Presentation of Information

2.13 Without prejudice to any specific requirements of the Exchange Listing Rules as to content or responsibility for the document in question, any announcement, ~~listing document or circular~~ corporate communication required pursuant to the Exchange Listing Rules must be prepared having regard to the following general principles:

.....

Transitional Arrangements

2.17A The following provisions set out transitional arrangements with regard to dissemination of issuers' information for the purpose of these Exchange Listing Rules and shall cease to have effect on such date as the Exchange may determine and promulgate.

(1) Where:

(a) an issuer is required under these Exchange Listing Rules to publish an announcement or notice in accordance with rule 2.07C; and

(b) the announcement or notice is not published in the newspapers,

the issuer must, subject to rule 2.17A(3), publish a notification in the newspapers in addition to complying with the requirements under rule 2.07C.

Note: Under these transitional arrangements, notifications, rather than the announcements or notices, will in most cases be published in the newspapers. However, there are cases where it is the announcement or notice that is published in the newspapers. This occurs where the issuer itself chooses to do so pursuant to rule 2.17A(7) or where it is required to do so under a specific requirement in these Exchange Listing Rules (e.g. rule 2.07C(6)(c)).

(2) Publication of the notification in the newspapers must be on the business day next following submission of the electronic copy of the announcement or notice to the Exchange for publication on the Exchange's website.

Notes: (1) This is so that the announcement or notice will be on the Exchange's website by the time the notification is published in the newspapers. Issuers that are unable to meet this rule requirement will in individual circumstances need to contact the Exchange at the earliest opportunity.

(2) Please refer to rule 2.07C for the requirements governing the submission of the electronic copy of the announcement or notice to the Exchange for publication.

-
- (3) The requirement in rule 2.17A(1) to publish a notification in the newspapers does not apply to:
- (i) announcements made by an issuer solely pursuant to rule 2.07C(1)(a)(iv);
 - (ii) announcements made solely pursuant to rule 13.43;
 - (iii) announcements made solely pursuant to rule 13.09(2), or paragraph 2(2) of Parts C, D, E or H of Appendix 7;
 - (iv) announcements made in response to unusual movements in price or trading volume under rule 13.10, or paragraph 24 of Part C of Appendix 7, paragraph 11 of Part G of Appendix 7, or paragraph 26 of Part H of Appendix 7 provided that in the announcement the issuer only states that it is not aware of any matter which might have relevance to such movement or refers to its previously published information; and
 - (v) announcements made in response to media news or reports under rule 13.09(1)(b), paragraph 2(1)(b) of Part C, D, E or H of Appendix 7 or paragraph 4(3) of Part G of Appendix 7 provided that in the announcement the issuer only denies the accuracy of such news or reports and/or clarifies that only its previously published information should be relied upon.
- (4) The notification must set out no less (and no more) than:
- (a) a statement that the announcement or notice containing details of the matter is available for viewing on the Exchange's website and the issuer's own website giving details as to where on these websites it is to be found (to the fullest extent known at the time of publication of the notification);
 - (b) a statement that the notification merely serves to advise investors of the matter and of the publication of the announcement or notice on the Exchange's website and the issuer's own website;
 - (c) a warning statement that the notification does not contain information upon which an investment decision should be based and should not be relied upon by investors for such purpose;
 - (d) a statement that investors should refer to the announcement or notice for details of the matter;
 - (e) a statement as to where the announcement or notice is available for inspection, that such inspection is available to the public at no charge, as to the hours of such inspection and days on which such inspection is available and the amount of any fee charged for providing copies (see rule 2.17A (9) below);

(f) in a prominent position at the top of the notification, all such headlines as may be appropriate (or, where multiple headlines, only those headlines which together best describe the subject matter of the announcement or notice), selected by the issuer from the list of headlines set out in Appendix 24;

Notes: (1) For the purpose of submission of the announcement or notice through HKEx-EPS for publication on the Exchange's website pursuant to rule 2.07C(3), all appropriate headlines must be selected regardless of the number.

(2) In cases of doubt, the issuer should consult the Exchange at an early stage.

(g) in a prominent position at the top of the notification, the same title as appears in the announcement or notice; and

(h) such other information as the Exchange may from time to time require.

(5) Notwithstanding the provisions of rule 2.14, the issuer does not need to include the names of its directors in the notification.

(6) The notification must be of a size of not less than 8 centimetres by 10 centimetres.

(7) The issuer may publish the announcement or notice in the newspapers instead of a notification.

(8) The notification does not require clearance from the Exchange prior to publication.

(9) Where an issuer has published a notification in the newspapers, it must make the announcement or notice available for inspection during business hours at no charge at its principal place of business in Hong Kong (in the case of a listed issuer) or at a location in the Central and Western District, Wanchai District, Eastern District or Yau Tsim Mong District of Hong Kong (in the case of a listed issuer or new applicant). The inspection period must commence on the day on which the notification is published in the newspapers. It must continue for at least one month or until such time as the relevant corporate communication is sent to shareholders by the listed issuer or distributed to the public in the case of a new applicant, whichever is the later. If no corporate communication is to be issued, it must be for at least 10 consecutive business days. The issuer may charge reasonable fees for providing copies of the announcement or notice to any person.

Chapter 3

Directors

- 3.11 A listed issuer shall immediately inform the Exchange and publish an announcement ~~in the newspapers~~ in accordance with rule 2.07C containing the relevant details and reasons if at any time the number of its independent non-executive directors falls below the minimum number required under rule 3.10(1) or at any time it has failed to meet the requirement set out in rule 3.10(2) regarding qualification of the independent non-executive directors. The listed issuer shall appoint a sufficient number of independent non-executive directors to meet the minimum number required under rule 3.10(1) or appoint an independent non-executive director to meet the requirement set out in rule 3.10(2) within three months after failing to meet the requirement(s).

Audit Committee

- 3.23 A listed issuer shall immediately inform the Exchange and publish ~~in the newspapers~~ an announcement in accordance with rule 2.07C containing the relevant details and reasons if the listed issuer fails to set up an audit committee or at any time has failed to meet any of the other requirements set out in rule 3.21 regarding the audit committee. Listed issuers shall set up an audit committee and/or appoint appropriate members to the audit committee to meet the requirement(s) within three months after failing to meet such requirement(s).

Chapter 6

Suspension

- 6.02 Any request for suspension must be made to the Exchange by the issuer or the issuer's authorised representative or financial adviser and must be supported by the specific reasons which the issuer wishes the Exchange to take into account in the Exchange's determination whether or not trading in the issuer's securities should be suspended.

Note: (1) Recourse to suspension should only be made where necessary in the interests of all parties. In many cases, the issue of an announcement by the issuer is preferable to the fettering of the proper functioning of the market by inappropriate or unwarranted suspension. Unless the Exchange considers that the reasons given in support of a suspension request warrant such action, it will expect a clarifying announcement to be ~~issued~~ published in accordance with rule 2.07C instead. Failure by an issuer to do so may result in a public statement of criticism by the Exchange directed at the issuer. ~~The Exchange does not feel it necessary or appropriate to suspend dealings following the publication of an announcement in the press, simply on the grounds of allowing that information to circulate through the market.~~

.....

- 6.04 Where dealings have been suspended, the procedure for lifting the suspension will depend on the circumstances and the Exchange reserves the right to impose such conditions as it considers appropriate. The issuer will normally be required to announce in accordance with rule 2.07C the reason for the suspension and, where appropriate, the anticipated timing of the lifting of the suspension. In some cases (for example a temporary suspension pending an announcement) the suspension will be lifted as soon as possible after the announcement is made. In other cases (for example those in rule 14.84) the suspension will be continued until any relevant requirements have been met. The continuation of a suspension for a prolonged period without the issuer taking adequate action to obtain restoration of listing may lead to the Exchange cancelling the listing.

.....

- 6.05 The duration of any suspension should be for the shortest possible period. It is the responsibility of the issuer of securities suspended from trading to ensure that trading in its securities resumes as soon as practicable following the publication of an appropriate announcement in accordance with rule 2.07C or when the specific reasons given by the issuer in support of its request for a suspension of trading in its securities, pursuant to ~~R~~rule 6.02, no longer apply.

.....

- 6.07 The Exchange shall have the power to direct the resumption of trading of suspended securities. In particular the Exchange may:

- (1) require a listed issuer to publish an announcement in accordance with rule 2.07C, in such terms and within such period as the Exchange shall in its discretion direct, notifying the resumption of trading in the issuer's suspended securities, following the publication of which the Exchange may direct resumption of trading; and/or

.....

6.16 An issuer whose primary listing is on another stock exchange and which has a secondary listing on the Exchange may not voluntarily withdraw its secondary listing on the Exchange unless:

.....

2. Introduction

With the implementation of CCASS the Exchange wishes to maintain the status quo as much as possible with respect to the distribution of shareholder communications by listed issuers. In addition, the Exchange wishes to ensure that investors in securities which have been designated by the HKSCC as eligible for deposit and settlement in CCASS are informed where they may obtain information regarding the effects of CCASS on dealings in those securities on the Exchange. This is to minimise disruptions to the market and to make the transition to CCASS for listed issuers and other market participants as smooth as possible. With the implementation of CCASS, it is also necessary to formalise the emergency share registration arrangements which will apply when a typhoon and/or a black rainstorm warning affects an ex-date or book-close date. ~~At present the Exchange Listing Rules and where applicable, the listing agreements specified that where a listed issuer changed its book close date due to exceptional circumstances, such as a typhoon, it shall~~ needed to notify the Exchange in writing and publish a notice in the newspapers as soon as practicable. With the implementation of the arrangements set out below, a listed issuer will only be required to notify the Exchange and make a further announcement in accordance with rule 2.07C where a change is made to the dividend payment date and/or the book closure period is extended.

3. The Exchange's New Requirements

.....

(2) Emergency Share Registration Arrangements During a Typhoon

- (i) Listed issuers shall not be required to notify the Exchange or make any announcements with respect to changes made to the ex-dates or the book-close date in accordance with this Practice Note. All investors and practitioners should be aware of these emergency share registration arrangements as any subsequent announcement given of date changes after a typhoon is not likely to assist them. On the other hand, if the deferments referred to above affect the dividend payment date or the end of the book-closure period, a listed issuer must notify the Exchange in writing and publish in ~~the newspapers~~ accordance with rule 2.07C an notice announcement of the new dividend payment date and any extension in the book-closure period as soon as practicable;

(3) Emergency Share Registration Arrangements During a Black Rainstorm Warning

.....

- (e) Listed issuers shall not be required to notify the Exchange or make any announcements with respect to changes made to the ex-dates or the book-close date in accordance with this Practice Note. All investors and practitioners should be aware of these emergency share registration arrangements as any subsequent announcement given of date changes after a black rainstorm warning is not likely to assist them. On the other hand, if the deferments referred to above affect the dividend payment date or the end of the book-closure period, a listed issuer must notify the Exchange in writing and publish in ~~the newspapers~~ accordance with rule 2.07C an notice announcement of the new dividend payment date and any extension in the book-closure period as soon as practicable.

3. Grounds for suspension

A suspension request will normally only be acceded to in the following circumstances:

-
- where an issuer is subject to an offer, but only where terms have been agreed in principle and require discussion with and agreement by one or more major shareholders. Suspensions will only normally be appropriate where no previous announcement has been made. In other cases, either the details of the offer should be announced in accordance rule 2.07C, or if this is not yet possible, a “warning” announcement published in accordance with rule 2.07C indicating that the issuer is in discussions which could lead to an offer, should be issued, without recourse to a suspension;

4. Restoration of dealings

In the interests of a fair and continuous market, the Exchange requires a suspension period to be kept as short as is reasonably possible. This means that an issuer and its advisers must produce an appropriate draft announcement for review by the Exchange as soon as possible after the suspension arises. Under normal circumstances, the Exchange will restore dealings as soon as possible following publication of an appropriate announcement, or after specific requirements have been met. ~~The resumption of dealings will normally take place at the commencement of trading on the morning of the publication of the announcement in the newspapers.~~

Failure by an issuer to make an announcement when required, may, if the Exchange feels it to be appropriate, result in the Exchange issuing its own announcement and a restoration of dealings without an announcement by the issuer. ~~Similarly, a suspension of dealings following the publication of an announcement in the press, simply on the grounds of allowing that information to circulate, will no longer be agreed to.~~

The Exchange wishes to re-emphasise the importance of proper security within an issuer, and the responsibility of the directors to ensure a proper and timely disclosure of all information necessary to investors to establish a fair and realistic valuation of securities traded in the market.

Practice Note 15

3. Principles

The principles, which apply equally whether the entity to be spun off is to be listed in Hong Kong or overseas, are as follows:

.....

(g) Announcement of spin-off

A spin-off listing application is different from an ordinary listing application in that it is of material, price-sensitive effect for an existing listed issuer. The Listing Committee accordingly considers that the latest time at which a formal announcement under rule 13.09 should be made is the time of lodgement of the Form A1 (or its equivalent in any overseas jurisdiction). Where an overseas jurisdiction requires a confidential filing, the matter should be discussed with the Listing Division prior to any such filing. Until the ~~release~~publication of the announcement in accordance with rule 2.07C, strict confidentiality should be maintained and, in the event of a leakage of information or of a significant, unexplained movement in the price or turnover volume of the Parent's securities, an earlier announcement would be required.
