There are a number of collective investment schemes listed on the HKEx under Chapter 20 of the Listing Rule and which are authorised by the Securities and Futures Commission (SFC), and such collective investment schemes already need to comply with the requirements of the Code on Unit Trusts and Mutual Funds issued by the SFC (the "Code") when preparing and issuing financial statements. We would be grateful if HKEx can clarify that such collective investment schemes can continue to follow the Code when preparing and issuing financial statements and the relevant sections of the Listing Rules shall not apply to such collective investment schemes in this regard.

For your information, under the Code, a collective investment scheme is required to issue semi-annual financial statement and annual financial statement within 2 months and 4 months respectively after the end of the relevant period, and there is no quarterly reporting requirement. The type of information need to be included in the financial statements is also specified in the Code.
