## HKEx's Proposal:

- HKEx is proposing an after-hours trading session for the futures market (T+1 Session).
  The opening time of the T+1 Session will be 30 minutes after the close of the regular trading session (T Session), i.e. 4:45 p.m. for Hang Seng Index futures and H-shares Index futures and 5:30 p.m. for gold futures. The T+1 Session will end at 11:15 p.m.
- All trades transacted in the T+1 Session will be registered as T+1 Trades and will be cleared and settled on the following trading day.
- At the initial stage, Hang Seng Index futures, H-shares Index futures and gold futures will
  be traded in the T+1 Session. Other derivatives products might be considered at a later
  stage.
- HKEx will manage the risk of after hours trading through appropriate regular, ad-hoc and/or
  real time monitoring during the T+1 Session and via a new mandatory variation adjustment
  and margin call following the market open of each T Session and payable by 11:00 a.m.
