## HKEx Questionnaire on Proposed Changes to Trading Hours

**Section II: Auction Sessions**

No change in the auction sessions except that they will move along with the CTS as follows:

- Morning auction sessions for securities market and index futures/options markets will become 09:00 to 09:30 and 08:45 to 09:15 respectively; and
- Afternoon auction session for index futures/options markets will become 12:30 to 13:00 (Option 1) or 13:00 to 13:30 (Option 2).

5. If *Change (A)* is adopted, should the *morning auction sessions* remain 0.5 hours? If not, what is your/your company's suggestion? Please state reason(s).

No! Early market opening doesn't generate more sales opportunity since, everyone's money is limited. If people is interested in invest they will do it ~~is~~ within the trading time.

6. If *Change (B)* is adopted, should the *afternoon auction session* remain 0.5 hours for Option 1 and Option 2? If not, what is your/your company's suggestion? Please state reason(s).

..... This will increase the trader working pressure, since everyone need to back their position before market open. So the actual lunch time only left very little time, That is bad for health.

**Section III: Other issues**

7. Are there any other issues regarding the Proposal to change trading hours that HKEx should consider?
