Important note: *This letter does not override the Listing Rules and is not a substitute for advice from qualified professional advisers. You may consult the Listing Division on a confidential basis for an interpretation of the Listing Rules or this letter.*

1. Purpose

- 1.1 This letter provides guidance on the documentary requirements and administrative matters for new listing applications.
- 1.2 The Exchange expects applicants to follow this guidance letter when preparing their listing applications. The Exchange may consider an application to be not substantially complete as required under the Listing Rules if the applicant does not follow this guidance.

2. Background

- 2.1 The current filing requirements for a listing application require different documents to be submitted at various stages to facilitate the vetting process in a sequenced and orderly manner. There are corresponding checklists which set out the documents required to be submitted at those stages.

22 Under the Securities and Futures Commission's ("**SFC**") new sponsor regulation effective on 1 October 2013, an Application Proof and related documentation must be substantially complete and the time between the date of the listing application and the actual listing should be shortened. To streamline the checklists and documentary requirements, the Exchange has amended the Listing Rules to complement the new sponsor regulation.

23 (*Deleted in November 2021*)

3. Relevant Listing Rules

3.1 Main Board Rules 9.03, 9.10A and 9.11 (GEM Rules 12.12 to 12.14 and 12.22 to 12.26) set out the documentary requirements for application for the listing of equity securities.

3.2 (*Deleted in November 2021*)

3.3 Where the new applicant's application for listing on the Exchange is required to be filed with the China Securities Regulatory Commission in the PRC ("**CSRC**"), Main Board Rule 9.11(23b) (GEM Rule 12.23BB) sets out the timing (i.e. at least four clear business days before the expected hearing date) when it is required to submit a copy of the notification issued by the CSRC on the new applicant's completion of the PRC filing procedures ("**CSRC Notification**"). (*Updated in August 2023*)

4. Guidance

4.1 Main Board Rule 9.11 (GEM Rule 12.22) sets forth the documents that are required to be submitted together with the respective listing application forms:

(a) Form A1 – for Main Board and GEM Transfers ; or

(b) Form 5A – for GEM.

(c) (*Deleted in November 2021*)

4.2 To facilitate applicants and their sponsors to assemble information required for a new listing application in an orderly manner and on a timely basis, the following attachment set out the documentary and administrative requirements to be followed at different stages of the application process:

Attachment I – for new listing applications (including GEM Transfers)

Attachment II – for GEM Transfers and Eligible Transfers (*Deleted in November 2021*)
