Group, separately in respect of each DMP Event and therefore may vary from one DMP Event to another.

Auction for Multiple Auction Portfolios

1905. Each Auction Portfolio shall be subject to its own Auction.

Conduct of Auction

1906. A Non-Defaulting Clearing Member must participate in the Auction for an Auction Portfolio if it has, on any day during the 20 OTC Clear Business Day-period immediately prior to such Auction, any Contract of a Transaction Category which is the same as any Contracts registered in the name of a Defaulting Clearing Member within that Auction Portfolio. Each Bidder agrees to enter into Contracts with OTC Clear on the same terms as the Auction Positions upon acceptance by OTC Clear of its Bid.
1907. A Non-Defaulting Clearing Member who, on any day during the 20 OTC Clear Business Day-period immediately prior to the Auction of an Auction Portfolio, does not have a Contract of a Transaction Category which is the same as any Contracts registered in the name of a Defaulting Clearing Member within such Auction Portfolio shall be entitled, but is not obliged, to participate in the Auction for such Auction Portfolio.
1908. Notwithstanding Clearing Rules 1906 and 1907, a resigning Clearing Member is not required to participate in the Auction if each of:
 - (1) the Initial Margin requirements (in respect of each of its House Position Account and Client Position Accounts (if any)) shown on the end-of-day Margin report published on an OTC Clear Clearing Day; and

(2) the net notional of all Contracts recorded to such resigning Clearing Member, becomes zero prior to the commencement of the Auction process, provided that such resigning Clearing Member shall notify OTC Clear of the same no later than 5 OTC Clear Business Days prior to the commencement of the Auction.

1909. Each Bidder shall comply with the bidding process set out in these Clearing Rules.

Bidding

1910. Each Bidder shall specify the account to which any Auction Contract should be registered if the Bid is successful.

1911. A DMG Member shall not submit Bids for and on behalf of the Bidder of which it is representative and the identity of each Bidder shall be kept anonymous from the DMG Members.

1912. OTC Clear will oversee the bidding process and ensure that Bids represent fair value of the relevant Auction Portfolio on the basis of such factors as OTC Clear considers appropriate. OTC Clear may, but is not obliged, to consult with the Risk Management Committee prior to accepting any Bids, but OTC Clear will inform the Risk Management Committee regarding the progress of the Default Management Process.

Initial Allocation of Resources

1913. In respect of each Auction Portfolio, OTC Clear will, in consultation with the Default Management Group, determine the RAP and the Margin Allocation Percentage(s) for such Auction Portfolio. OTC Clear will, prior to the commencement of Auction, notify all Non-Defaulting Clearing Members of the RAP for each Auction Portfolio. On the basis of the RAP and the Margin Allocation Percentage(s) determined for an Auction Portfolio, OTC Clear will allocate a pool of resources for such Auction Portfolio (the "**Preliminary Available Resources**").

1913A. In respect of an Auction Portfolio in relation to Contracts registered to a Defaulting Clearing Member's House Position Account (a "**House Auction Portfolio**"), the resources set out in sub-paragraphs (1) to (6) below, to the extent not already applied in accordance with Clearing Rules 1516(1) and 1516(2), shall together constitute the Preliminary Available Resources allocated to such House Auction Portfolio for the purpose of satisfying any Auction Losses arising from such Auction Portfolio. OTC Clear shall be entitled to apply its resources, in any manner or order including for the avoidance of doubt in an order which is different from the order described hereunder, for satisfaction of the Auction Losses arising from such House Auction Portfolio, provided that upon completion of the Auction of all Auction Portfolios relating to a DMP Event, it shall perform the loss allocation process set out in Clearing Rules 1914 to 1916:

- (1) a pool of assets comprising the following (the "**Initial House Resources**"):
 - (a) all Auction Payments (if any) received by OTC Clear with respect to such House Auction Portfolio constructed as a result of such DMP Event;
 - (b) any Unpaid Amounts due from OTC Clear to the Defaulting Clearing Member in respect of Contracts recorded in such Defaulting Clearing Member's House Position Account;

- (c) the Unsettled VM Amount in respect of the Auction Contracts comprised in such House Auction Portfolio (to the extent that such Unsettled VM Amount is payable by OTC Clear to the Defaulting Clearing Member) (if any); and
 - (d) a pool of assets the value of which represents the Margin Allocation Percentage for such House Auction Portfolio applied to the Margin Balance recorded to the House Collateral Account, any income and redemption proceeds on any non-cash Collateral recorded to the House Collateral Account and any proceeds of realization of any such non-cash Collateral that have not already been paid to or withdrawn by the Defaulting Clearing Member in respect of the Defaulting Clearing Member (the “**DCM Margin**”);
- (2) a pool of assets the value of which represents the RAP (assigned to such House Auction Portfolio) of the Rates and FX Contribution Balance recorded to the GF Account of the Defaulting Clearing Member (by application in the manner set out in Clearing Rule 1548);
 - (3) a pool of assets the value of which represents the RAP (assigned to such House Auction Portfolio) of the OTC Clear First Contribution;
 - (4) a pool of assets the value of which represents the RAP (assigned to such House Auction Portfolio) of the aggregate Rates and FX Contribution Balance in respect of the CM Funded Contribution Amount of each Non-Defaulting Clearing Member and recorded to the GF Account of each such Non-Defaulting Clearing Member (by application in the manner set out in Clearing Rule 1517) (the aggregate value of the CM Funded Contribution Amount of all Non-Defaulting Clearing Members is referred to as the “**NDCM GF**”);
 - (5) a pool of assets the value of which represents the RAP (assigned to such House Auction Portfolio) of the OTC Clear Second Contribution; and
 - (6) a pool of assets the value of which represents the RAP (assigned to such House Auction Portfolio) of the aggregate value of the Rates and FX Contribution Balance in respect of the CM Unfunded Contribution Amount of each Non-Defaulting Clearing Member and recorded to the GF Account of each such Non-Defaulting Clearing Member (by application in the manner set out in Clearing Rule 1517).

For the avoidance of doubt, this Clearing Rule 1913A does not apply to an Auction Portfolio in relation to Contracts registered to a Defaulting Clearing Member’s Client Position Account(s) with respect to its Non-Porting Client(s) (a “**Client Auction Portfolio**”). The Preliminary Available Resources for a Client Auction Portfolio are determined as set out in Clearing Rule 1913B.

1913B. In respect of a Client Auction Portfolio, the resources set out in sub-paragraphs (1) to (6) below, to the extent not already applied in accordance with Clearing Rules 1516(1) and 1516(2), shall together constitute the Preliminary Available Resources allocated to such Client Auction Portfolio for the purpose of satisfying any Auction Losses arising from such Client Auction Portfolio. OTC Clear shall be entitled to apply its resources, in any manner or order including for the avoidance of doubt in an order which is different from the order described hereunder, for satisfaction of the Auction Losses arising from such Client Auction Portfolio, provided that upon completion of the Auction of all Auction Portfolios relating to a DMP Event, it shall perform the loss allocation process set out in Clearing Rules 1914 to 1916:

- (1) a pool of assets comprising the following (the “**Initial Non-Porting Client Resources**”):
 - (a) all Auction Payments (if any) received by OTC Clear with respect to such Client Auction Portfolio constructed as a result of such DMP Event;
 - (b) any Unpaid Amounts due from OTC Clear to the Defaulting Clearing Member in respect of the Contracts corresponding to the Auction Contracts comprised in such Client Auction Portfolio;
 - (c) the Unsettled VM Amount in respect of the Auction Contracts comprised in such Client Auction Portfolio (to the extent that such Unsettled VM Amount is payable by OTC Clear to the Defaulting Clearing Member) (if any); and
 - (d) a pool of assets the value of which represents the aggregate of, for each Client Collateral Account corresponding to that Client Auction Portfolio, the Margin Allocation Percentage for that Client Collateral Account and Client Auction Portfolio applied to the aggregate of the Margin Balance recorded to that Client Collateral Account, any income and redemption proceeds on any non-cash Collateral recorded to that Client Collateral Account and any proceeds of realization of any such non-cash Collateral that have not already been paid to or withdrawn by the Defaulting Clearing Member in respect of the Non-Porting Client(s) (the “**Non-Porting Client Margin**”);
- (2) a pool of assets the value of which represents the RAP (assigned to such Client Auction Portfolio) of the Rates and FX Contribution Balance recorded to the GF Account of the Defaulting Clearing Member (by application in the manner set out in Clearing Rule 1548);
- (3) a pool of assets the value of which represents the RAP (assigned to such Client Auction Portfolio) of the OTC Clear First Contribution;
- (4) a pool of assets the value of which represents the RAP (assigned to such Client Auction Portfolio) of the NDCM GF (by application in the manner set out in Clearing Rule 1517);
- (5) a pool of assets the value of which represents the RAP (assigned to such Client Auction Portfolio) of the OTC Clear Second Contribution; and
- (6) a pool of assets the value of which represents the RAP (assigned to such Client Auction Portfolio) of the aggregate value of the Rates and FX Contribution Balance in respect of the CM Unfunded Contribution Amount of each Non-Defaulting Clearing Member and recorded to the GF Account of each such Non-Defaulting Clearing Member (by application in the manner set out in Clearing Rule 1517).

1913C. With respect to each layer of Preliminary Available Resources set out in Clearing Rules 1913A and 1913B, to the extent that it comprises Collateral in more than one currency or form, OTC Clear has the sole discretion in allocating such Collateral, in any currency or form, or combination of currencies or forms and in whatever percentage, as part of the Preliminary Available Resources allocated to an Auction Portfolio. In performing the immediately foregoing, OTC Clear will consult the Default Management Group, and take into account factors such as risk correlation or foreign exchange risk relating to the Auction Positions comprising the Auction Portfolio.

Loss Allocation

1914. Upon completion of the Auction with respect to all Auction Portfolios constructed as a result of the occurrence of a DMP Event with respect to the Defaulting Clearing Member, and provided that the process described in Clearing Rules 1516(1) and 1516(2) is completed, OTC Clear, in consultation with the Default Management Group, will perform the following loss allocation process with respect to each such Auction Portfolio:

- (1) first:
 - (a) the Initial House Resources allocated to a House Auction Portfolio pursuant to Rule 1913A will be applied towards the Auction Losses relating to such House Auction Portfolio provided that:
 - (A) to the extent that the Initial House Resources allocated to such House Auction Portfolio exceed the Auction Losses relating to such Auction Portfolio, such excess shall be applied to satisfy any Auction Losses relating to other House Auction Portfolio(s) constructed as a result of the occurrence of a DMP Event with respect to such Defaulting Clearing Member, if any, on a pro-rata basis by reference to the amount of such remaining Auction Losses;
 - (B) to the extent that there are (i) any excess Initial House Resources of a Defaulting Clearing Member subsequent to the application of the same pursuant to sub-paragraph (A) above and (ii) any Auction Losses relating to Client Auction Portfolio(s) constructed as a result of the occurrence of a DMP Event with respect to such Defaulting Clearing Member after the application of the relevant Initial House Resources pursuant to subparagraph 1914(1)(b)(A) below, such excess Initial House Resources shall be applied to satisfy such Auction Losses relating to the Client Auction Portfolio(s) on a pro-rata basis by reference to the amount of such remaining Auction Losses; and
 - (C) to the extent that there is any excess DCM Margin of a Defaulting Clearing Member subsequent to the application of the same pursuant to sub-paragraph (A) and (B) above, such excess DCM Margin shall constitute Excess Margin of such Defaulting Clearing Member pursuant to Clearing Rule 1218;

For the avoidance of doubt, the Initial House Resources of a Defaulting Clearing Member shall not be applied towards any Auction Losses relating to Auction Portfolio(s) constructed as a result of the occurrence of a DMP Event with respect to any other Defaulting Clearing Member;

- (b) the Initial Non-Porting Client Resources allocated to a Client Auction Portfolio pursuant to Clearing Rule 1913B will be applied towards the Auction Losses relating to such Client Auction Portfolio to the extent that such Auction Losses relate to the Client Position Account to which the Unsettled VM Amount or Unpaid Amount relates, or in the case of Non-Porting Client Margin, the Client Position Account attributed to the Client Collateral Account in which such Non-Porting Client Margin is recorded, provided that:

- (A) subsequent to that application process, to the extent that there are any Initial Non-Porting Client Resources allocated to such Client Auction Portfolio pursuant to Clearing Rule 1913B which are not applied to the Auction Losses relating to such Auction Portfolio, such excess shall be applied to satisfy any Auction Losses relating to other Client Auction Portfolio(s) constructed as a result of the occurrence of a DMP Event in respect of the same corresponding Client Position Account(s), if any, on a pro-rata basis by reference to the amount of such remaining Auction Losses (to the extent that such remaining Auction Losses relate to the Client Position Account to which the Unsettled VM Amount or Unpaid Amount relates, or in the case of Non-Porting Client Margin, the Client Position Account attributed to the Client Collateral Account in which such excess Non-Porting Client Margin is recorded); and
- (B) to the extent that there are any excess Initial Non-Porting Client Resources subsequent to the application of the same pursuant to sub-paragraph (A) above, such excess Initial Non-Porting Client Resources would form part of the Non-Porting Client Credit and, hence, the Client Entitlement of the relevant Client(s);

For the avoidance of doubt, any excess Initial Non-Porting Client Resources shall only form part of the Client Entitlement of the Client(s) to which such Initial Non-Porting Client Resources relate and shall not form part of the Client Entitlement of other Client(s);

- (c) for the purposes of sub-paragraph (b)(A) above and Clearing Rule 1307, the amount of Auction Losses in the form of hedging costs or risk premia that shall be treated as “relating to” a Client Position Account shall be an amount equal to the product of:
 - (A) with respect to an Auction Portfolio, the hypothetical Initial Margin with respect to the Contracts of that Client Position Account comprised in the relevant Auction Portfolio (calculated on a portfolio margining basis assuming that such Contracts were booked into a single separate hypothetical Client Position Account) divided by the aggregate of the hypothetical Initial Margin of all Client Position Accounts comprised in such Auction Portfolio (where such Auction Portfolio comprises Contracts originally booked to more than one Client Position Account, but the entire Client Position Account is not comprised in such Auction Portfolio, the hypothetical Initial Margin for each such partial Client Position Account shall be calculated on a portfolio margining basis disregarding the fact that such Client Position Account is not whole; for the avoidance of doubt, where such Auction Portfolio comprises Contracts originally booked to more than one Client Position Account and each entire Client Position Account is comprised in such Auction Portfolio, the Initial Margin of such Client Position Accounts shall be aggregated), in each case, such Initial Margin being calculated during the Portfolio Novation Cycle immediately preceding the occurrence of the relevant DMP Event (the “**Hypothetical IM Percentage**”); and

- (B) the amount of Auction Losses in the form of hedging costs and risk premia relating to the relevant Auction Portfolio referred to in sub-paragraph (c)(A) above;
- (d) for the purposes of sub-paragraph (b)(A) above and Clearing Rule 1307, the amount of Auction Payments in the form of risk concessions that shall be treated as “relating to” a Client Position Account shall be an amount equal to the product of:
 - (A) with respect to an Auction Portfolio, the Hypothetical IM Percentage for that Client Position Account calculated pursuant to sub-paragraph (c)(A) above; and
 - (B) the amount of Auction Payments in the form of risk concessions relating to the relevant Auction Portfolio referred to in sub-paragraph (d)(A) above;

For the avoidance of doubt, the process in this sub-paragraph (b) shall be repeated until all the Auction Losses relating to such Client Auction Portfolio have been applied to the Client Collateral Account(s) comprising the Initial Non-Porting Client Resources allocated to such Client Auction Portfolio pursuant to Clearing Rule 1913B.

- (2) second, having utilized the Initial House Resources of the Defaulting Clearing Member in full, any remaining Auction Losses arising from such Auction Portfolio and attributable to such Defaulting Clearing Member will be satisfied using the RAP of the Rates and FX Contribution Balance of the Defaulting Clearing Member allocated to such Auction Portfolio pursuant to Rule 1913A or 1913B, as the case may be. In the event there is a DCM GF Surplus relating to an Auction Portfolio, such DCM GF Surplus will be applied towards any DCM GF Shortfall relating to other Auction Portfolios (constructed as a result of the occurrence of a DMP Event with respect to such Defaulting Clearing Member), on a pro-rata basis among all such Auction Portfolios by reference to the amount of such DCM GF Shortfall, until the earlier to occur of:
 - (a) the satisfaction in full of the Auction Losses with respect to all such Auction Portfolios; and
 - (b) the utilization of the DCM GF in full.

The above shall be without prejudice to the operation of Clearing Rule 1916.

- (3) third, subsequent to the utilization of the Rates and FX Contribution Balance of the Defaulting Clearing Member in full (or, in the occurrence of multiple DMP Events within the same Capped Liability Period, taking into account the operation of Clearing Rule 1916, the utilization of the Rates and FX Contribution Balance of all Defaulting Clearing Members with respect to whom a DMP Event has occurred during the relevant Capped Liability Period), OTC Clear will satisfy the Auction Losses arising from such Auction Portfolio using the relevant proportion of the OTC Clear First Contribution allocated to such Auction Portfolio pursuant to Rule 1913A or 1913B, as the case may be. To the extent that the relevant proportion of the OTC Clear First Contribution allocated to such Auction Portfolio exceeds the Auction Losses relating to such Auction Portfolio, such excess shall be applied towards the Auction Losses relating to other Auction Portfolios (constructed as a result of the

occurrence of a DMP Event with respect to such Defaulting Clearing Member) on a pro-rata basis by reference to the amount of such remaining Auction Losses, until the earlier to occur of:

- (a) the satisfaction in full of the Auction Losses with respect to all such Auction Portfolios; and
 - (b) utilization of the OTC Clear First Contribution in full;
- (4) subsequent to the utilization of the OTC Clear First Contribution in full, with respect to each Auction Portfolio (constructed as a result of the occurrence of a DMP Event with respect to such Defaulting Clearing Member) with remaining Auction Losses, OTC Clear will apply the relevant proportion of the NDCM GF in the following order:
- (a) first, the relevant proportion of the Rates and FX Guarantee Fund of each Non-Bidder and Poor Bidder will be applied (the “**Junior Tranche**”);
 - (b) second, the relevant proportion of the Rates and FX Guarantee Fund of each Lower Bidder will be applied (the “**Middle Tranche**”); and
 - (c) third, the relevant proportion of the Rates and FX Guarantee Fund of each Successful Bidder, Equal Bidder, Better Bidder and No Position NDCM will be applied (the “**Senior Tranche**”, and together with the Junior Tranche and Middle Tranche, the “**Tranches**” and each a “**Tranche**”),

in each case, the relevant proportion of the Rates and FX Guarantee Fund of each Bidder will be applied on a pro-rata basis among each other Bidder within the same Tranche.

The methodology described above shall be referred to as the “**Tranching Methodology**”.

In the event that there is an NDCM GF Auction Shortfall relating to an Auction Portfolio, any NDCM GF Auction Surplus relating to other Auction Portfolios (constructed as a result of the occurrence of a DMP Event with respect to such Defaulting Clearing Member) will be applied towards such NDCM GF Auction Shortfall (in accordance with the Tranching Methodology for the Auction Portfolio to which that NDCM GF Auction Surplus relates), on a pro-rata basis among all other Auction Portfolios (constructed as a result of the occurrence of a DMP Event with respect to such Defaulting Clearing Member) with an NDCM GF Auction Shortfall by reference to the amount of such NDCM GF Auction Shortfall, until the earlier to occur of:

- (A) the satisfaction in full of the Auction Losses with respect to all such Auction Portfolios; and
 - (B) utilization of the NDCM GF in full;
- (5) subsequent to the utilization of the NDCM GF in full, with respect to each Auction Portfolio with remaining Auction Losses, OTC Clear will satisfy such Auction Losses using the relevant proportion of the OTC Clear Second Contribution allocated to such Auction Portfolio pursuant to Rule 1913A or 1913B, as the case may be. To the extent that the relevant proportion of the OTC Clear Second Contribution allocated to such Auction Portfolio exceeds the Auction Losses relating to such Auction Portfolio, such excess shall be applied towards the Auction

Losses relating to other Auction Portfolios (constructed as a result of the occurrence of a DMP Event with respect to such Defaulting Clearing Member) on a pro-rata basis by reference to the amount of such remaining Auction Losses, until the earlier to occur of:

- (a) the satisfaction in full of the Auction Losses with respect to all such Auction Portfolios; and
 - (b) utilization of the OTC Clear Second Contribution in full; and
- (6) subsequent to the utilisation of OTC Clear Second Contribution in full, with respect to each Auction Portfolio with remaining Auction Losses, OTC Clear will apply the relevant proportion of the Rates and FX Assessments of each Non-Defaulting Clearing Member using the Tranching Methodology as set out in sub-paragraph (4) above and any references to NDCM GF therein shall be construed to mean Rates and FX Assessments.

The loss allocation process set out in this Clearing Rule 1914 shall be conducted in manner consistent with that set out in Clearing Rule 1517.

For the purpose of this Clearing Rule 1914 but without prejudice to the operation of Clearing Rule 1916, with respect to each DMP Event, any reference to a “Non-Defaulting Clearing Member” shall mean any Clearing Member other than the Defaulting Clearing Member with respect to whom such DMP Event has occurred.

1915. With respect to each layer of Preliminary Available Resources, to the extent that the Collateral of the same Clearing Member comprises more than one form of assets but all of which constitute the same layer of resources, OTC Clear shall have the discretion to utilize any form of such Clearing Member’s Collateral within the same layer of resources in any order and manner as it sees fit.

1916. In the event that more than one DMP Event occurs within the same Capped Liability Period, Clearing Rule 1545 shall apply. In addition, with respect to the Auction Losses arising out of the DMP Events occurring within the same Capped Liability Period:

- (1) OTC Clear may make such adjustments as are necessary in determining the Preliminary Available Resources and the RAP and the Margin Allocation Percentage(s) for each Auction Portfolio constructed as a result of each DMP Event occurring within the same Capped Liability Period. In doing so, OTC Clear will review the aggregate sum of all resources it has then to satisfy the Rates and FX Loss arising out of each such DMP Event, namely, the then Margin Balance held in respect of the Defaulting Clearing Members, any Unsettled VM Amount (to the extent that such Unsettled VM Amount is payable by OTC Clear to the Defaulting Clearing Members) and any income and redemption proceeds on any non-cash Collateral that have not already been paid to or withdrawn by the Defaulting Clearing Members, the OTC Clear Contribution, and the Rates and FX Contribution Balance then held in respect of by all Non-Defaulting Clearing Members; and

(2)

- (a) to the extent that the Auction Losses arising from all Auction Portfolios constructed for one single Defaulting Clearing Member do not require utilization in full of the Rates and FX Contribution of such Defaulting

Clearing Member, any remaining Rates and FX Contribution of such Defaulting Clearing Member shall be utilized to satisfy any Auction Losses arising from one or more Auction Portfolios constructed for another Default Management Process in respect of another Defaulting Clearing Member;

- (b) any excess Rates and FX Contribution of a Defaulting Clearing Member will be applied on a pro-rata basis based on the share of Rates and FX Contribution contributed by the relevant Defaulting Clearing Member; and
- (c) OTC Clear will always ensure that the Rates and FX Contribution of all Defaulting Clearing Members whose DMP Events occurred within the same Capped Liability have been utilized in full prior to utilizing the OTC Clear First Contribution.

1917. OTC Clear will at all times observe Clearing Rule 823 in carrying out the loss allocation process described in Clearing Rules 1914 to 1916, and Initial Non-Porting Client Resources allocated to a Client Auction Portfolio of a Defaulting Clearing Member shall never be utilized to meet any losses arising out of such or other Defaulting Clearing Members' House Account.

Successive Auction

1918. If an Auction is unsuccessful in dealing with all Auction Positions in the relevant Auction Portfolio, further round(s) of Auction may be held. In order to facilitate the Auction process, OTC Clear may, in consultation with the Default Management Group, decide to combine or sub-divide previously constructed Auction Portfolios for successive Auctions.

1919. Upon the expiry of a Capped Liability Period, with respect to each Auction Portfolio constructed for the DMP Event(s) occurring within such Capped Liability Period, OTC Clear will notify all relevant Bidders the result of the application of the Tranching Methodology with respect to each such Auction Portfolio.

OTC Clear Financial Resources

1920. Following the completion of each Auction, OTC Clear shall determine whether its Total Available Resources are sufficient to meet its obligations arising from such Auction, including but not limited to the ability to credit all Successful Bidders with the relevant Auction Receivables. OTC Clear may only perform its obligations pursuant to Clearing Rules 1921 and 1922 in respect of all Auction Contracts arising from such Auction if it has reasonably determined that its Total Available Resources are sufficient. If OTC Clear determines that, even after exhausting the Total Available Resources, invoking the Loss Distribution Process described in Clearing Rules 1523 to 1528 and taking into account any Voluntary Recap Amounts received from one or more Non-Defaulting Clearing Members, it will not be able to meet all the Successful Bids received in respect of all Auction Portfolios arising out of a completed Auction, then the procedure set out in Clearing Rules 1530 to 1540 shall take effect. In such event, OTC Clear shall notify all Bidders of the failure of the Auction and the occurrence of a Rates and FX Clearing Termination Event in accordance with the Clearing Procedures and, for the avoidance of doubt, no Bidder shall be deemed to have a Successful Bid in respect of such Auction and OTC Clear shall not be permitted to register any Auction Contract with any Successful Bidder.

Registration of Auction Contracts

1921. Following the completion of the Auction process with respect to all Auction Portfolios constructed for a DMP Event, all Successful Bidders will be notified of their Successful Bids

and the Auction Payment or Auction Receivable (as applicable) payable in connection the registration of Auction Contracts relating to such Successful Bids. OTC Clear will register the Auction Contracts to the account specified by each Successful Bidder. Auction Contracts will be registered in the name of the Successful Bidder by OTC Clear entering into the Auction Contracts with the Successful Bidder.

1922. Each Successful Bidder will be required to comply with such conditions as may be required by OTC Clear, after consultation with the Default Management Group, to effect the registration of the Auction Contracts. Upon the completion of the Auction(s):

- (1) each Successful Bidder shall provide OTC Clear with Collateral to satisfy the Margin required for the registration of the Auction Contracts, such Collateral must be delivered by the Successful Bidder on or prior the relevant Auction Payment Date;
- (2) each Successful Bidder shall also pay to OTC Clear any Auction Payment on or prior to the Auction Payment Date; and
- (3) OTC Clear will pay any Auction Receivable payable to the relevant Successful Bidder(s) on or prior to the Auction Receivable Payment Date.

Failed Registration

1923. If a Successful Bidder for an Auction Contracts fails to pay in full to OTC Clear the corresponding Auction Payment or fails to provide in full the corresponding required Margin to OTC Clear, in either case, on or prior to the relevant Auction Payment Date, such failure shall constitute an Event of Default with respect to the Successful Bidder pursuant to Clearing Rule 1301.

1924.

- (1) If OTC Clear fails to pay in full an Auction Receivable to a Successful Bidder on or prior to the relevant Auction Receivable Payment Date, such registration of the Auction Contract shall be deemed *void ab initio* and unenforceable against that Successful Bidder;
- (2) OTC Clear shall not take such Auction Contract into account for the purpose of calculating that Successful Bidder's Margin requirement on an ongoing basis; and
- (3) to the extent a demand for Margin has already been served upon that Successful Bidder, taking into account such Auction Contract, and the relevant Successful Bidder has transferred Collateral in satisfaction of such Margin requirement, the amount of Collateral called in respect of such Auction Contract shall be returned to that Successful Bidder on the second Auction Receivable Payment Date following the completion of the relevant Auction.

Chapter 20 Confidentiality Obligations relating to Receipt of DMP Information

Confidentiality

2001. Each Clearing Member agrees and undertakes that, in consideration of it being provided the DMP Information (in such capacity, each a “**Receiving Clearing Member**”), it shall:

- (1) keep all the DMP Information confidential;
- (2) only use the DMP Information for the Permitted Purpose and comply with the provisions of the Default Management Process in respect thereof; and
- (3) upon demand by OTC Clear and to the extent reasonably practicable, promptly return to OTC Clear all or any part of the DMP Information in its possession in whatever form it may be by a secure method of transportation, or, save and except for any electronic back-up copies which are not readily accessible to the Receiving Clearing Member, destroy or procure the destruction of any copies or reproductions of any material, paper, programme or record incorporating the DMP Information including the destruction or expungement thereof from any memory device or medium, provided that the Clearing Member may retain copies of any DMP Information as required by law.

Upon demand by OTC Clear the Clearing Member shall provide to OTC Clear a written confirmation that all the provisions of sub-paragraph (3) above have been fully complied with.

2002. Each Receiving Clearing Member agrees and undertakes that it shall only disclose the DMP Information to its employees, officers, representatives, advisers or Affiliates for the Permitted Purpose (and to that extent only) on a “**strictly need to know**” basis.

2003. Each Clearing Member shall establish adequate procedures and mechanisms, including but not limited to the establishment of Information Barriers, to ensure that the DMP Information is, at all times, solely used for the Permitted Purpose by it and any of its employees, officers, representatives, advisers or Affiliates.

2004. Nothing in these Clearing Rules shall prohibit disclosure or use of the DMP Information if and to the extent:

- (1) it becomes publicly available otherwise than as a result of a breach of the provisions of these Clearing Rules by the Receiving Clearing Member and in particular the Default Management Process;
- (2) the Receiving Clearing Member is required to do so by order of a court of competent jurisdiction which arises as a result of an application by a third party;
- (3) the Clearing Member is required or requested to do so by any Regulatory Authority asserting jurisdiction over the Clearing Member; or
- (4) OTC Clear has given prior written approval to the disclosure.

Term

2005. In respect of each Receiving Clearing Member, the confidentiality obligations set out in this Chapter 20 shall continue for a period of two years from the date on which the DMP Information is provided by OTC Clear to such Receiving Clearing Member. The immediately foregoing shall not prejudice any other confidentiality obligations imposed on the relevant Receiving Clearing Member under any Applicable Laws.

Rights to DMP Information

2006. The parties acknowledge that the DMP Information or any part of it shall remain the property of OTC Clear, neither the Receiving Clearing Member nor any of its employees, officers, representatives, advisers or Affiliates shall be entitled to any right or licence in respect thereof.

Liability of OTC Clear

2007. Subject to compliance with the terms of these Clearing Rules, and in particular, this Chapter 20, by the Receiving Clearing Member and any other person to whom the DMP Information is provided in accordance with the terms herein, OTC Clear acknowledges and agrees that, participation by a Clearing Member in the Default Management Process shall not prevent such Clearing Member from conducting any transaction, or otherwise providing investment services in respect of, investments that the Clearing Member may subsequently learn are the subject of DMP Information provided that, in such circumstances, the relevant Clearing Member shall establish appropriate Information Barriers to ensure its continued compliance with the terms of these Clearing Rules, and in particular, this Chapter 20. Without prejudice to any other provisions contained in these Clearing Rules and OTC Clear's right to enforce the same, OTC Clear agrees that, it shall not assert that there is a conflict of interest by the Clearing Member in doing so nor shall OTC Clear have a claim or action in respect of the foregoing against the Clearing Member.

Relief

2008. Each Receiving Clearing Member expressly acknowledges and agrees that the DMP Information may contain commercially sensitive information which if used otherwise than in accordance with the Default Management Process or for the Permitted Purpose, may result in irreparable harm to OTC Clear which damages alone may not be an adequate remedy, and will result in it gaining an unfair commercial advantage over other Clearing Members. Accordingly, each Receiving Clearing Member acknowledges that OTC Clear may seek injunctive relief, whether interim or final, specific performance, other equitable reliefs or any other combination of these remedies against the Receiving Clearing Member in the event of any threatened or actual breach of the terms of use of DMP Information as set out in this Chapter 20 by it or any of its employees, officers, representatives, advisers or Affiliates, and no proof of special damages will be necessary to enforce its rights to such remedies.
2009. The rights of OTC Clear under Clearing Rule 2008 shall be in addition to OTC Clear's other rights in law or in equity specific performance, other equitable reliefs or any other combination of these remedies.

Chapter 21 Obligations, Undertaking and Liability of Clearing Members relating to Participation in the Default Management Group

Confidentiality Obligations

2101. In the event that OTC Clear has determined that a DMP Event has occurred, each Clearing Member acknowledges that OTC Clear may demand a Clearing Member to provide one DMG Member to be part of the Default Management Group and such DMG Member shall participate in the Default Management Process.
2102. Each Clearing Member shall procure its DMG Member to keep the DMG Information strictly confidential and secure. The DMG Member shall not disclose the DMG Information to any Person (including, for the avoidance of doubt, the Clearing Member who nominated the appointment of such DMG Member to the Default Management Group or any other employee, officer, representative, adviser or Affiliates of that Clearing Member) without the prior written approval of OTC Clear.
2103.
