### Section I: HKEx's Proposal

**Change (A): Advance the morning continuous trading session (CTS) by 0.5 hours. The morning CTS of the securities and stock futures/options markets will open at 09:30 and close at 12:00; the index futures/options markets will open at 09:15 and close at 12:00 (i.e. our markets will open at the same time as the Mainland's in the morning).**

**Change (B): Advance the opening times of the afternoon CTS:**

**Option 1: the afternoon CTS of all markets will open at 13:00 resulting in a 1-hour lunch break from 12:00 to 13:00 (i.e. our markets will open at the same time as the Mainland's in the afternoon); or**

**Option 2: the afternoon CTS of all markets will open at 13:30 resulting in a 1.5-hour lunch break from 12:00 to 13:30 (i.e. our markets will open 0.5 hours later than the Mainland's in the afternoon).**

3. Which of the **two options of Change (B) of the Proposal** would you prefer:

- Option 1: the afternoon CTS of all markets will **open at 13:00 resulting in a 1-hour lunch break from 12:00 to 13:00** (i.e. our markets will open at the same time as the Mainland's in the afternoon)

Remarks: This would maintain normal business activities during lunch time. e.g. release of company results.

4. **(For respondents representing your company's view)**

If Changes (A) and (B) in the Proposal are adopted, does your company need to prepare for implementation? How much **lead time** would be required?

Yes. Resources allocation is required. The lead time would be less than 1 month.

**Section II: Auction Sessions**

No change in the auction sessions except that they will move along with the CTS as follows:

- Morning auction sessions for securities market and index futures/options markets will become 09:00 to 09:30 and 08:45 to 09:15 respectively; and
- Afternoon auction session for index futures/options markets will become 12:30 to 13:00 (Option 1) or 13:00 to 13:30 (Option 2).

5. If *Change (A)* is adopted, should the *morning auction sessions* remain *0.5 hours*? If not, what is your/your company's suggestion? Please state reason(s).

Yes. We believe the existing morning auction sessions of 0.5 hours should be adequate.

6. If *Change (B)* is adopted, should the *afternoon auction session* remain *0.5 hours* for Option 1 and Option 2? If not, what is your/your company's suggestion? Please state reason(s).

Yes. We believe the existing afternoon auction session of 0.5 hours should be adequate.

**Section III: Other issues**

7. Are there any other issues regarding the Proposal to change trading hours that HKEx should consider?

In the long run, HKEx should extend the trading hours to mid-night. e.g. 8:30pm to 12:00am. This arrangement would create business volume from Europe and US clients on HK stocks.
