

Part B Consultation Questions

Please reply to the questions below that are raised in the Consultation Paper downloadable from the HKEX website at: <https://www.hkex.com.hk/-/media/HKEX-Market/News/Market-Consultations/2016-Present/July-2020-Paperless-Listing/Consultation-Paper/cp202007.pdf>. Please indicate your preference by ticking the appropriate boxes.

Where there is insufficient space provided for your comments, please attach additional pages.

We encourage you to read all of the following questions before responding.

1. Do you agree with our proposal to amend the Listing Rules to require (i) all listing documents in a new listing (“**New Listing**”)¹ to be published solely in an online electronic format and cease printed form listing documents; and (ii) except for Mixed Media Offers², all New Listing subscriptions, where applicable, to be made through online electronic channels only?

Yes

No

Please give reasons for your views.

1. Rationales are insufficient and unjustified.
2. Unfairly removed the choice and right of certain investors.
3. Paper-form documents are recognized legally binding media. There are no valid reasons to be rejected.
4. Discriminated particular sector of investors.
5. Environmental-friendly IPO subscription can be achieved by other means, such as downloading of application form online instead of mass-printing by share registrars.
6. No evidence showing mandatory paperless subscription is a global standard in major financial markets.

7. No evidence showing existing electronic subscription channels are well-accepted. Most applications are currently submitted through banks or brokers, instead of using electronic channels provided by IPO applicants.
8. This consultation also accept comments returned by papers, showing the importance of paper-form documents.
9. No change is proposed for preferential offerings, debt securities and structured products, showing the reality that electronic application may not be suitable for all investors. HKEx is using a double standard in this issue.

¹ “New Listing” refers to an application for listing of equities (including stapled securities and depositary receipts), debt securities and collective investment schemes (“**CIS**”) on the Exchange by a new applicant where a listing document is required under the Listing Rules but excludes a Mixed Media Offer. For the purpose of the Consultation Paper, debt securities refer to debt securities (including debt issuance programmes) listed pursuant to chapters 22 to 36 of Main Board Listing Rules and chapters 26 to 29, 32 to 35 of GEM Listing Rules.

² “Mixed Media Offer” refers to an offer process whereby an issuer or a CIS offeror can distribute paper application forms for public offers of certain securities without a printed prospectus, so long as the prospectus is available on the HKEX website and the website of the issuer/CIS offeror and it makes printed prospectuses publicly available free of charge upon request at specified locations (which do not have to be the same locations as where the printed application forms are distributed).

4. Do you agree that Online Display Documents should be displayed online for a specified period⁴ except for those documents that are required by the Listing Rules to be made available on an ongoing basis?

- i) require the issuer to display the contracts pertaining to the transaction only; and

10. In respect of a connected transaction that is subject to the shareholders' approval requirement, do you agree with our proposal to:
