Dear Sirs

Recent market conditions and the disclosure obligations of listed issuers

In light of recent unusual market conditions in Hong Kong and overseas, we are writing to remind you of your obligations to disclose price sensitive information in a timely manner under the Listing Rules.

On 31 October 2008 we published a letter to issuers entitled "*Recent economic developments and the disclosure obligations of listed issuers*" which discusses issuers' obligations to continuously monitor their financial performance and financial condition, and to update their expectations of performance on a regular basis.

We attach a copy of the letter for your convenience, it is also available at <http://www.hkex.com.hk/eng/rulesreg/listrules/listletter/documents/20081031.pdf>.

The Exchange expects all listed issuers to review whether recent events in the equity and credit markets have had any material impact on their financial performance or expected performance and to inform investors of any such impacts without delay.

If you have any question on compliance with the Listing Rules please contact your case officers.

Yours faithfully
For and on behalf of
The Stock Exchange of Hong Kong Limited

[Signed]

Mark Dickens JP
