

PART 2: QUESTIONS FOR RESPONSE

Please indicate your views by providing comments as appropriate. Where there is insufficient space, please use additional sheets of paper as necessary.

Section I: HKEx's Proposal

Change (A): Advance the morning continuous trading session (CTS) by 0.5 hours. The morning CTS of the securities and stock futures/options markets will open at 09:30 and close at 12:00; the index futures/options markets will open at 09:15 and close at 12:00 (i.e. our markets will open at the same time as the Mainland's in the morning).

Change (B): Advance the opening times of the afternoon CTS:

Option 1: the afternoon CTS of all markets will open at 13:00 resulting in a 1-hour lunch break from 12:00 to 13:00 (i.e. our markets will open at the same time as the Mainland's in the afternoon); or

Option 2: the afternoon CTS of all markets will open at 13:30 resulting in a 1.5-hour lunch break from 12:00 to 13:30 (i.e. our markets will open 0.5 hours later than the Mainland's in the afternoon).

1. Do you/your company support *Change (A) of the Proposal*, i.e. advance the morning CTS by 0.5 hours?

Yes, due to reason(s) stated below (multiple selection allowed):

- Better price discovery
- Enhanced compatibility with the Mainland
- Better service to investors
- Strengthened competitiveness
- Other reason(s), please specify:

No, due to reason(s) stated below (multiple selection allowed):

- System/operational issues
- Insufficient time to digest market news before market open
- Business commitments (e.g. morning briefings)
- Longer and earlier working hours
- Other reason(s), please specify:

2. Do you/your company support **Change (B) of the Proposal**, i.e. advance the opening times of the afternoon CTS?

Yes, due to reason(s) stated below (multiple selection allowed):

- Better price discovery
- Enhanced compatibility with the Mainland
- Better service to investors
- Strengthened competitiveness

Other reason(s), please specify: With this configuration, we will have several major markets open between 13:00-13:30HKT including Japan, Korea, Australia, China, Taiwan and India. The alignment of trading hours with China and possible overlap with London should increase trading opportunities.

However, we would like to point out that longer hour does not automatically mean more volume and could at times have a negative impact on liquidity/depth of the market.

No, due to reason(s) stated below (multiple selection allowed):

- System/operational issues
- Insufficient time to digest market news before market open
- Business commitments (e.g. lunch meetings with clients)
- Change of lunch practice
- Other reason(s), please specify:

3. Which of the **two options of Change (B) of the Proposal** would you prefer:

- Option 1: the afternoon CTS of all markets will **open at 13:00 resulting in a 1-hour lunch break from 12:00 to 13:00** (i.e. our markets will open at the same time as the Mainland's in the afternoon)
- Option 2: the afternoon CTS of all markets will **open at 13:30 resulting in a 1.5-hour lunch break from 12:00 to 13:30** (i.e. our markets will open 0.5 hours later than the Mainland's in the afternoon)

Remarks:

Please see comments above and we are open to both proposals.

4. **(For respondents representing your company's view)**

If Changes (A) and (B) in the Proposal are adopted, does your company need to prepare for implementation? How much **lead time** would be required?

We expect 3 months lead time.

Section II: Auction Sessions

No change in the auction sessions except that they will move along with the CTS as follows:

- **Morning auction sessions for securities market and index futures/options markets will become 09:00 to 09:30 and 08:45 to 09:15 respectively; and**
- **Afternoon auction session for index futures/options markets will become 12:30 to 13:00 (Option 1) or 13:00 to 13:30 (Option 2).**

5. If **Change (A)** is adopted, should the **morning auction sessions** remain **0.5 hours**? If not, what is your/your company's suggestion? Please state reason(s).

No change is necessary.

6. If **Change (B)** is adopted, should the **afternoon auction session** remain **0.5 hours** for Option 1 and Option 2? If not, what is your/your company's suggestion? Please state reason(s).

No change is necessary.

Section III: Other issues

7. Are there any other issues regarding the Proposal to change trading hours that HKEx should consider?
