

Question 1

Do you agree with our proposal to introduce a code provision ("CP") requiring an issuer's board to set culture in alignment with issuer's purpose, value and strategy?

Yes

Please give reasons for your views.

In the spirit that such alignment be related to anti-corruption work and whistleblowing systems, among other things, we would recommend a CP. Otherwise, we would suggest more concrete regulations that do not lead to boilerplate language and disclosure.

Question 2a

Do you agree with our proposal to introduce a CP requiring establishment of an anti-corruption policy?

Yes

Please give reasons for your views.

This is key for a well-functioning company.

Question 2b

Do you agree with our proposal to upgrade a Recommended Best Practice ("RBP") to CP requiring establishment of a whistleblowing policy?

Yes

Please give reasons for your views.

This is an improvement in market standards as HK does not have a general whistleblowing law.

Question 3

Do you agree with our proposal to introduce a CP requiring disclosure of a policy to ensure independent views and input are available to the board, and an annual review of the implementation and effectiveness of such policy?

Yes

Please give reasons for your views.

Independent views and input are crucial to protecting minority shareholder rights in a well-functioning board.

Question 4a

Do you agree with our proposal regarding re-election of an independent non-executive director serving more than nine years ("Long Serving INEDs") to revise an existing CP to require (i) independent shareholders' approval; and (ii) additional disclosure on the factors considered, the process and the board or nomination committee's discussion in arriving at the determination in the explanation on why such Long Serving INED is still independent and should be re-elected?

Yes

Please give reasons for your views.

Board refreshment and independent views are key to protecting minority shareholder rights in a well-functioning board.

Question 4b

Do you agree with our proposal to introduce a CP requiring an issuer to appoint a new independent non-executive director ("INED") at the forthcoming annual general meeting where all the INEDs on the board are Long Serving INEDs, and disclosing the length of tenure of the Long Serving INEDs on the board on a named basis in the shareholders' circular?

Yes

Please give reasons for your views.

Long-serving directors can become less independent with prolonged tenure. While this is not always the case, having more disclosure on the tenure would be helpful for investors when determining whether to support such candidacy.

Question 5

Do you agree with our proposal to introduce a new RBP that an issuer generally should not grant equity-based remuneration (e.g. share options or grants) with performance-related elements to INEDs as this may lead to bias in their decision-making and compromise their objectivity and independence?

Yes

Please give reasons for your views.

This would align HKEx with mainland China rules around not granting equity to INEDs.

Question 6a

Do you agree with our proposal to highlight that diversity is not considered to be achieved by a single gender board in the note of the Rule?

Yes

Please give reasons for your views.

Question 6b

Do you agree with our proposal to introduce a Mandatory Disclosure Requirement ("MDR") requiring all listed issuers to set and disclose numerical targets and timelines for achieving gender diversity at both: (a) board level; and (b) across the workforce (including senior management)?

Yes

Please give reasons for your views.

Yes. This would ideally hold companies accountable to achieving improved gender diversity across their organizations.

Question 6c

Do you agree with our proposal to introduce a CP requiring the board to review the implementation and effectiveness of its board diversity policy annually?

Yes

Please give reasons for your views.

Question 6d

Do you agree with our proposal to amend the relevant forms to include directors' gender information?

Yes

Please give reasons for your views.

Yes. However, directors' should approve the disclosure and designation of the gender with which they associate.

Question 7

Do you agree with our proposal to upgrade a CP to Rule requiring issuers to establish a nomination committee chaired by an INED and comprising a majority of INEDs?

Yes

Please give reasons for your views.

Ideally, this should further promote the diversity and independence of thought through board refreshment.

Question 8

Do you agree with our proposal to upgrade a CP to a MDR to require disclosure of the issuer's shareholders communication policy (which includes channels for shareholders to communicate their views on various matters affecting issuers, as well as steps taken to solicit and understand the views of shareholders and stakeholders) and annual review of such policy to ensure its effectiveness?

Yes

Please give reasons for your views.

Question 9

Do you agree with our proposal to introduce a Rule requiring disclosure of directors' attendance in the poll results announcements?

Yes

Please give reasons for your views.

Question 10

Do you agree with our proposal to delete the CP that requires issuers to appoint non-executive

directors for a specific term?

Yes

Please give reasons for your views.

Three year term limits allow non-performing non-executive directors to be approved by shareholders only every few years. We would suggest deletion of a certain term and move toward annual board evaluations and elections.

Question 11

Do you agree with our proposal to elaborate the linkage in the Code by (a) setting out the relationship between corporate governance and environmental, social and governance ("ESG") in the introductory section; and (b) including ESG risks in the context of risk management under the Code?

Yes

Please give reasons for your views.

Question 12

Do you agree with our proposal to amend the Rules and the ESG Guide to require publication of ESG reports at the same time as publication of annual reports?

Yes

Please give reasons for your views.

This would level the playing field in terms of financial and non-financial information being made available to shareholders and is welcome.

Question 13

Do you have any comments on how the re-arranged Code is drafted in the form set out in Appendices III and IV to the Consultation Paper and whether it will give rise to any ambiguities or unintended consequences?

No

Please give reasons for your views.

Question 14

In addition to the topics mentioned in the Consultation Paper, do you have any comments regarding what to be included in the new guidance letter on corporate governance (i.e. CG GL) which may be helpful to issuers for achieving the Principles set out in the Code?

No

Please give reasons for your views.

Question 15a

Do you agree with our proposed implementation dates for all proposals (except the proposals on Long Serving INED): the financial year commencing on or after 1 January 2022?

Yes

Please give reasons for your views.

While we appreciate the need for a transition period, the first effective year for real change in board composition won't be until 2025, which seems too long, especially in the area of gender diversity for single gender boards.

Question 15b

Do you agree with our proposed implementation dates for proposals on Long Serving INED: the financial year commencing on or after 1 January 2023?

Yes

Please give reasons for your views.
