Subject: HKEx Consultation on "A Listing Regime for Companies from Emerging and Innovative Sectors"

Importance: High

Dear Sir/Madam,

I refer to the HKEx consultation paper - "A Listing Regime for Companies from Emerging and Innovative Sectors" published on 23 February 2018, and the deadline for submitting comments is 23 March 2018.

The Law Society is in the course of reviewing the Consultation Paper and will submit written comments. However, the Law Society requires more time for consideration and would like to seek an extension of time to submit on **28 March 2018 (Wednesday)**.

In view of the substantive issues involved but only 'one month' is allowed for this consultation, I believe that our request for time extension is reasonable in the circumstances. If further information is required, please contact me by email or by phone (stated below).

Thanks for your attention.

Kind regards,
Eileen Tam
Assistant Director, Practitioners Affairs
The Law Society of Hong Kong
