

## Steps for Downloading the CCCG and OMD-CC Offline Simulator Packages (“Simulator Packages”) via Electronic Communication Platform (ECP)

**Participant General Enquiry Hotline (Tel: 2840 3626; Email: [trd@hkex.com.hk](mailto:trd@hkex.com.hk)) for any enquiries.**

### Step 1 – Log On to the ECP

- 1.1 Open an IE browser and input the website address of the ECP at <https://www.ecp.hkex.com.hk>. The ECP login page will then be shown in a new window.
- 1.2 Login to the ECP by inputting the User ID (e.g. MxxxxxTOxxx) and Password to download the Simulator Packages.
- 1.3 After logging in to the ECP, a selection menu with 3 functions “Download Corner”, “Submission” and “Activity Enquiry” will appear at the top of the screen.

### Step 2 – Download the Simulator Packages from the Download Corner

- 2.1 Click “Download Corner” on the ECP menu bar to view the Simulator Packages available for download.
- 2.2 Click the hyperlink of the file to be downloaded under “Subject” and open or save the file.
- 2.3 For downloading of the OMD-CC Offline Simulator Package:
  - 1) Please download the files listed below completely:
    1. OMD-CC Offline Simulator package.zip;
    2. OMD-CC Offline Simulator package.z01;
  - 2) After downloading has completed, please extract the files by clicking [OMD-CC Offline Simulator package.zip..](#)

### Step 3 – Logout

- 3.1 You are required to log out once you have completed the download process. Click “Logout” under the “Links” menu on the left hand side of the screen to log out from the ECP.
