If your answer to the above question is “no”, please provide reasons for your views.

According to Section F of the Corporate Governance Code, the company secretary plays an important role in supporting the board by ensuring good information flow within the board and that board policy and procedures are followed. However, as a supporting and advisory role, the company secretary (acted by external services provider) may not be privy to all the details of every transactions that the board would decide to make. It would be unfair to impose secondary liability on the Relevant Parties, in particular the company secretary (an external service provider).

11. We propose to include an explicit provision permitting the imposition of a sanction in circumstances where there has been a failure to comply with a requirement imposed by the Listing Division, the Listing Committee or the Listing Review Committee of the Exchange. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

As mentioned in my answer in Question 10, the company secretary is only a supporting and advisory role. According to Guidance for Boards and Directors published by HKEx, it stated that the company secretary can discharge their duties by providing advice to the board on corporate governance and compliance matters and facilitating continuous training to the board in accordance with the rules and regulations. Meanwhile, the company secretary (acted by external services provider) may not have a day-to-day knowledge of the issuer’s affairs. We cannot avoid any failure by the board which leads to the imposition of a sanction. It would be unjust to the parties who do not have the details of the transactions.

12. We propose that sanctions may be imposed on all Relevant Parties through secondary liability where a party has failed to comply with a requirement imposed by the Listing Division, the Listing Committee or the Listing Review Committee. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

As mentioned in my answer in Question 10, the company secretary plays an important role in supporting the board by ensuring good information flow within the board and that board policy and procedures are followed. The Secretary can provide advice to the board but has no control on whether the issuer complies with the requirement. As such, it would be unfair to the Secretary if sanctions are imposed on all Relevant Parties when a party failed to comply.

13. We propose to explicitly provide in the Rules the obligation to provide complete, accurate and up-to-date information when interacting with the Exchange in respect of its enquiries or investigations. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

The Secretary, who is an external service provider instead of internal staff, may not have day-to-day knowledge of the issuer’s affairs and as such, may not be able to determine if the information on hand is complete, accurate and up-to-date.

14. Do you agree with the proposed definition of ‘senior management’?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

15. We propose to include employees of professional advisers of listed issuers and their subsidiaries as a Relevant Party under the Rules. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

As mentioned in my answer in question 13, the external service provider may not have day-to-day knowledge of the issuer’s affairs and as such, there could well be gaps in communication. Furthermore, I believe it is the responsibility of the professional institutes to determine if their members have failed the applicable professional standards. As such, I do not agree that the employees of professional advisers should be included as a Relevant Party.

16. We propose to include guarantors of structured products as a Relevant Party under the Rules. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

17. We propose to include guarantors for an issue of debt securities as a Relevant Party under the MB Rules. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

18. We propose to include parties who give an undertaking to, or enter into an agreement with, the Exchange as Relevant Parties under the Rules. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

19. We propose to extend the ban on professional advisers to cover banning of representation of any or a specified party. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

It would be a reputational and livelihood damage to the professional advisers if to ban them for a period. I believe there could be other alternatives for the disciplinary sanctions.

20. We propose to include express obligations on professional advisers when acting in connection with Rule matters. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

I believe the professional institutes have their standards and always maintain and ensure their members acting as a qualified and professional role. Furthermore, the guidance and listing rules give a clear indication on the duties, responsibilities and obligations of each role. It is not necessary to include express obligations on professional advisers.

21. We propose that ‘business day’ be used as the benchmark for counting the periods for filing review applications, and for requesting or providing written reasons for decisions. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

22. We propose that all review applications must be served on the Secretary. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

23. We propose that the counting of the period for filing review applications be from the date of issue of the decision or the written reasons. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

24. We propose that the counting of the period for requesting written reasons be from the date of issue of the decision. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.

25. We propose that the counting of the period for providing written reasons be from the date of receipt of the request. Do you agree?

Yes

No

If your answer to the above question is “no”, please provide reasons for your views.
