.•	Financial information in circular or listing document
l)	Accountants' report on the listed group for very substantial disposals (VSD)
	Do you agree with our proposal to remove the current accountants' report requirements for VSD?
	√ Yes
	☐ No
	Please provide reasons for your views.
	If your answer to question 1 is "Yes", do you agree with our proposal to require a VSD circular to disclose financial information described in paragraph 15 of the Consultation Paper?
	√ Yes
	□ No
	Please provide reasons for your views.
	Although we agree to the proposal, we consider that option (a) under paragraph 15, which largely reflects the current requirement, may not be a generally preferred option for issuers. The inclusion of options with different combinations (alternative

forms of financial information and alternative forms of report) may create confusion

3.	If your answers to questions 1 and 2 are "Yes", do you agree that the proposed draft Rule amendments in Appendix I to the Consultation Paper will implement our proposal?
	Yes
	√ No
	If your answer is "No", please provide reasons and alternative views.
	We consider that the wordings of Rule 14.68(2)(a)(i) may not fully reflect the proposal set out under paragraph 15 of the consultation paper. In the proposal, it mentioned that the financial information disclosed must be reviewed by the issuer's auditors or reporting accountants and it is expected that the review would be conducted according to the standards published by HKICPA or IASB on engagements to review financial statements. However, in the draft wording of the rule, this is not specified clearly as what was mentioned in the proposal.
	Rule 14.68 (2)(a)(i) also stipulates that the financial information must comprise certain information together with "any notes that the directors consider necessary for a reasonable appreciation of the results for the financial periods". We consider it preferable to set out precise minimum financial information disclosure requirements instead of allowing directors of issuers to exercise their own judgement.
(2)	Reporting period of accountants' report in major acquisition or very substantial acquisition circular
4.	Do you agree with our proposal to remove the requirement in Rule 4.06 that the reporting period of an accountants' report in a major transaction or very substantial acquisition circular must cover the financial year immediately before the circular date?
	√ Yes
	□ No
	Please provide reasons for your views.
5.	If your answer to question 4 is "Yes", do you agree that the proposed draft Rule amendments in Appendix I to the Consultation Paper will implement our proposal?
	√ Vec
