Question 1

Do you agree with our proposal to introduce a new Code Provision (CP) under the Corporate Governance Code (CG Code) requiring issuers without an independent board chair to designate one independent non-executive director (INED) as a Lead INED to enhance engagement with investors and shareholders?

Yes

Please provide reasons for your views.

Good, because a specific responsibility is carried better by one point person than a group of persons. The way and form to reach this "lead INED responsible to enhance engagement with investors and shareholders" should be clearly shown in the annual report.

Question 2(a)

Regarding continuous professional development for directors, do you agree with our proposal to make continuous professional development mandatory for all existing directors, without specifying a minimum number of training hours?

Yes

Please provide reasons for your views.

Yes. Like in any professional position, knowledge and skills need to be continuously upgraded.

Question 2(b)

Regarding continuous professional development for directors, do you agree with our proposal to require First-time Directors to complete a minimum of 24 hours of training within 18 months following their appointment?

Yes

Please provide reasons for your views.

Question 2(c)

Regarding continuous professional development for directors, do you agree with our proposal to define “First-time Directors” to mean directors who (i) are appointed as a director of an issuer listed on the Exchange for the first time; or (ii) have not served as a director of an issuer listed on the Exchange for a period of three years or more prior to their appointment?

Yes

Please provide reasons for your views.

Question 2(d)

Regarding continuous professional development for directors, do you agree with our proposal to specify the specific topics that must be covered under the continuous professional development requirement?

Yes

Please provide reasons for your views.

Yes. And these topics should include reading the views of prestigious experienced investors like Warren Buffett about the job of INEDs, which is widely covered in his annual letters. The topics should also include literature covering prior examples of board misbehavior that led to shareholder loses, for example in the case of General Electric or Boeing, who failed to properly supervise their CEOs. There are great detailed accounts of these two corporate failures in books such as "Lights out" on General Electric or "Flying Blind" on Boeing, among others. This should be Must Read for INEDs.

Question 3

Do you agree with the proposed consequential changes to Principle C.1 and CP C.1.1 of the CG Code?

Yes

Please provide reasons for your views.

Question 4

Do you agree with our proposal to upgrade the current Recommended Best Practice (RBP) in the CG Code to a CP requiring issuers to conduct regular board performance reviews at least every two years and make disclosure as set out in CP B.1.4?

Yes

Please provide reasons for your views.

Question 5

Do you agree with our proposal to introduce a new CP requiring issuers to maintain a board skills matrix and make disclosure set out in CP B.1.5?

Yes

Please give reasons for your views.

Yes this is a great idea. Many times INED have great academic background and accounting experience, but very little experience in two critical areas: being an investor or running a business. The matrix should clearly highlight if the INED has investing experience of his own money or leadership experience managing people in a for profit business. As a minority shareholder, I want the INEDs to be able to understand how the CEO conducts Capital Allocation (the capital that belongs to shareholders, can be kept, reinvested, divi or repurchase). A INED with only academic background will not be able to understand capital allocation beyond the ROIC formula, and thus will not be able to judge the CEO actions.

Question 6(a)

In relation to our proposal to introduce a “hard cap” of six listed issuer directorships that INEDs may hold, do you agree with the hard cap to ensure that INEDs are able to devote sufficient time to carry out the work of the listed issuers?

No

Please provide reasons for your views.

In my opinion, the hard cap should be set based on total compensation and not roles. A INED that needs to collect INED fees to pay for his rent and living expenses cannot be independent, his judgement will always be biased towards supporting those who pay him the money she/he needs to live. INED compensation should be set at max 1% of the person annual income.

Question 6(b)

In relation to our proposal to introduce a “hard cap” of six listed issuer directorships that INEDs may hold, do you agree with the proposed three-year transition period to implement the hard cap?

Yes

Please provide reasons for your views.

Question 7

Do you agree with the proposal to introduce a new Mandatory Disclosure Requirement (MDR) in the CG Code to require the nomination committee to annually assess and disclose its assessment of each director's time commitment and contribution to the board?

Yes

Please provide reasons for your views.

Question 8(a)

In relation to our proposal to introduce a "hard cap" of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree with the proposed hard cap to strengthen board independence?

Yes

Please give reasons for your views.

Yes. It is always good to bring in fresh blood. And if the director is capable and adds value to the board, he can always remain as non-exec.

Question 8(b)

In relation to our proposal to introduce a "hard cap" of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree that a person can be re-considered as an INED of the same issuer after a two-year cooling-off period?

No

Please provide reasons for your views.

Question 8(c)

In relation to our proposal to introduce a "hard cap" of nine years on the tenure of INEDs, beyond which an INED will no longer be considered to be independent, do you agree with the proposed three-year transition period in respect of the implementation of the hard cap?

Yes

Please provide reasons for your views.

Question 9

Do you agree with the proposal to require all issuers to disclose the length of tenure of each director in the CG Report?

Yes

Please provide reasons for your views.

Question 10

Do you agree with our proposal to introduce a CP requiring issuers to have at least one director of a different gender on the nomination committee?

Yes

Please provide reasons for your views.

Yes, but only if the person is more qualified and has better skills than the current directors in the nomination committee. Companies should be given waivers otherwise. Importantly, besides gender, it should be encouraged to include diversity in terms of age and race. Different backgrounds make for good teams to cover blind spots.

Question 11

Do you agree with our proposal to introduce a Listing Rule to require issuers to have and disclose a diversity policy for their workforce (including senior management)?

Yes

Please provide reasons for your views.

Yes but only if, besides gender, the diversity policy includes age, race, and skills, and it is done without specific requirements on each. The goal is to have skilled people of different backgrounds, which make for good teams to cover blind spots.

Question 12

Do you agree with our proposal to upgrade from a CP to a MDR the requirement on the annual review of the implementation of an issuer's board diversity policy?

Yes

Please provide reasons for your views.

Question 13

Do you agree with our proposal to require as a revised MDR separate disclosure of the gender ratio of: (i) senior management; and (ii) the workforce (excluding senior management) in the CG Report?

Yes

Please provide reasons for your views.

Yes but only if, besides gender, the diversity policy includes age, race, and skills, and it is done without specific requirements of a minimum for each. The goal is for the company to have "skilled diversity" in its senior management and workforce, in the broadest possible term.

Question 14

Do you agree with our proposal to codify the arrangements during temporary deviations from the requirement for issuers to have directors of different genders on the board as set out in draft Main Board Listing Rule 13.92(2) in Appendix I?

Yes

Please provide reasons for your views.

Question 15(a)

Question 15(b)

Do you agree with our proposal to upgrade the requirement to conduct (at least) annual reviews of the effectiveness of the issuer's risk management and internal control systems to mandatory and require the disclosures set out in MDR paragraph H?

Yes

Please provide reasons for your views.

Question 16

Do you agree with our proposal to refine the existing CPs in section D.2 of the CG Code setting out the scope of the (at least) annual reviews of the risk management and internal control systems?

Yes

Please provide reasons for your views.

Question 17

Do you agree with our proposal to introduce a new MDR requiring specific disclosure of the issuer's policy on payment of dividends and the board's dividend decisions during the reporting period?

Yes

Please provide reasons for your views.

Question 18

Do you agree with our proposal to introduce a Listing Rule requirement for issuers to set a record date to determine the identity of security holders eligible to attend and vote at a general meeting or to receive entitlements?

Yes

Please provide reasons for your views.

Question 19

Do you agree with our proposal to codify our recommended disclosures in respect of issuers' modified auditors' opinions into the Listing Rules?

Yes

Please provide reasons for your views.

Question 20

Do you agree with our proposal to clarify our expectation of the provision of monthly updates in CP D.1.2 and the note thereto?

058

Please provide reasons for your views.

Yes

Please provide reasons for your views.

If this helps simplify and standardize the company's compliance, yes. If it adds an additional layer of complexity and costs, no.

Question 22

Do you agree with the proposed implementation date of financial years commencing on or after 1 January 2025, with transitional arrangements as set out in paragraphs 182 to 183 of the Consultation Paper?
