We support the proposed changes to the documentary requirements for listing of equity securities by listed issuers with a view to removing ambiguity in the current Listing Rules and unnecessary administration burden. We also support the reduction in the number of document copies that need to be submitted to the HKEx for environmental reason. However, consideration can be given to condense the 8-stage checklists into 5-stage checklists by merging the documentary requirements relating to the 20-, 15- and 10-day documents to become either A1 documents or 2-day documents.
