The meaning of "control" in this context is set out in Note 6 to the Consultation Paper (see page 9). Please consider incorporating the meaning of "control" into the proposed rule 4.04 (see page 3 of appendix 1 to the Consultation Paper).

5. Do you agree with our proposal to codify the R4.10 Waiver as an exception to Main Board Rule 4.10 regarding the disclosure of financial information of the overseas banking companies?

No

You may provide reasons for your views.

6. Do you agree with our proposal to codify the R8.21(1) Conditions as an exception to Main Board Rule 8.21(1) regarding the change of financial year period?

Yes

No

You may provide reasons for your views.

I am not sure if the regulators will be able to know whether or not a new applicant has changed its financial year end date based on the listing related documents provided. Given that one of the conditions for permitting the change of the financial year end date is that the requirements under rule 8.05 are satisfied before and after the change, I suggest that (1) listing applicants and/or their reporting accountants should be obliged to inform the regulators if there is a change of the financial year end date, and (2) a confirmation that the requirements under rule 8.05 are satisfied before and after the change should be provided to the regulators by the listing applicants and, say, the reporting accountants. Certain measures, such as those suggested above, should be adopted to ensure that the proposed rule 8.21(3) has been complied with.

7. Do you agree with our proposal to (i) codify the modification provided by the General Waivers into Main Board Rules 13.46 and 13.49(1) subject to the new applicant meeting the Annual Results and Reports Waivers Conditions; (ii) codify similar exception to Main Board Rule 13.48(1) as well as GEM Rules 18.66 and 18.79; (iii) align the conditions for Interim Results Exemption with the Annual Results and Reports Waivers Conditions; and (iv) repeal PN 10 and consolidate the guidance with the relevant Main Board Rules?

Yes

No

You may provide reasons for your views.

8. Do you agree with the proposal to codify the waiver from disclosure of actual consideration of aircrafts to be acquired by listed airline operators, as described in paragraph 58 of the Consultation Paper?

Yes

No

You may provide reasons for your views.

9. Do you agree with the proposal to allow listed issuers to determine SpinCo's Scheme Limit with reference to SpinCo's shares in issue as at the date of SpinCo's listing?

Yes

No

You may provide reasons for your views.

10. Do you agree with the proposal to codify the waiver of the exercise price requirement for issuers dually listed on the Exchange and a PRC exchange as described in paragraph 65 of the Consultation Paper?

Yes

No

You may provide reasons for your views.

Practically speaking, the prevailing market price of the relevant shares on the PRC exchange at the time of grant of the options should be the market price at the time of offer of the options. Notwithstanding that the term "grant" includes "offer" etc (see rule 17.01(3)). Please consider amending the proposed rules so that the rules reflect what they actually mean. The words "on the date of grant" in note 1 to rule 17.03(9) should be changed to "on the date of offer".

11. Do you agree with our proposal to codify the waiver described in paragraph 71 of the Consultation Paper in respect of the experience and qualification of company secretary into the Rules?

Yes

No

You may provide reasons for your views.

The proposed waiver period should be not more than three years. The length depends on the various factors listed out in paragraph 70 of the Consultation Paper. The factors involved are qualitative in nature. It is hard to distinguish the cases where a shorter waiver period is accepted from those cases where a three-year wavier period is required. In addition, the unqualified person should be assisted by a qualified person over a sufficiently long period for the unqualified person to acquire the relevant knowledge and experience. A three-year period is considered to be reasonable. Hence, I suggest that, if a waiver is granted, the period should be a fixed three-year period.

12. Do you agree with the proposals (a) to provide an exemption for Main Board listed issuers that are banking companies or insurance companies from including a working capital statement, subject to appropriate alternative disclosures in their listing documents and transaction circulars if they are able to meet the same conditions as those set out in Main Board Rule 8.21A(2), and (b) to limit Main Board Rule 8.21A(2) so that the exemption applies only to banking companies or insurance companies, subject to alternative disclosures in their listing documents and the conditions as described in paragraph 73 of the Consultation Paper?

Yes

No

You may provide reasons for your views.
