- (1) This letter does not override the Listing Rules and is not a substitute for advice from qualified professional advisers. If there is any conflict or inconsistency between this letter and the Listing Rules, the Listing Rules prevail. You may consult the Listing Department on a confidential basis for an interpretation of the Listing Rules or this letter.*
- (2) The Securities and Futures Commission (“**Commission**”) is of the view that so long as an Application Proof or a PHIP submitted for publication on the Exchange’s website adheres to the guidance set out in paragraphs A.7 (Warning and Disclaimer Statements) and A.8 (Redactions in Application Proof for Publication and PHIP) below, then neither the Application Proof nor the PHIP would constitute a prospectus under section 2(1) of the Companies Ordinance¹ as amended from time to time (Cap. 32) (“**Companies Ordinance**”); or an advertisement under section 38B(1) of the*

¹ Retitled as the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32) with effect from March 2014.

A. Preliminary

Purpose and Effective Date

A.1 We have revised the Main Board Rules and the GEM Rules (collectively the “**Listing Rules**”) to require the publication of Application Proofs², PHIPs³ and statements under Main Board Rule 9.08(2)(c) or GEM Rule 12.10(2)(c) (“**MB Rule 9.08/ GEM Rule 12.10 Statements**”) on the Exchange’s website.

A.2 This guidance is on the logistical arrangements for the submission and publication of Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statement for Main Board and GEM applications on the Exchange’s website. Applicants and their sponsors must follow these arrangements and such others as may from time to time be prescribed by the Exchange.

A.3 *(Deleted in November 2016)*

Reference to the Listing Rules

A.4 Unless the context requires otherwise:

- (i) the reference to a “new applicant” or “applicant” includes a CIS applicant which is required to publish an Application Proof and a PHIP under Main Board Rules 20.25 and 20.26; and
- (ii) the reference to a “sponsor” includes a “listing agent” or a person under whatever description appointed by a CIS applicant which is required to discharge the functions equivalent to those of a sponsor for the purpose of a listing of interests in a CIS under Chapter 20 of the Main Board Rules.

A.5 An applicant should refer to Practice Note 22 to the Main Board Rules and Practice Note 5 to the GEM Rules for details on the publication requirements for Application Proofs and PHIPs, including:

- (i) language requirements;

² As defined in Main Board Rule 1.01 and GEM Rule 1.01

³ As defined in Main Board Rule 1.01 and GEM Rule 1.01

- (ii) content requirements;
- (iii) legal compliance matters;
- (iv) prescribed timing for publication;
- (v) confidential filings; and
- (vi) publication of subsequent PHIPs with mark-ups against the previous proofs.

Application

A.6 The publication requirements for Application Proofs and PHIPs⁴ apply to any application for the new listing of:

- (i) securities under Chapter 9 of the Main Board Rules and Chapter 12 of the GEM Rules; and
- (ii) interests in a CIS under Chapter 20 of the Main Board Rules with a listing agent appointed to discharge the functions equivalent to those of a sponsor.

Warning and Disclaimer Statements

A.7 Minimum warning and disclaimer statements are set out in Part A and Part B respectively of **Enclosure 1**. These warning and disclaimer statements are for reference only and are not intended to be prescriptive. An applicant can adopt warning and disclaimer statements that contain elements additional to but not detracting from those set out in **Enclosure 1**.

Redactions in Application Proof for Publication and PHIP

A.8 (i) Extent of redactions:

For the purpose of publication on the Exchange's website, unless consent is obtained for further redactions, an applicant must redact an Application Proof and a PHIP only to the extent necessary for these documents not to constitute a prospectus under section 2(1) of the Companies Ordinance¹; or an advertisement under section 38B(1) of the Companies Ordinance¹; or an invitation to the public in breach of section 103 of the Securities and Futures Ordinance (the "**Relevant Laws**"). Please refer to **Table A** of Guidance Letter HKEX-GL56-13 on what

⁴ Under Main Board Rule 9A.03(1A), a GEM transfer applicant is not required to submit a PHIP for publication (unless there is a public offer). (Added in February 2018)

information must be redacted in an Application Proof for publication purpose which also applies to a PHIP.

(ii) Consequence of inadequate redaction of information:

Inadequate redaction of information in an Application Proof or a PHIP for publication purpose is a breach of the Relevant Laws. The publication of unauthorised materials as a result of inadequate redaction of information in an Application Proof or a PHIP is likely to condition the market ahead of a properly authorised prospectus and affect market perceptions of an upcoming offer. We will take strict measures against such unauthorised published materials in order to “cool off” any undesirable impact on the market. These include requiring the immediate withdrawal of the unauthorised published materials, suspension of the vetting of the application for up to a month from the date of withdrawal of the unauthorised published materials. The listing timetable will be delayed as a result. ***(Updated in November 2016)***

Obligation to Update Information in PHIP

A.9 Guidance Letter HKEX-GL56-13 provides guidance on what information may be bracketed (i.e. information which will be updated in subsequent drafts of a listing document), omitted and redacted in an Application Proof. For the avoidance of doubt, if the information is permitted to be omitted from the Application Proof for vetting, it should not be disclosed in the Application Proof for publication. To the extent practicable and except for offer-related information, bracketed or omitted information in an Application Proof should be updated or included upon the publication of the PHIP.

Confidential Filing of Application Proof

A.10 The Listing Rules provide for confidential filing of an Application Proof where, at the time of filing a listing application, an applicant has already been listed on a recognised overseas exchange for not less than five years and has a market capitalisation of not less than US\$400,000,000 or such higher value the Exchange as may determine from time to time (paragraph 18 of Practice Note 22 to the Main Board Rules and paragraph 17 of Practice Note 5 to GEM Rules). A recognised overseas exchange for this purpose means the main market⁵ on any one of the exchanges listed below (which is

⁵ A “main market” on one of the stock exchanges listed in paragraph A.10 refers to a full listing on a market of the relevant stock exchange that complies with the highest standards and full rigour of the rules and regulations of that particular market. For instance, a premium listing on the London Stock Exchange would

subject to change as the Exchange considers appropriate):

- (i) The Amsterdam Stock Exchange (NYSE Euronext – Amsterdam);
- (ii) The Australian Securities Exchange (ASX);
- (iii) The Brazilian Securities, Commodities and Futures Exchange (BM&FBOVESPA);
- (iv) The Frankfurt Stock Exchange (Deutsche Börse);
- (v) The Italian Stock Exchange (Borsa Italiana);
- (vi) The London Stock Exchange (premium segment, LSE);
- (vii) The Madrid Stock Exchange (Bolsa de Madrid);
- (viii) NASDAQ OMX (US);
- (ix) The New York Stock Exchange (NYSE Euronext (US));
- (x) The Paris Stock Exchange (NYSE Euronext – Paris);
- (xi) The Singapore Exchange (SGX);
- (xii) The Stockholm Stock Exchange (NASDAQ OMX – Stockholm);
- (xiii) The Swiss Exchange (SIX Swiss Exchange);
- (xiv) The Tokyo Stock Exchange (TSE); and
- (xv) The Toronto Stock Exchange (TMX).

Waivers from Publication of Application Proof

A.11 The Exchange or the Commission (as the case may be) may waive or modify the publication requirements for an Application Proof. An applicant is encouraged to consult the Exchange or the Commission (as the case may be) at an early stage if it envisages any difficulties in complying with the publication requirements (e.g. where the publication of an Application Proof will conflict with the laws of the foreign jurisdiction which the applicant is subject to or unduly prejudice an applicant's continuing listing status on an overseas exchange).

A.12 In the case of a spin-off from an overseas listed parent, the Exchange or the Commission (as the case may be) will only consider a waiver from the publication requirements on a case by case basis taking into account whether an applicant can generally satisfy (i), (ii) or (iii) below:

- (i) (a) the applicant's application for listing in Hong Kong is price sensitive to its overseas listed parent under the applicable rules of its primary listing venue;
- (b) the overseas listed parent is not required under the applicable rules of its primary listing venue to disclose the applicant's listing in Hong Kong (e.g. a safe harbour provisions are available under the rules of its primary listing venue); and

meet the "main market" definition.

- (c) the overseas listed parent keeps and undertakes to keep the applicant's application for listing in Hong Kong confidential before the issue of the PHIP; or
- (ii) (a) the Application Proof contains price-sensitive information to the overseas listed parent under the applicable rules of its primary listing venue;
- (b) the overseas listed parent is entitled to keep the price-sensitive information confidential under the applicable rules of its primary listing venue by redacting such information in the Application Proof; and
- (c) the extent of the proposed redactions will make the content of the Application Proof and its publication meaningless; or
- (iii) the overseas listed parent's jurisdiction or the relevant exchange it is listed on has requirements or regulations that prevent the overseas listed parent or the applicant from publishing a draft listing document relating to the spin-off.

A.13 In the case of a spin-off from a parent listed on the Exchange, the Exchange or the Commission (as the case may be) will only consider a waiver from the publication requirements on a case by case basis in the light of the relevant application of the inside information⁶ requirement as applicable to that case.

Publication of MB Rule 9.08/ GEM Rule 12.10 Statements

A.14 The publication of MB Rule 9.08/ GEM Rule 12.10 Statements must be in English and Chinese and submitted to the Exchange through HKEX-ESS. The Exchange will not review the statement, but applicants must submit a copy to the Exchange for its record prior to any publication. Applicants must ensure that these statements do not include information that (i) constitutes a prospectus under section 2(1) of the Companies Ordinance¹; or an advertisement under section 38B(1) of the Companies Ordinance¹; or an invitation to the public in breach of section 103 of the Securities and Futures Ordinance; (ii) discusses its proposed issue of securities; or (iii) promotes its securities to be issued or its listing. The statement will be published on a designated webpage for publication of Application Proofs, PHIPs, and MB Rule 9.08/ GEM Rule 12.10

⁶ "inside information" is defined under Part XIVA of the Securities and Futures Ordinance.

B. File Specifications and Submission Procedures

Submission through the e-Submission System (“HKEX-ESS”)

B.1 HKEX-ESS is the Exchange’s system to enable registered users to submit documents electronically to the Exchange. The e-Submission System User Manual for Listing Related Matters (“**User Manual (Listing)**”) has been updated to include procedures on Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements. Please access this document through the link at the bottom of the HKEX-ESS website at: <https://www.esubmission.hkex.com.hk>.

Publication of Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements

B.2 An applicant’s sponsor must arrange for publication on the applicant’s behalf of all Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements on the Exchange’s website in accordance with the prescribed time limit in paragraph B.5 below.

B.3 For publication of Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements on the Exchange’s website, a sponsor must first:

- (i) register with the Exchange’s Primary Market Information Team of the Exchange as a HKEX-ESS user at least three business days before any submission. We will assign a User ID and Password to each applying sponsor. If a sponsor is already a HKEX-ESS user, no re-registration is required and the previously allocated User ID and Password can be used for submission of Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements through the HKEX-ESS; and
- (ii) obtain a company case number from the Listing Department – IPO [Vetting Transactions](#) Team for the applicant by filing a request form as set out in [Enclosure 4](#) at least one business day before the filing of the listing or authorisation application. This case number is specific to an applicant and it must be used for submissions of all Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements under the same application.

B.4 Every Application Proof, PHIP and MB Rule 9.08/ GEM Rule 12.10 Statements must

be:

- (i) in a ready-to-publish electronic version in both English and Chinese when submitted through HKEX-ESS for publication (see paragraph B.9 below for large files); and
- (ii) accompanied by a written confirmation from each sponsor by facsimile, mail or hand to the Listing Department – IPO [Vetting Transactions](#) Team confirming that the submission of the Application Proof, PHIP or MB Rule 9.08/ GEM Rule 12.10 Statements is under the applicant’s authority (see sample at [Enclosure 5](#)).

B.5 The Exchange requires processing time to upload any submitted Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements on the Exchange’s website. Applicants should early consult the Exchange on the estimated publication time to avoid delays. Priority will be given to PHIPs as it is not anticipated that Application Proofs and MB Rule 9.08/ GEM Rule 12.10 Statements will have the same time pressure for publication. Application Proofs are expected to be submitted on a business day during office hours between 9:00 a.m. and 6:00 p.m.. Barring unforeseen circumstances, the publication time of Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements is:

- (i) when submitted through HKEX-ESS during the HKEX-ESS Operational Hours:

HKEX-ESS Operational Hours	Time of submitting the Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements	Publication time on the Exchange’s website

The copying and editing functions in the file must be disabled.
- B.7 A warning statement as set out in Part A of **Enclosure 1** in English and Chinese contained in separate files must be submitted to the Exchange through HKEX-ESS at the same time as the applicant submits its Application Proof. Only one submission of the warning statement is required for all related Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements of an applicant. The warning statement may be revised from time to time as the applicant considers appropriate.
- B.8 Every English and Chinese version of an Application Proof and a PHIP submitted through HKEX-ESS (or on CD ROM for large files, see paragraph B.9 below) must contain the following:

MB Rule 9.08/ GEM Rule 12.10 Statements are required to be in a single file for each English and Chinese version. ***(Updated in February 2014)***

- B.9 Each Application Proof, PHIP or MB Rule 9.08/ GEM Rule 12.10 Statements file submitted through HKEX-ESS must NOT be larger than 20MB and must not be in a compressed format (e.g. a “zip” file). If any file exceeds 20 MB, the applicant must submit the file on a CD ROM (together with **Enclosure 5**). The applicant must send the CD ROM to the collection box located at the following address during the operational hours of HKEX-ESS (see paragraph B11) as soon as other files (e.g. warning statements) where applicable are submitted through HKEX-ESS:
