

## Part B Consultation Questions

Please indicate your preference by providing comments as appropriate. Where there is insufficient space, please attach additional pages as necessary.

Question 1: Do you support the implementation of the proposed T+2 Finality arrangement?  
If not, what are the reasons?

Yes

Question 2: Do you envisage any problems or concerns for you or your company to operate under the proposed T+2 Finality arrangement? If yes, what are the problems and how can the arrangement be refined to help address your problems?

No

Question 3: What is the estimated lead time required by you or your company to prepare for the implementation of the proposed T+2 Finality arrangement? What are the major preparations required?

It is suggested to give a month notice for us to re-align the operations processes and ensure the new timeline is communicated properly within the organization.

Question 4: Do you have any other comments in relation to the introduction of a T+2 Finality arrangement for CCASS money settlement?

We welcome the idea of introducing a T+2 Finality arrangement for CCASS money settlement to improve the clearing and settlement efficiency and reduce the settlement risk.

We also support the on-going effort in advancing the CCASS money settlement timing which could further facilitate the participants to make use of the funds from CCASS settlement on the same day.
