1. Do you agree with our proposal to amend Rule 13.91 to require issuers to disclose in their annual reports or ESG reports whether they have complied with the “comply or explain” provisions in the ESG Guide and if they have not, they must give considered reasons in the ESG reports?

Yes

No

Please give reasons for your views.

“Comply or explain” is an effective approach to encourage ESG reporting. It helps issuers who have yet to begin their ESG reporting to review and develop their practices.

2. Do you agree with our proposal to amend Rule 13.91 to require the issuer to report on ESG annually and regarding the same period covered in its annual report?

Yes

No

Please give reasons for your views.

This complements annual report disclosure to provide a comprehensive view of issuer’s observance of ESG best practices during the period.

3. Do you agree with our proposal to include a Note under Rule 13.91 to clarify that:
- (i) an ESG report may be presented as information in its annual report, in a separate report, or on the issuer’s website; and
 - (ii) the issuer should publish the ESG report as close as possible to, and in any event no later than three months after, the publication of the issuer’s annual report?

Yes

No

Please give reasons for your views.

We agree with the proposal to include a note under Rule 13.91 to clarify the disclosure manner and timing of the publication of ESG report.

However, please clarify if the proposed rule allows the information to be disclosed discretely in different sections (rather than within one single section) in the annual report / website.

4. Do you agree with our proposal to revise the introductory section of the Guide into four areas (i.e. “The Guide”, “Overall Approach”, “Reporting Principles” and “Complementing ESG Discussions in the Business Review Section of the Directors’ Report”), and with the wording set out in Appendix II to the Consultation Paper?

Yes

No

Please give reasons for your views.

It reflects the flexibility of the issuers to report ESG information which is relevant to their own circumstances.

Please give reasons for your views.

We agree to the linkage of the Guide to Appendix 16. However, to avoid confusion, we suggest to add a phrase to the effect of “whilst Appendix 16 requires a high level discussion in the business review section of the directors’ report” to the last sentence of paragraph 12 of the proposed Guide.
