1. Do you agree with our proposal to amend Rule 13.91 to require issuers to disclose in their annual reports or ESG reports whether they have complied with the "comply or explain" provisions in the ESG Guide and if they have not, they must give considered reasons in the ESG reports?

	No
--	----

Please give reasons for your views.

It is advisable to make disclosures in line with other countries' standards so as to provide more information to shareholders and stakeholders.

2. Do you agree with our proposal to amend Rule 13.91 to require the issuer to report on ESG annually and regarding the same period covered in its annual report?

No

Please give reasons for your views.

We agree with this requirement since the financial statements are reporting annually and meet with the financial year end of each issuer.

- 3. Do you agree with our proposal to include a Note under Rule 13.91 to clarify that:
 - (i) an ESG report may be presented as information in its annual report, in a separate report, or on the issuer's website; and
 - (ii) the issuer should publish the ESG report as close as possible to, and in any event no later than three months after, the publication of the issuer's annual report?
 - Yes Yes
 - No No

Please give reasons for your views.

It is flexible and feasible for the issuer to adopt its best approach for the disclosure of ESG report. Also, the issuer may publish the same on its website which can reduce paper consumption and enhance better environmental protection.
