Please give reasons for your views.

- 1) "Gender" how this be correctly defined especially faced with the current hot topics in recent years
- 2) In view of current market practices, I would suggest the following items need to be upgraded as "Comply or Explain" to add validity and creditability of such reporting:
  - a) B4 Labour Practices
  - b) B5: Supply Chain Management
  - c) B7.1: Anti-Corruption → though no such provision in Listing Rules, but if company practising Corruption, it is rather illegal. So, not recommended to encourage!!
  - d) B7.2: Whistle-blowing → this is such a provisional requirement under CG Code.
- 3) B8: Community Involvement: "social impacts" is missing in the example list
