Do you agree with our proposal regarding re-election of an independent non-executive director serving more than nine years ("Long Serving INEDs") to revise an existing CP to require (i) independent shareholders' approval; and (ii) additional disclosure on the factors considered, the process and the board or nomination committee's discussion in arriving at the determination in the explanation on why such Long Serving INED is still independent and should be re-elected?

Yes

Please give reasons for your views.

Question 5

Do you agree with our proposal to introduce a new RBP that an issuer generally should not grant equity-based remuneration (e.g. share options or grants) with performance-related elements to INEDs as this may lead to bias in their decision-making and compromise their objectivity and independence?

Yes

Please give reasons for your views.

Question 6a

Do you agree with our proposal to highlight that diversity is not considered to be achieved by a single

Absolutely - but eliminating non diverse boards without setting wholesale targets may result in companies only appointing one diversity appointment per board - in effect "a quota of one".

Yes

Please give reasons for your views.

Question 12

Do you agree with our proposal to amend the Rules and the ESG Guide to require publication of ESG reports at the same time as publication of annual reports?

Question 13

Do you have any comments on how the re-arranged Code is drafted in the form set out in Appendices III and IV to the Consultation Paper and whether it will give rise to any ambiguities or unintended consequences?

No

Please give reasons for your views.

I urge HKEX to include the following elements in the Corporate Governance Code to avoid 'de minimus' compliance with lower requirements:

1. set board gender diversity targets for all listed companies of 25% by 2025 and 30% within six years which, if not met by 80% of the market, should then be mandated through quotas;
2. diversity policies should apply throughout organisations and not just the board; and

3. diversity policies should include measurable objectives and create accountability through transparent reporting to the market.

Question 14

In addition to the topics mentioned in the Consultation Paper, do you have any comments regarding what to be included in the new guidance letter on corporate governance (i.e. CG GL) which may be helpful to issuers for achieving the Principles set out in the Code?
